2. Each district which is located in a blighted area or which includes a blighted area shall have the following additional powers:

(1) Within its blighted area, to contract with any private property owner to demolish and remove, renovate, reconstruct, or rehabilitate any building or structure owned by such private property owner; and

(2) To expend its revenues or loan its revenues pursuant to a contract entered into pursuant to this subsection, provided that the governing body of the municipality has determined that the action to be taken pursuant to such contract is reasonably anticipated to remediate the blighting conditions and will serve a public purpose.

3. Each district shall annually reimburse the municipality for the reasonable and actual expenses incurred by the municipality to establish such district and review annual budgets and reports of such district required to be submitted to the municipality; provided that, such annual reimbursement shall not exceed one and one-half percent of the revenues collected by the district in such year.

4. Nothing in sections 67.1401 to 67.1571 shall be construed to delegate to any district any sovereign right of municipalities to promote order, safety, health, morals, and general welfare of the public, except those such police powers, if any, expressly delegated pursuant to sections 67.1401 to 67.1571.
5. The governing body of the municipality establishing the district shall not decrease the level of publicly funded services in the district existing prior to the creation of the district or transfer the financial burden of providing the services to the district unless the services at the same time are decreased throughout the municipality, nor shall the governing body discriminate in the provision of the publicly funded services between areas included in such district and areas not so included.
