

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

SIXTY-SECOND DAY, WEDNESDAY, MAY 13, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Trust in the Lord and do good. (Psalm 37:3)

O God, our Creator, eternal source of wisdom, power, and love, who is above us and with us, who keeps the planets in their courses and yet is mindful of the faint whispers of our human hearts, before You we pause in reverence and awe, contemplating the grandeur of Your being, the greatness of Your power, and the glory of Your love.

Keep us restless until we find our rest in You. Keep us dissatisfied until we find our satisfaction in You. Keep us in weakness until we find our strength in You under this dome.

Into our lives come appeals for political causes, some of which are good and some of which are not good. We pray that, by Your spirit, we may be led to make wise choices and that our reactions may be good and for the good of all. Help us to keep our minds and hearts responsive to You, that Your grace may find an outlet in our lives, and that we and our state may be channels for Your Spirit to establish justice between us, goodness within us, and peace in our hearts, especially now during this pandemic.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-first day was approved as printed by the following vote:

"135.305. A Missouri wood energy producer shall be eligible for a tax credit on taxes otherwise due under chapter 143, except sections 143.191 to 143.261, as a production incentive to produce processed wood products in a qualified wood-producing facility using Missouri forest product residue. The tax credit to the wood energy producer shall be five dollars per ton of processed material. The credit may be claimed for a period of five years and is to be a tax credit against the tax otherwise due. No new tax credits, provided for under sections 135.300 to 135.311, shall be authorized after June 30, ~~2020~~ **2026**. In no event shall the aggregate amount of all tax credits allowed under sections 135.300 to 135.311 exceed six million dollars in any given fiscal year. There shall be no tax credits authorized under sections 135.300 to 135.311 unless an appropriation is made for such tax credits.

137.1018. 1. The commission shall ascertain the statewide average rate of property taxes levied the preceding year, based upon the total assessed valuation of the railroad and street railway companies and the total property taxes levied upon the railroad and street railway companies. It shall determine total property taxes levied from reports prescribed by the commission from the railroad and street railway companies. Total taxes levied shall not include revenues from the surtax on subclass three real property.

2. The commission shall report its determination of average property tax rate for the preceding year, together with the taxable distributable assessed valuation of each freight line company for the current year to the director no later than October first of each year.

3. Taxes on property of such freight line companies shall be collected at the state level by the director on behalf of the counties and other local public taxing entities and shall be distributed in accordance with sections 137.1021 and 137.1024. The director shall tax such property based upon the distributable assessed valuation attributable to Missouri of each freight line company, using the average tax rate for the preceding year of the railroad and street railway companies certified by the commission. Such tax shall be due and payable on or before December thirty-first of the year levied and, if it becomes delinquent, shall be subject to a penalty equal to that specified in section 140.100.

4. (1) As used in this subsection, the following terms mean:

(a) "Eligible expenses", expenses incurred in this state to manufacture, maintain, or improve a freight line company's qualified rolling stock;

(b) "Qualified rolling stock", any freight, stock, refrigerator, or other railcars subject to the tax levied under this section.

(2) For all taxable years beginning on or after January 1, 2009, a freight line company shall, subject to appropriation, be allowed a credit against the tax levied under this section for the applicable tax year. The tax credit amount shall be equal to the amount of eligible expenses incurred during the calendar year immediately preceding the tax year for which the credit under this section is claimed. The amount of the tax credit issued shall not exceed the freight line company's liability for the tax levied under this section for the tax year for which the credit is claimed.

AMEND House Committee Substitute for Senate Bill No. 782, Page 24, Section 301.010, Line 159, by inserting after the first occurrence of the word "vehicle" the words "**or who has executed a buyer's order or retail installment sales contract with a motor vehicle dealer licensed under sections 301.550 to 301.580 for the purchase of a vehicle with an immediate right of possession vested in the transferee,**"; and

Further amend said bill, Page 32, Section 301.032, Line 94, by inserting after all of said line the following:

"301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days, or no more than ninety days if the dealer is selling the motor vehicle under the provisions of section 301.213, **or no more than sixty days if the dealer is selling the motor vehicle under the provisions of subsection 5 of section 301.210.** As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, **the** applicant shall pay a transfer

fee of two dollars and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, **the applicant shall not be entitled to a refund.**

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. The director of the department of revenue shall have authority to produce or allow others to produce a weather resistant, nontearing temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days, or no more than ninety days if issued by a dealer selling the motor vehicle under the provisions of section 301.213, **or no more than sixty days if issued by a dealer selling the motor vehicle under the provisions of subsection 5 of section 301.210**, from the date of purchase. The temporary permit authorized under this section may be purchased by the purchaser of a motor vehicle or trailer from the central office of the department of revenue or from an authorized agent of the department of revenue upon proof of purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof of financial responsibility, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which the buyer has registered and is awaiting receipt of registration plates. The director of the department of revenue or a producer authorized by the director of the department of revenue may make temporary permits available to registered dealers in this state, authorized agents of the department of revenue or the department of revenue. The price paid by a motor vehicle dealer, an authorized agent of the department of revenue or the department of revenue for a temporary permit shall not exceed five dollars for each permit. The director of the department of revenue shall direct motor vehicle dealers and authorized agents to obtain temporary permits from an authorized producer. Amounts received by the director of the department of revenue for temporary permits shall constitute state revenue; however, amounts received by an authorized producer other than the director of the department of revenue shall not constitute state revenue and any amounts received by motor vehicle dealers or authorized agents for temporary permits purchased from a producer other than the director of the department of revenue shall not constitute state revenue. In no event shall revenues from the general revenue fund or any other state fund be utilized to compensate motor vehicle dealers or other producers for their role in producing temporary permits as authorized under this section. Amounts that do not constitute state revenue under this section shall also not constitute fees for registration or certificates of title to be collected by the director of the department of revenue under section 301.190. No motor vehicle dealer, authorized agent or the department of revenue shall charge more than five dollars for each permit issued. The permit shall be valid for a period of thirty days, or no more than ninety days if issued by a dealer selling the motor vehicle under the provisions of section 301.213, **or no more than sixty days if issued by a dealer selling the motor vehicle under the provisions of subsection 5 of section 301.210**, from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by a motor vehicle dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility. Each temporary permit issued shall be securely fastened to the back or rear of the motor vehicle in a manner and place on the motor vehicle consistent with registration plates so that all parts and qualities of the temporary permit thereof shall be plainly and clearly visible, reasonably clean and are not impaired in any way.

5. The permit shall be issued on a form prescribed by the director of the department of revenue and issued only for the applicant's temporary operation of the motor vehicle or trailer purchased to enable the applicant to temporarily operate the motor vehicle while proper title and registration plates are being obtained, or while awaiting receipt of registration plates, and shall be displayed on no other motor vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable, shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer, and shall be returned to the department or to the department's agent upon the issuance of such proper registration plates. Any temporary permit returned to the department or to the department's agent shall be immediately destroyed. The provisions of this subsection shall not apply to temporary permits issued

for commercial motor vehicles licensed in excess of twenty-four thousand pounds gross weight. The director of the department of revenue shall determine the size, material, design, numbering configuration, construction, and color of the permit. The director of the department of revenue, at his or her discretion, shall have the authority to reissue, and thereby extend the use of, a temporary permit previously and legally issued for a motor vehicle or trailer while proper title and registration are being obtained.

6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection by proper officers, an accurate record of each permit issued by recording the permit number, the motor vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and manufacturer's vehicle identification number, and the permit's date of issuance and expiration date. Upon the issuance of a temporary permit by either the central office of the department of revenue, a motor vehicle dealer or an authorized agent of the department of revenue, the director of the department of revenue shall make the information associated with the issued temporary permit immediately available to the law enforcement community of the state of Missouri.

7. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of motor vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

8. An additional temporary license plate produced in a manner and of materials determined by the director to be the most cost-effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the vehicle's rear window such that the driver's view out of the rear window is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 4 of this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a temporary permit under subsection 4 of this section. The newly produced third plate may only be used on the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a third plate and only used for the purpose specified in this subsection.

9. Notwithstanding the provisions of section 301.217, the director may issue a temporary permit to an individual who possesses a salvage motor vehicle which requires an inspection under subsection 9 of section 301.190. The operation of a salvage motor vehicle for which the permit has been issued shall be limited to the most direct route from the residence, maintenance, or storage facility of the individual in possession of such motor vehicle to the nearest authorized inspection facility and return to the originating location. Notwithstanding any other requirements for the issuance of a temporary permit under this section, an individual obtaining a temporary permit for the purpose of operating a motor vehicle to and from an examination facility as prescribed in this subsection shall also purchase the required motor vehicle examination form which is required to be completed for an examination under subsection 9 of section 301.190 and provide satisfactory evidence that such vehicle has passed a motor vehicle safety inspection for such vehicle as required in section 307.350.

10. The director of the department of revenue may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

11. The repeal and reenactment of this section shall become effective on the date the department of revenue or a producer authorized by the director of the department of revenue begins producing temporary permits described in subsection 4 of such section, or on July 1, 2013, whichever occurs first. If the director of revenue or a producer authorized by the director of the department of revenue begins producing temporary permits prior to July 1, 2013, the director of the department of revenue shall notify the revisor of statutes of such fact.

301.190. 1. No certificate of registration of any motor vehicle or trailer, or number plate therefor, shall be issued by the director of revenue unless the applicant therefor shall make application for and be granted a certificate of ownership of such motor vehicle or trailer, or shall present satisfactory evidence that such certificate has been previously issued to the applicant for such motor vehicle or trailer. Application shall be made within thirty days after the applicant acquires the motor vehicle or trailer, unless the motor vehicle was acquired under section 301.213

or subsection 5 of section 301.210 in which case the applicant shall make application within thirty days after receiving title from the dealer, upon a blank form furnished by the director of revenue and shall contain the applicant's identification number, a full description of the motor vehicle or trailer, the vehicle identification number, and the mileage registered on the odometer at the time of transfer of ownership, as required by section 407.536, together with a statement of the applicant's source of title and of any liens or encumbrances on the motor vehicle or trailer, provided that for good cause shown the director of revenue may extend the period of time for making such application. When an owner wants to add or delete a name or names on an application for certificate of ownership of a motor vehicle or trailer that would cause it to be inconsistent with the name or names listed on the notice of lien, the owner shall provide the director with documentation evidencing the lienholder's authorization to add or delete a name or names on an application for certificate of ownership.

2. The director of revenue shall use reasonable diligence in ascertaining whether the facts stated in such application are true and shall, to the extent possible without substantially delaying processing of the application, review any odometer information pertaining to such motor vehicle that is accessible to the director of revenue. If satisfied that the applicant is the lawful owner of such motor vehicle or trailer, or otherwise entitled to have the same registered in his name, the director shall thereupon issue an appropriate certificate over his signature and sealed with the seal of his office, procured and used for such purpose. The certificate shall contain on its face a complete description, vehicle identification number, and other evidence of identification of the motor vehicle or trailer, as the director of revenue may deem necessary, together with the odometer information required to be put on the face of the certificate pursuant to section 407.536, a statement of any liens or encumbrances which the application may show to be thereon, and, if ownership of the vehicle has been transferred, the name of the state issuing the transferor's title and whether the transferor's odometer mileage statement executed pursuant to section 407.536 indicated that the true mileage is materially different from the number of miles shown on the odometer, or is unknown.

3. The director of revenue shall appropriately designate on the current and all subsequent issues of the certificate the words "Reconstructed Motor Vehicle", "Motor Change Vehicle", "Specially Constructed Motor Vehicle", or "Non-USA-Std Motor Vehicle", as defined in section 301.010. Effective July 1, 1990, on all original and all subsequent issues of the certificate for motor vehicles as referenced in subsections 2 and 3 of section 301.020, the director shall print on the face thereof the following designation: "Annual odometer updates may be available from the department of revenue.". On any duplicate certificate, the director of revenue shall reprint on the face thereof the most recent of either:

- (1) The mileage information included on the face of the immediately prior certificate and the date of purchase or issuance of the immediately prior certificate; or
- (2) Any other mileage information provided to the director of revenue, and the date the director obtained or recorded that information.

4. The certificate of ownership issued by the director of revenue shall be manufactured in a manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge such certificate without ready detection. In order to carry out the requirements of this subsection, the director of revenue may contract with a nonprofit scientific or educational institution specializing in the analysis of secure documents to determine the most effective methods of rendering Missouri certificates of ownership nonalterable or noncounterfeitable.

5. The fee for each original certificate so issued shall be eight dollars and fifty cents, in addition to the fee for registration of such motor vehicle or trailer. If application for the certificate is not made within thirty days after the vehicle is acquired by the applicant, or where the motor vehicle was acquired under section 301.213 **or subsection 5 of section 301.210** and the applicant fails to make application within thirty days after receiving title from the dealer, a delinquency penalty fee of twenty-five dollars for the first thirty days of delinquency and twenty-five dollars for each thirty days of delinquency thereafter, not to exceed a total of two hundred dollars, but such penalty may be waived by the director for a good cause shown. If the director of revenue learns that any person has failed to obtain a certificate within thirty days after acquiring a motor vehicle or trailer, or where the motor vehicle was acquired under section 301.213 **or subsection 5 of section 301.210** and the applicant fails to make application within thirty days after receiving title from the dealer, or has sold a vehicle without obtaining a certificate, he shall cancel the registration of all vehicles registered in the name of the person, either as sole owner or as a co-owner, and shall notify the person that the cancellation will remain in force until the person pays the delinquency penalty fee provided in this section, together with all fees, charges and payments which the person should have paid in connection with the certificate of ownership and registration of the vehicle. The certificate shall be good for the life of the motor vehicle or trailer so long as the same is owned or held by the original holder of the certificate and shall not have to be renewed annually.

6. Any applicant for a certificate of ownership requesting the department of revenue to process an application for a certificate of ownership in an expeditious manner requiring special handling shall pay a fee of five dollars in addition to the regular certificate of ownership fee.

7. It is unlawful for any person to operate in this state a motor vehicle or trailer required to be registered under the provisions of the law unless a certificate of ownership has been applied for as provided in this section.

8. Before an original Missouri certificate of ownership is issued, an inspection of the vehicle and a verification of vehicle identification numbers shall be made by the Missouri state highway patrol on vehicles for which there is a current title issued by another state if a Missouri salvage certificate of title has been issued for the same vehicle but no prior inspection and verification has been made in this state, except that if such vehicle has been inspected in another state by a law enforcement officer in a manner comparable to the inspection process in this state and the vehicle identification numbers have been so verified, the applicant shall not be liable for the twenty-five dollar inspection fee if such applicant submits proof of inspection and vehicle identification number verification to the director of revenue at the time of the application. The applicant, who has such a title for a vehicle on which no prior inspection and verification have been made, shall pay a fee of twenty-five dollars for such verification and inspection, payable to the director of revenue at the time of the request for the application, which shall be deposited in the state treasury to the credit of the state highways and transportation department fund.

9. Each application for an original Missouri certificate of ownership for a vehicle which is classified as a reconstructed motor vehicle, specially constructed motor vehicle, kit vehicle, motor change vehicle, non-USA-std motor vehicle, or other vehicle as required by the director of revenue shall be accompanied by a vehicle examination certificate issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue. The vehicle examination shall include a verification of vehicle identification numbers and a determination of the classification of the vehicle. The owner of a vehicle which requires a vehicle examination certificate shall present the vehicle for examination and obtain a completed vehicle examination certificate prior to submitting an application for a certificate of ownership to the director of revenue. Notwithstanding any provision of the law to the contrary, an owner presenting a motor vehicle which has been issued a salvage title and which is ten years of age or older to a vehicle examination described in this subsection in order to obtain a certificate of ownership with the designation prior salvage motor vehicle shall not be required to repair or restore the vehicle to its original appearance in order to pass or complete the vehicle examination. The fee for the vehicle examination application shall be twenty-five dollars and shall be collected by the director of revenue at the time of the request for the application and shall be deposited in the state treasury to the credit of the state highways and transportation department fund. If the vehicle is also to be registered in Missouri, the safety inspection required in chapter 307 and the emissions inspection required under chapter 643 shall be completed and the fees required by section 307.365 and section 643.315 shall be charged to the owner.

10. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri or as required by section 301.020, it shall be accompanied by a current inspection form certified by a duly authorized official inspection station as described in chapter 307. The completed form shall certify that the manufacturer's identification number for the vehicle has been inspected, that it is correctly displayed on the vehicle and shall certify the reading shown on the odometer at the time of inspection. The inspection station shall collect the same fee as authorized in section 307.365 for making the inspection, and the fee shall be deposited in the same manner as provided in section 307.365. If the vehicle is also to be registered in Missouri, the safety inspection required in chapter 307 and the emissions inspection required under chapter 643 shall be completed and only the fees required by section 307.365 and section 643.315 shall be charged to the owner. This section shall not apply to vehicles being transferred on a manufacturer's statement of origin.

11. Motor vehicles brought into this state in a wrecked or damaged condition or after being towed as an abandoned vehicle pursuant to another state's abandoned motor vehicle procedures shall, in lieu of the inspection required by subsection 10 of this section, be inspected by the Missouri state highway patrol in accordance with subsection 9 of this section. If the inspection reveals the vehicle to be in a salvage or junk condition, the director shall so indicate on any Missouri certificate of ownership issued for such vehicle. Any salvage designation shall be carried forward on all subsequently issued certificates of title for the motor vehicle.

12. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as a reconstructed motor vehicle, motor change vehicle, specially constructed motor vehicle, or prior salvage vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the name of the issuing state and such prior designation. The absence of any prior designation shall not relieve a transferor of the duty to exercise due diligence with regard to such certificate of ownership prior to the transfer of a certificate. If a transferor exercises any due diligence with

regard to a certificate of ownership, the legal transfer of a certificate of ownership without any designation that is subsequently discovered to have or should have had a designation shall be a transfer free and clear of any liabilities of the transferor associated with the missing designation.

13. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as non-USA-std motor vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the words "Non-USA-Std Motor Vehicle".

14. The director of revenue and the superintendent of the Missouri state highway patrol shall make and enforce rules for the administration of the inspections required by this section.

15. Each application for an original Missouri certificate of ownership for a vehicle which is classified as a reconstructed motor vehicle, manufactured forty or more years prior to the current model year, and which has a value of three thousand dollars or less shall be accompanied by:

(1) A proper affidavit submitted by the owner explaining how the motor vehicle or trailer was acquired and, if applicable, the reasons a valid certificate of ownership cannot be furnished;

(2) Photocopies of receipts, bills of sale establishing ownership, or titles, and the source of all major component parts used to rebuild the vehicle;

(3) A fee of one hundred fifty dollars in addition to the fees described in subsection 5 of this section. Such fee shall be deposited in the state treasury to the credit of the state highways and transportation department fund; and

(4) An inspection certificate, other than a motor vehicle examination certificate required under subsection 9 of this section, completed and issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue. The inspection performed by the highway patrol or other authorized local law enforcement agency shall include a check for stolen vehicles.

The department of revenue shall issue the owner a certificate of ownership designated with the words "Reconstructed Motor Vehicle" and deliver such certificate of ownership in accordance with the provisions of this chapter. Notwithstanding subsection 9 of this section, no owner of a reconstructed motor vehicle described in this subsection shall be required to obtain a vehicle examination certificate issued by the Missouri state highway patrol.

301.210. 1. In the event of a sale or transfer of ownership of a motor vehicle or trailer for which a certificate of ownership has been issued, the holder of such certificate shall endorse on the same an assignment thereof, with warranty of title in form printed thereon, and prescribed by the director of revenue, with a statement of all liens or encumbrances on such motor vehicle or trailer, and deliver the same to the buyer at the time of the delivery to him of such motor vehicle or trailer; provided that, when the transfer of a motor vehicle, trailer, boat or outboard motor occurs within a corporation which holds a license to operate as a motor vehicle or boat dealer pursuant to sections 301.550 to 301.575, the provisions of subdivision (3) of subsection 7 of section 144.070 shall not apply.

2. The buyer shall then present such certificate, assigned as aforesaid, to the director of revenue, at the time of making application for the registration of such motor vehicle or trailer, whereupon a new certificate of ownership shall be issued to the buyer, the fee therefor being that prescribed in subsection 5 of section 301.190.

3. If such motor vehicle or trailer is sold to a resident of another state or country, or if such motor vehicle or trailer is destroyed or dismantled, the owner thereof shall immediately notify the director of revenue. Certificates when so signed and returned to the director of revenue shall be retained by the director of revenue and all certificates shall be appropriately indexed so that at all times it will be possible for him to expeditiously trace the ownership of the motor vehicle or trailer designated therein.

4. It shall be unlawful for any person to buy or sell in this state any motor vehicle or trailer registered under the laws of this state, unless, at the time of the delivery thereof, there shall pass between the parties such certificates of ownership with an assignment thereof, as provided in this section, and the sale of any motor vehicle or trailer registered under the laws of this state, without the assignment of such certificate of ownership, shall be **presumed fraudulent and void unless the parties have executed a written agreement for delayed delivery of certificate of ownership as provided in subsection 5 of this section.**

5. A motor vehicle dealer licensed under sections 301.550 to 301.580 may deliver a motor vehicle or trailer to a purchaser with a written agreement to pass the certificate of ownership with an assignment to the purchaser within thirty days after delivery, inclusive of weekends and holidays.

(1) The form of the agreement shall be prescribed by the director of revenue. The agreement shall provide that if the motor vehicle dealer does not pass the certificate of ownership with an assignment to the purchaser within thirty days that the sale shall be voidable at purchaser's option and, in such case, dealer shall

re-purchase the vehicle by paying and satisfying in full any purchase money lien against the vehicle, including accrued penalties and fees, with the remainder of one hundred percent of the sale price refunded and paid by the dealer to the buyer. As used in this subdivision, the term "sale price" shall include the negotiated price of the vehicle, the down payment, the trade-in allowance even if the allowance reflected negative equity, and the price of all optional services and products sold to the buyer under the sales and finance transaction.

(2) In the event a motor vehicle subject to this subsection has suffered physical damage covered by the purchaser's vehicle insurance policy and the vehicle is determined by the insurance company to be a total loss, the insurance company may satisfy the claim in full, with respect to the damage to the vehicle, by transferring all proceeds to such purchaser and any secured lienholder of record. The purchaser shall not assign the purchaser's corresponding insurance benefits to any party without the express written permission of the insurer. In conjunction with such satisfaction of the claim, if as part of such claim settlement the insurance company is to receive the vehicle under subdivision (3) of this subsection, but clear title never vests with the purchaser within the thirty-day period after the date of sale prescribed by subdivision (1) of this subsection or within ten days of the claim settlement date, whichever is later, the insurance company shall notify the dealer that clear title never vested with the purchaser and the dealer shall reimburse the insurance company for the salvage value of such vehicle as determined in the claims settlement with the purchaser, and in exchange the insurance company shall assign its rights to the vehicle back to the dealer. If the dealer fails to make payment to the insurance company within fifteen days of receiving notice, the dealer shall be liable to the insurance company for the value of the salvage as determined in the claims settlement with the purchaser, plus any actual damages and any applicable court costs, in return for the right to acquire the title and apply for a salvage title under this chapter.

(3) Notwithstanding any provision of law to the contrary, completion of the requirements of this subsection shall constitute prima facie evidence of an ownership interest vested in the purchaser of the vehicle for all purposes other than for a subsequent transfer of ownership of the vehicle by the purchaser, subject to the rights of any secured lienholder of record; however, the purchaser may use the dealer-supplied copy of the agreement to transfer his or her ownership of the vehicle to an insurance company in situations where the vehicle has been declared salvage or a total loss by the insurance company as a result of a settlement of a claim. Such insurance company may apply for a salvage certificate of title or junking certificate under subsection 3 of section 301.193 in order to transfer its interest in such vehicle. The purchaser may also use the dealer-supplied copy of the agreement on the form prescribed by the director of revenue as proof of ownership interest. Any lender or insurance company may rely upon a copy of the signed written agreement on the form prescribed by the director of revenue as proof of ownership interest. Any lien placed upon a vehicle based upon such signed written agreement shall be valid and enforceable, notwithstanding the absence of a certificate of ownership.

(4) No motor vehicle dealer shall be authorized under this subsection to enter and have outstanding any such written agreements until such dealer has provided to the director of revenue a surety bond or irrevocable letter of credit in amount not less than one hundred thousand dollars in a form which complies with the requirements of section 301.560 and in lieu of the fifty thousand dollar bond otherwise required for licensure as a motor vehicle dealer.

301.213. 1. Notwithstanding the provisions of sections 301.200 and 301.210, any person licensed as a motor vehicle dealer under sections 301.550 to 301.580 that has provided to the director of revenue a surety bond or irrevocable letter of credit in an amount not less than one hundred thousand dollars in a form which complies with the requirements of section 301.560 and in lieu of the fifty thousand dollar bond otherwise required for licensure as a motor vehicle dealer shall be authorized to purchase or accept in trade any motor vehicle for which there has been issued a certificate of ownership, and to receive such vehicle subject to any existing liens thereon created and perfected under sections 301.600 to 301.660 provided the licensed dealer receives the following:

- (1) A signed written contract between the licensed dealer and the owner of the vehicle outlining the terms of the sale or acceptance in trade of such motor vehicle without transfer of the certificate of ownership; and
- (2) Physical delivery of the vehicle to the licensed dealer; and
- (3) A power of attorney from the owner to the licensed dealer, in accordance with subsection 4 of section 301.300, authorizing the licensed dealer to obtain a duplicate or replacement title in the owner's name and sign any title assignments on the owner's behalf.

2. If the dealer complies with the requirements of subsection 1 of this section, the sale or trade of the vehicle to the dealer shall be considered final, subject to any existing liens created and perfected under sections 301.600 to 301.660. Once the prior owner of the motor vehicle has physically delivered the motor vehicle to the licensed dealer, the prior owners' insurable interest in such vehicle shall cease to exist.

3. If a licensed dealer complies with the requirements of subsection 1 of this section, and such dealer has provided to the director of revenue a surety bond or irrevocable letter of credit in amount not less than one hundred thousand dollars in a form which complies with the requirements of section 301.560 and in lieu of the fifty thousand dollar bond otherwise required for licensure as a motor vehicle dealer, such dealer may sell such vehicle prior to receiving and assigning to the purchaser the certificate of ownership, provided such dealer complies with the following:

(1) All outstanding liens created on the vehicle pursuant to sections 301.600 to 301.660 have been paid in full, and the dealer provides a copy of proof or other evidence to the purchaser; and

(2) The dealer has obtained proof or other evidence from the department of revenue confirming that no outstanding child support liens exist upon the vehicle at the time of sale and provides a copy of said proof or other evidence to the purchaser; and

(3) The dealer has obtained proof or other evidence from the department of revenue confirming that all applicable state sales tax has been satisfied on the sale of the vehicle to the previous owner and provides a copy of said proof or other evidence to the purchaser; and

(4) The dealer has signed an application for duplicate or replacement title for the vehicle under subsection 4 of section 301.300 and provides a copy of the application to the purchaser, along with a copy of the power of attorney required by subsection 1 of this section, and the dealer has prepared and delivered to the purchaser an application for title for the vehicle in the purchaser's name; and

(5) The dealer and the purchaser have entered into a written agreement for the subsequent assignment and delivery of such certificate of ownership, on a form prescribed by the director of revenue, to take place at a time, not to exceed sixty calendar days, after the time of delivery of the motor vehicle to the purchaser. Such agreement shall require the purchaser to provide to the dealer proof of financial responsibility in accordance with chapter 303 and proof of comprehensive and collision coverage on the motor vehicle. Such dealer shall maintain the original or an electronic copy of the signed agreement and deliver a copy of the signed agreement to the purchaser. Such dealer shall also complete and deliver to the director of revenue such form as the director shall prescribe demonstrating that the purchaser has purchased the vehicle without contemporaneous delivery of the title.

Notwithstanding any provision of law to the contrary, completion of the requirements of this subsection shall constitute prima facie evidence of an ownership interest vested in the purchaser of the vehicle for all purposes other than for a subsequent transfer of ownership of the vehicle by the purchaser, subject to the rights of any secured lienholder of record; however, the purchaser may use the dealer-supplied copy of the agreement to transfer his or her ownership of the vehicle to an insurance company in situations where the vehicle has been declared salvage or a total loss by the insurance company as a result of a settlement of a claim. Such insurance company may apply for a salvage certificate of title or junking certificate pursuant to the provisions of subsection 3 of section 301.193 in order to transfer its interest in such vehicle. The purchaser may also use the dealer-supplied copy of the agreement on the form prescribed by the director of revenue as proof of ownership interest. Any lender or insurance company may rely upon a copy of the signed written agreement on the form prescribed by the director of revenue as proof of ownership interest. Any lien placed upon a vehicle based upon such signed written agreement shall be valid and enforceable, notwithstanding the absence of a certificate of ownership.

4. Following a sale or other transaction in which a certificate of ownership has not been assigned from the owner to the licensed dealer, the dealer shall, within ten business days, apply for a duplicate or replacement certificate of ownership. Upon receipt of a duplicate or replacement certificate of ownership applied for under subsection 4 of section 301.300, the dealer shall assign and deliver said certificate of ownership to the purchaser of the vehicle within five business days. The dealer shall maintain proof of the assignment and delivery of the certificate of ownership to the purchaser. For purposes of this subsection, a dealer shall be deemed to have delivered the certificate of ownership to the purchaser upon either:

(1) Physical delivery of the certificate of ownership to any of the purchasers identified in the contract with such dealer; or

(2) Mailing of the certificate, postage prepaid, return receipt requested, to any of the purchasers at any of their addresses identified in the contract with such dealer.

5. If a licensed dealer fails to comply with subsection 3 of this section, and the purchaser of the vehicle is thereby damaged, then the dealer shall be liable to the purchaser of the vehicle for actual damages, plus court costs and reasonable attorney fees.

6. If a licensed dealer fails or is unable to comply with subsection 4 of this section, and the purchaser of the vehicle is thereby damaged, then the dealer shall be liable to the purchaser of the vehicle for actual damages, plus court costs and reasonable attorney fees. If the dealer cannot be found by the purchaser after making reasonable

attempts, or if the dealer fails to assign and deliver the duplicate or replacement certificate of ownership to the purchaser by the date agreed upon by the dealer and the purchaser, as required by subsection 4 of this section, then the purchaser may deliver to the director a copy of the contract for sale of the vehicle, a copy of the application for duplicate title provided by the dealer to the purchaser, a copy of the secure power of attorney allowing the dealer to assign the duplicate title, and the proof or other evidence obtained by the purchaser from the dealer under subsection 3 of this section. Thereafter, the director shall mail by certified mail, return receipt requested, a notice to the dealer at the last address given to the department by that dealer. That notice shall inform the dealer that the director intends to cancel any prior certificate of title which may have been issued to the dealer on the vehicle and issue to the purchaser a certificate of title in the name of the purchaser, subject to any liens incurred by the purchaser in connection with the purchase of the vehicle, unless the dealer, within ten business days from the date of the director's notice, files with the director a written objection to the director taking such action. If the dealer does file a timely, written objection with the director, then the director shall not take any further action without an order from a court of competent jurisdiction. However, if the dealer does not file a timely, written objection with the director, then the director shall cancel the prior certificate of title issued to the dealer on the vehicle and issue a certificate of title to the purchaser of the vehicle, subject to any liens incurred by the purchaser in connection with the purchase of the vehicle and subject to the purchaser satisfying all applicable taxes and fees associated with registering the vehicle.

7. If a seller misrepresents to a dealer that the seller is the owner of a vehicle and the dealer, the owner, any subsequent purchaser, or any prior or subsequent lienholder is thereby damaged, then the seller shall be liable to each such party for actual and punitive damages, plus court costs and reasonable attorney fees.

8. When a lienholder is damaged as a result of a licensed dealer's acts, errors, omissions, or violations of this section, then the dealer shall be liable to the lienholder for actual damages, plus court costs and reasonable attorney fees.

9. No court costs or attorney fees shall be awarded under this section unless, prior to filing any such action, the following conditions have been met:

(1) The aggrieved party seeking damages has delivered an itemized written demand of the party's actual damages to the party from whom damages are sought; and

(2) The party from whom damages are sought has not satisfied the written demand within thirty days after receipt of the written demand.

10. The department of revenue may use a dealer's repeated or intentional violation of this section as a cause to suspend, revoke, or refuse to issue or renew any license required pursuant to sections 301.550 to 301.580, in addition to the causes set forth in section 301.562. The hearing process shall be the same as that established in subsection 6 of section 301.562.

11. No dealer shall enter into a contract under this section after December 31, 2020. Any contract entered into prior to December 31, 2020, shall be enforceable as provided in this section. This section shall be repealed effective December 31, 2020.

301.280. 1. Every motor vehicle dealer and boat dealer shall make a monthly report to the department of revenue, on blanks to be prescribed by the department of revenue, giving the following information: date of the sale of each motor vehicle, boat, trailer and all-terrain vehicle sold; the name and address of the buyer; the name of the manufacturer; year of manufacture; model of vehicle; vehicle identification number; style of vehicle; odometer setting; and it shall also state whether the motor vehicle, boat, trailer or all-terrain vehicle is new or secondhand. Each monthly sales report filed by a motor vehicle dealer who collects sales tax under subsection 10 of section 144.070 shall also include the amount of state and local sales tax collected for each motor vehicle sold if sales tax was due. The odometer reading is not required when reporting the sale of any motor vehicle that is ten years old or older, any motor vehicle having a gross vehicle weight rating of more than sixteen thousand pounds, new vehicles that are transferred on a manufacturer's statement of origin between one franchised motor vehicle dealer and another, or boats, all-terrain vehicles or trailers. The sale of all temporary permits shall be recorded in the appropriate space on the dealer's monthly sales report, unless the sale of the temporary permit is already recorded by electronic means as determined by the department. **The monthly sales report shall include a statement of motor vehicles or trailers sold during the month under subsection 5 of section 301.210.** The monthly sales report shall be completed in full and signed by an officer, partner, or owner of the dealership, and actually received by the department of revenue on or before the fifteenth day of the month succeeding the month for which the sales are being reported. If no sales occur in any given month, a report shall be submitted for that month indicating no sales. Any vehicle dealer who fails to file a monthly report or who fails to file a timely report shall be subject to disciplinary action as prescribed in section 301.562 or a penalty assessed by the director not to exceed three hundred dollars per violation. Every motor vehicle and boat dealer shall retain copies of the monthly sales report as part of the records to be maintained at the dealership location and shall hold them available for inspection by appropriate

law enforcement officials and officials of the department of revenue. Every vehicle dealer selling twenty or more vehicles a month shall file the monthly sales report with the department in an electronic format. Any dealer filing a monthly sales report in an electronic format shall be exempt from filing the notice of transfer required by section 301.196. For any dealer not filing electronically, the notice of transfer required by section 301.196 shall be submitted with the monthly sales report as prescribed by the director.

2. Every dealer and every person operating a public garage shall keep a correct record of the vehicle identification number, odometer setting, manufacturer's name of all motor vehicles or trailers accepted by him for the purpose of sale, rental, storage, repair or repainting, together with the name and address of the person delivering such motor vehicle or trailer to the dealer or public garage keeper, and the person delivering such motor vehicle or trailer shall record such information in a file kept by the dealer or garage keeper. The record shall be kept for five years and be open for inspection by law enforcement officials, members or authorized or designated employees of the Missouri highway patrol, and persons, agencies and officials designated by the director of revenue.

3. Every dealer and every person operating a public garage in which a motor vehicle remains unclaimed for a period of fifteen days shall, within five days after the expiration of that period, report the motor vehicle as unclaimed to the director of revenue. Such report shall be on a form prescribed by the director of revenue. A motor vehicle left by its owner whose name and address are known to the dealer or his employee or person operating a public garage or his employee is not considered unclaimed. Any dealer or person operating a public garage who fails to report a motor vehicle as unclaimed as herein required forfeits all claims and liens for its garaging, parking or storing.

4. The director of revenue shall maintain appropriately indexed cumulative records of unclaimed vehicles reported to the director. Such records shall be kept open to public inspection during reasonable business hours.

5. The alteration or obliteration of the vehicle identification number on any such motor vehicle shall be prima facie evidence of larceny, and the dealer or person operating such public garage shall upon the discovery of such obliteration or alteration immediately notify the highway patrol, sheriff, marshal, constable or chief of police of the municipality where the dealer or garage keeper has his place of business, and shall hold such motor vehicle or trailer for a period of forty-eight hours for the purpose of an investigation by the officer so notified.

6. Any person who knowingly makes a false statement or omission of a material fact in a monthly sales report to the department of revenue, as described in subsection 1 of this section, shall be deemed guilty of a class A misdemeanor."; and

Further amend said bill, Page 34, Section 301.560, Lines 65-71, by deleting all of said lines and inserting in lieu thereof the following:

"irrevocable letter of credit. ~~[The proceeds of the bond or irrevocable letter of credit shall be paid upon receipt by the department of a final judgment from a Missouri court of competent jurisdiction against the principal and in favor of an aggrieved party.]~~ Additionally, every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport dealer, a wholesale motor vehicle dealer, or boat dealer shall furnish with the application a copy of a current dealer garage policy bearing the policy number and name of the insurer and the insured. **The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be paid upon receipt by the department of a final judgment from a Missouri court of competent jurisdiction against the principal and in favor of an aggrieved party. The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be paid at the order of the department and in the amount determined by the department to any buyer or interested lienholder up to the greater of the amount required for the release of the purchase money lien or the sales price paid by the buyer where a dealer has failed to fulfill the dealer's obligations under an agreement to assign and deliver title to the buyer within thirty days under a contract entered into pursuant to subsection 5 of section 301.210. The department shall direct release of the bond or irrevocable letter of credit proceeds upon presentation of a written agreement entered into pursuant to subsection 5 of section 301.210, copies of the associated sales and finance documents, and the affidavit or affidavits of the buyer or lienholder stating that the certificate of title with assignment thereof has not been passed to the buyer within thirty days of the date of the contract entered into under subsection 5 of section 301.210, that the dealer has not fulfilled the agreement under the contract to re-purchase the vehicle, that the buyer or the lienholder has notified the dealer of the claim on the bond or letter of credit, and the amount claimed by the purchaser or lienholder. In addition, prior to directing release and payment of the proceeds of a bond or irrevocable letter of credit, the department shall ensure that there is satisfactory evidence to**

establish that the vehicle which is subject to the written agreement has been returned by the buyer to the dealer or that the buyer has represented to the department that the buyer will surrender possession of the vehicle to the dealer upon payment of the proceeds of the bond or letter of credit directed by the department. Excepting ordinary wear and tear or mechanical failures not caused by the buyer, the amount of proceeds to be paid to the buyer under the bond or irrevocable letter of credit shall be reduced by an amount equivalent to any damage, abuse, or destruction incurred by the vehicle while the vehicle was in the buyer's possession as agreed between the buyer and the dealer. The dealer may apply to a court of competent jurisdiction to contest the claim on the bond or letter of credit, including the amount of the claim and the amount of any adjustment for any damage, abuse, or destruction, by filing a petition with the court within thirty days of the notification by the buyer or lienholder. If the dealer does not fulfill the agreement or file a petition to request judicial relief from the terms of the agreement or contest the amount of the claim, the bond or letter of credit shall be released by the department and directed paid in the amount or amounts presented by the lienholder or buyer;"; and

House Amendment No. 1

AMEND House Committee Substitute for Senate Bill No. 552, Pages 12 to 18, Sections 115.277 and 115.283, Lines 1-38 and 1-154, by removing all of said sections and lines from the bill and inserting in lieu thereof the following:

"115.302. 1. As used in this section, the terms "absent uniformed services voter" and "overseas voter" shall be defined under 52 U.S.C. Section 20310. The term "mail-in-ballot" shall mean any ballot that can be cast by United States mail, other than an absentee ballot.

2. Application for a mail-in-ballot may be made by the applicant in person, or by United States mail, or on behalf of the applicant by his or her guardian or relative within the second degree of consanguinity or affinity.

3. Each application for a mail-in-ballot shall be made to the election authority of the jurisdiction in which the person is registered. Each application shall be in writing and shall state the applicant's name, address at which he or she is registered, the address to which the ballot is to be mailed, and, in the case of absent uniformed services and overseas applicants, the electronic mail address if electronic transmission is requested.

4. All applications for mail-in-ballots received prior to the sixth Tuesday before an election shall be stored at the office of the election authority until such time as the applications are processed under section 115.281. No application for a mail-in-ballot received in the office of the election authority after 5:00 p.m. on the second Wednesday immediately prior to the election shall be accepted by any election authority.

5. Each application for a mail-in-ballot shall be signed by the applicant or, if the application is made by a guardian or relative under this section, then the application shall be signed by the guardian or relative, who shall note on the application his or her relationship to the applicant. If an applicant, guardian, or relative is blind, unable to read or write the English language, or physically incapable of signing the application, he or she shall sign by mark that is witnessed by the signature of an election official or person of his or her choice. Any person who knowingly makes, delivers, or mails a fraudulent mail-in-ballot application shall be guilty of a class one election offense.

6. (1) Notwithstanding any other provision of law to the contrary, any resident of the state of Missouri who resides outside the boundaries of the United States or who is on active duty with the United States Armed Forces or members of their immediate family living with them may request a mail-in-ballot.

(2) If an election authority rejects an application or request, then the election authority shall provide each absent uniformed services voter and each overseas voter who submits a voter registration application or a mail-in-ballot request with the reasons for the rejection.

(3) Notwithstanding any other provision of law to the contrary, if a standard oath regarding material misstatements of fact is adopted for uniformed and overseas voters under the Help America Vote Act of 2002, then the election authority shall accept such oath for voter registration, mail-in-ballot, or other election-related materials.

(4) Not later than sixty days after the date of each regularly scheduled general election for federal office, each election authority which administered the election shall submit to the secretary of state, in a format prescribed by the secretary, a report on the combined number of mail-in ballots transmitted to, and returned by, absent uniformed services voters and overseas voters for the election. The secretary shall submit to the Election Assistance Commission a combined report of such information not later than ninety days after the date of each regularly scheduled general election for federal office in a format developed by the Commission under the Help America Vote Act of 2002. The secretary shall make the report available to the general public.

7. Except as provided under section 115.914, not later than the sixth Tuesday prior to each election, or within fourteen days after candidate names or questions are certified under section 115.125, the election authority shall cause to have printed and made available a sufficient quantity of mail-in ballots, ballot envelopes, and mailing envelopes. As soon as possible after a proper official calls a special state or county election, the election authority shall cause to have printed and made available a sufficient quantity of mail-in ballots, ballot envelopes, and mailing envelopes.

8. Each ballot envelope shall bear a statement on which the voter shall state the voter's name, voting address, and mailing address. On the form, the voter shall also state under penalties of perjury that the voter is qualified to vote in the election, that the voter has personally marked the voter's ballot in secret or supervised the marking of the voter's ballot if the voter is unable to mark it, that the ballot has been placed in the ballot envelope and sealed by the voter or under the voter's supervision if the voter is unable to seal it, and that all information contained in the statement is true. In addition, any person providing assistance to the mail-in voter shall include a statement on the envelope identifying the person providing such assistance under penalties of perjury. Persons authorized to vote only for federal and statewide offices shall also state their former Missouri residence.

9. The statement for persons voting mail-in ballots who are registered voters shall be in substantially the following form:

10. Upon receipt of a signed application for a mail-in ballot and if satisfied that the applicant is entitled to vote by mail-in ballot, the election authority shall, within three working days after receiving the application, or if mail-in ballots are not available at the time the application is received, within five working days after they become available, deliver to the voter a mail-in ballot, ballot envelope and such instructions as are necessary for the applicant to vote. Delivery shall be made by first class, registered, or certified mail at the discretion of the election authority, or in the case of a covered voter under section 115.902, the method of transmission prescribed under section 115.914. If the election authority is not satisfied that any applicant is entitled to vote by mail-in ballot, the authority shall not deliver a mail-in ballot to the applicant. Within three

working days of receiving such an application, the election authority shall notify the applicant and state the reason he or she is not entitled to vote by mail-in ballot. The applicant may file a complaint with the elections division of the secretary of state's office under section 115.219.

11. On the mailing and ballot envelopes for each covered voter, the election authority shall stamp prominently in black the words "FEDERAL BALLOT, STATE OF MISSOURI" and "U.S. Postage Paid, 39 U.S.C. Section 3406".

12. No information which encourages a vote for or against a candidate or issue shall be provided to any voter with a mail-in ballot.

13. Upon receiving a mail-in ballot by mail, the voter shall mark the ballot in secret, place the ballot in the ballot envelope, seal the envelope and fill out the statement on the ballot envelope. The affidavit of each person voting a mail-in ballot shall be subscribed and sworn to before the election official receiving the ballot, a notary public, or other officer authorized by law to administer oaths. If the voter is blind, unable to read or write the English language, or physically incapable of voting the ballot, the voter may be assisted by a person of the voter's own choosing. Any person assisting a voter who is not entitled to such assistance, any person who assists a voter and in any manner coerces or initiates a request or suggestion that the voter vote for or against, or refrain from voting on, any question or candidate, shall be guilty of a class one election offense. If, upon counting, challenge, or election contest, it is ascertained that any mail-in ballot was voted with unlawful assistance, the ballot shall be rejected.

14. Each mail-in ballot shall be returned to the election authority in the ballot envelope and shall only be returned by the voter by United States mail; except that covered voters who are sending ballots from a location determined by the secretary of state to be inaccessible on election day, shall be allowed to return their mail-in ballots cast by use of facsimile transmission or under a program approved by the United States Department of Defense for the electronic transmission of election materials.

15. No election authority shall refuse to accept and process any otherwise valid marked mail-in ballot submitted in any manner by a covered voter solely on the basis of restrictions on envelope type.

16. The secretary of state may prescribe uniform regulations with respect to the printing of ballot envelopes and mailing envelopes, which shall comply with standards established by federal law or postal regulations. Mailing envelopes for use in returning ballots shall be printed with business reply permits so that any ballot returned by mail does not require postage. All fees and costs for establishing and maintaining the business reply and postage-free mail for all ballots cast shall be paid by the secretary of state through state appropriations.

17. All proper votes on each mail-in ballot received by an election authority at or before the time fixed by law for the closing of the polls on election day shall be counted. Except as provided under section 115.920, no votes on any mail-in ballot received by an election authority after the time fixed by law for the closing of the polls on election day shall be counted.

18. If sufficient evidence is shown to an election authority that any mail-in voter has died prior to the opening of the polls on election day, the ballot of the deceased voter shall be rejected if it is still sealed in the ballot envelope. Any such rejected ballot, still sealed in its ballot envelope, shall be sealed with the application and any other papers connected therewith in an envelope marked "Rejected ballot of _____, a mail-in voter of _____ voting district". The reason for rejection shall be noted on the envelope, which shall be kept by the election authority with the other ballots from the election until the ballots are destroyed according to law.

19. As each mail-in ballot is received by the election authority, the election authority shall indicate its receipt on the list.

20. If the statements on any mail-in ballot envelope have not been completed, the mail-in ballot in the envelope shall be rejected.

21. All mail-in ballot envelopes received by the election authority shall be kept together in a safe place and shall not be opened except as provided under this chapter.

22. Mail-in ballots shall be counted using the procedures set out in sections 115.297, 115.299, 115.300, and 115.303.

23. The false execution of a mail-in ballot application shall be a class one election offense. The attorney general or any prosecuting or circuit attorney shall have the authority to prosecute such offense either in the county of residence of the person or in the circuit court of Cole County.

24. If any provision of this section is found by a court of competent jurisdiction to be unconstitutional or unconstitutionally enacted, the remaining provisions of this section shall be and remain valid.

25. This section is enacted notwithstanding any other provision of law including, but not limited to, sections 115.650 to 115.660.

26. The provisions of this section shall apply only to an election that occurs during the year 2020 to avoid the risk of contracting or transmitting severe acute respiratory syndrome coronavirus 2.

(2) The election authority responsible for conducting the election authorizes the use of mailed ballots for the election;

(3) The election is nonpartisan;

(4) The election is not one at which any candidate is elected, retained or recalled; and

(5) The election is an issue election at which all of the qualified voters of any one political subdivision are the only voters eligible to vote.

2. Notwithstanding the provisions of subsection 1 of this section or any other provision of law to the contrary, an election may be conducted by mail as authorized under section 115.302, during a state of emergency declared by the governor during the year 2020, to avoid the risk of contracting or transmitting severe acute respiratory syndrome coronavirus 2."; and

Further amend said bill, Page 48, Section 1, Lines 2 and 8, by deleting the phrase "115.277, 115.283," on said lines; and

Further amend said bill and page, Section C, Lines 1-6, by removing all of said section and lines from the bill and inserting in lieu thereof the following:

Representative Pfautsch offered House Amendment No. 2.

House Amendment No. 2

AMEND House Committee Substitute for Senate Bill No. 552, Page 2, Section 36.155, Line 20, by inserting after all of said line the following:

"105.145. 1. The following definitions shall be applied to the terms used in this section:

(1) "Governing body", the board, body, or persons in which the powers of a political subdivision as a body corporate, or otherwise, are vested;

(2) "Political subdivision", any agency or unit of this state, except counties and school districts, which now is, or hereafter shall be, authorized to levy taxes or empowered to cause taxes to be levied.

2. The governing body of each political subdivision in the state shall cause to be prepared an annual report of the financial transactions of the political subdivision in such summary form as the state auditor shall prescribe by rule, except that the annual report of political subdivisions whose cash receipts for the reporting period are ten thousand dollars or less shall only be required to contain the cash balance at the beginning of the reporting period, a summary of cash receipts, a summary of cash disbursements and the cash balance at the end of the reporting period.

3. Within such time following the end of the fiscal year as the state auditor shall prescribe by rule, the governing body of each political subdivision shall cause a copy of the annual financial report to be remitted to the state auditor.

4. The state auditor shall immediately on receipt of each financial report acknowledge the receipt of the report.

5. In any fiscal year no member of the governing body of any political subdivision of the state shall receive any compensation or payment of expenses after the end of the time within which the financial statement of the political subdivision is required to be filed with the state auditor and until such time as the notice from the state auditor of the filing of the annual financial report for the fiscal year has been received.

6. The state auditor shall prepare sample forms for financial reports and shall mail the same to the political subdivisions of the state. Failure of the auditor to supply such forms shall not in any way excuse any person from the performance of any duty imposed by this section.

7. All reports or financial statements herein above mentioned shall be considered to be public records.

8. The provisions of this section apply to the board of directors of every transportation development district organized under sections 238.200 to 238.275.

9. Any political subdivision that fails to timely submit a copy of the annual financial statement to the state auditor shall be subject to a fine of five hundred dollars per day.

10. The state auditor shall report any violation of subsection 9 of this section to the department of revenue. Upon notification from the state auditor's office that a political subdivision failed to timely submit a copy of the annual financial statement, the department of revenue shall notify such political subdivision by certified mail that the statement has not been received. Such notice shall clearly set forth the following:

- (1) The name of the political subdivision;
- (2) That the political subdivision shall be subject to a fine of five hundred dollars per day if the political subdivision does not submit a copy of the annual financial statement to the state auditor's office within thirty days from the postmarked date stamped on the certified mail envelope;
- (3) That the fine will be enforced and collected as provided under subsection 11 of this section; and
- (4) That the fine will begin accruing on the thirty-first day from the postmarked date stamped on the certified mail envelope and will continue to accrue until the state auditor's office receives a copy of the financial statement.

In the event a copy of the annual financial statement is received within such thirty-day period, no fine shall accrue or be imposed. The state auditor shall report receipt of the financial statement to the department of revenue within ten business days. Failure of the political subdivision to submit the required annual financial statement within such thirty-day period shall cause the fine to be collected as provided under subsection 11 of this section.

11. The department of revenue may collect the fine authorized under the provisions of subsection 9 of this section by offsetting any sales or use tax distributions due to the political subdivision. The director of revenue shall retain two percent for the cost of such collection. The remaining revenues collected from such violations shall be distributed annually to the schools of the county in the same manner that proceeds for all penalties, forfeitures, and fines collected for any breach of the penal laws of the state are distributed.

12. Any ~~transportation development district organized under sections 238.200 to 238.275 having~~ **political subdivision that has** gross revenues of less than five thousand dollars **or that has not levied or collected sales or use taxes** in the fiscal year for which the annual financial statement was not timely filed shall not be subject to the fine authorized in this section.

13. If a failure to timely submit the annual financial statement is the result of fraud or other illegal conduct by an employee or officer of the political subdivision, the failure shall not be subject to a fine authorized under this section if the statement is filed within thirty days of the discovery of the fraud or illegal conduct. If a fine is assessed and paid prior to the filing of the statement, the department of revenue shall refund the fine upon notification from the political subdivision.

14. If a political subdivision has an outstanding balance for fines or penalties at the time it files its first annual financial statement after January 1, 2021, the director of revenue shall make a one-time downward adjustment to such outstanding balance in an amount that reduces the outstanding balance by ninety percent.

15. The director of revenue shall have the authority to make a one-time downward adjustment to any outstanding penalty imposed under this section on a political subdivision if the director determines the fine is uncollectable. The director of revenue may prescribe rules and regulations necessary to carry out the provisions of this subsection. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.

16. If a political subdivision with an outstanding balance for fines or penalties:

- (1) Fails to file an annual financial statement after August 28, 2020, and before January 1, 2021; or
- (2) Files an annual financial statement after August 28, 2020, and before January 1, 2021, but fails to file any annual financial statement thereafter,

then the director of revenue shall initiate the process to disincorporate the political subdivision as prescribed by law.

17. If any resident of a political subdivision believes or knows that the political subdivision has failed to file the annual financial report required under subsection 2 of this section, the resident may file an affidavit with the director of revenue that attests to the alleged failure. The director of revenue shall evaluate the allegation and, if true, notify the political subdivision and any municipality or county encompassing the political subdivision by both certified mail and first-class mail that the political subdivision has ninety days to comply with subsection 2 of this section. If the political subdivision has not complied after ninety days, the director of revenue shall initiate the process to disincorporate the political subdivision as prescribed by law.

18. (1) The question of whether a political subdivision subject to possible disincorporation under subsection 16 or 17 of this section shall be disincorporated shall be submitted to the voters of the political subdivision. The election upon the question shall be held on the next general election day.

(2) No later than five o'clock p.m. on the tenth Tuesday prior to the election, the director of revenue shall notify the election authorities responsible for conducting the election according to the provisions of section 115.125 and the county governing body in which the political subdivision is located.

(3) The election authority shall give notice of the election for eight consecutive weeks prior to the election by publication in a newspaper of general circulation published in the political subdivision or, if there is no such newspaper in the political subdivision, in the newspaper in the county published nearest the political subdivision.

(4) Any costs of submitting the question shall be paid by the political subdivision.

(5) The question shall be submitted to the voters of such city, town, or village in substantially the following form:

The (city/town/village) of _____ (has an outstanding balance for fines or penalties and) has failed to file an annual financial statement, as required by law. Shall the (city/town/village) of _____ be disincorporated?

YES NO

Upon the affirmative vote of a majority of the qualified voters voting on the question, the director of revenue shall file an action to disincorporate the political subdivision in the circuit court with jurisdiction over the political subdivision.

19. In an action to disincorporate a political subdivision, the circuit court shall order:

- (1) The appointment of an administrative authority for the political subdivision, which may be another political subdivision, the state, a qualified private party, or other qualified entity;
- (2) All financial and other institutions holding funds of the political subdivision, as identified by the director of revenue, to honor the directives of the administrative authority;
- (3) The director of revenue or other party charged with distributing tax revenue to distribute the revenues and funds of the political subdivision to the administrative authority; and

(4) The disincorporation of the political subdivision and the effective date of the disincorporation, taking into consideration a reasonable transition period.

The administrative authority shall administer all revenues under the name of the political subdivision or its agents and administer all funds collected on behalf of the political subdivision. The administrative authority shall use the revenues and existing funds to pay all debts and obligations of the political subdivision other than the penalties accrued under this section. The circuit court shall have ongoing jurisdiction to enforce its orders and carry out the remedies under this subsection.

20. The attorney general shall have the authority to file an action in a court of competent jurisdiction against any political subdivision that fails to comply with this section in order to force the political subdivision into compliance."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Anderson resumed the Chair.

Representative Chipman offered **House Amendment No. 3**.

Each voter shall vote for one director from the ambulance election district in which the voter resides. The directors elected from districts one and four shall serve for a term of one year, the directors elected from districts two and five shall serve for a term of two years, and the directors from districts three and six shall serve for a term of three years; thereafter, the terms of all directors shall be three years. Those directors holding office in any district in such a county on August 13, 1976, shall continue to hold office until the expiration of their terms, and their successors shall be elected from the district at large for a term of three years. In any district formed in such counties after August 13, 1976, the governing body of the county shall cause an election to be held in that district within ninety days after the order establishing the ambulance district to elect ambulance district directors. Each voter shall vote for six directors. The two candidates receiving the highest number of votes at such election shall be elected for a term of three years, the two candidates receiving the third and fourth highest number of votes shall be elected for a term of two years, the two candidates receiving the fifth and sixth highest number of votes shall be elected for a term of one year; thereafter, the term of all directors shall be three years.

3. A candidate for director of the ambulance district shall, at the time of filing, be a citizen of the United States, a qualified voter of the election district as provided in subsection 1 of this section, a resident of the district for two years next preceding the election, and shall be ~~[at least twenty-four years of age]~~ **twenty-one years of age or older**. 204.610. 1. There shall be five trustees, appointed or elected as provided for in the circuit court decree or amended decree of incorporation for a reorganized common sewer district, who shall reside within the boundaries of the district. Each trustee shall be a voter of the district and shall have resided in said district for twelve months immediately prior to the trustee's election or appointment. A trustee shall be ~~[at least twenty-five years of age]~~ **twenty-one years of age or older** and shall not be delinquent in the payment of taxes at the time of the trustee's election or appointment. Regardless of whether or not the trustees are elected or appointed, in the event the district extends into any county bordering the county in which the greater portion of the district lies, the presiding commissioner or other chief executive officer of the adjoining county shall be an additional member of the board of trustees, or the governing body of such bordering county may appoint a citizen from such county to serve as an additional member of the board of trustees. Said additional trustee shall meet the qualifications set forth in this section for a trustee.

2. The trustees shall receive no compensation for their services but may be compensated for reasonable expenses normally incurred in the performance of their duties. The board of trustees may employ and fix the compensation of such staff as may be necessary to discharge the business and purposes of the district, including clerks, attorneys, administrative assistants, and any other necessary personnel. The board of trustees may employ and fix the duties and compensation of an administrator for the district. The administrator shall be the chief executive officer of the district subject to the supervision and direction of the board of trustees. The administrator of the district may, with the approval of the board of trustees, retain consulting engineers for the district under such terms and conditions as may be necessary to discharge the business and purposes of the district.

3. Except as provided in subsection 1 of this section, the term of office of a trustee shall be five years. The remaining trustees shall appoint a person qualified under this section to fill any vacancy on the board. The initial trustees appointed by the circuit court shall serve until the first Tuesday after the first Monday in June or until the first Tuesday after the first Monday in April, depending upon the resolution of the trustees. In the event that the trustees are elected, said elections shall be conducted by the appropriate election authority under chapter 115. Otherwise, trustees shall be appointed by the county commission in accordance with the qualifications set forth in subsection 1 of this section.

4. Notwithstanding any other provision of law, if there is only one candidate for the post of trustee, then no election shall be held, and the candidate shall assume the responsibilities of office at the same time and in the same manner as if elected. If there is no candidate for the post of trustee, then no election shall be held for that post and it shall be considered vacant, to be filled under the provisions of subsection 3 of this section."; and

Further amend said bill, Page 47, Section 238.216, Line 114, by inserting after all of said section and line the following:

"247.060. 1. The management of the business and affairs of the district is hereby vested in a board of directors, who shall have all the powers conferred upon the district except as herein otherwise provided. It shall be composed of five members, each of whom shall be a voter of the district and shall have resided in said district one whole year immediately prior to his or her election. A member shall be ~~[at least twenty-five years of age]~~ **twenty-one years of age or older** and shall not be delinquent in the payment of taxes at the time of his or her election. Except as provided in subsection 2 of this section, the term of office of a member of the board shall be three years. The remaining members of the board shall appoint a qualified person to fill any vacancy on the board. If no qualified person who lives in the subdistrict for which there is a vacancy is willing to serve on the board, the board may appoint an otherwise qualified person who lives in the district but not in the subdistrict in which the vacancy exists to fill such vacancy.

2. After notification by certified mail that he or she has two consecutive unexcused absences, any member of the board failing to attend the meetings of the board for three consecutive regular meetings, unless excused by the board for reasons satisfactory to the board, shall be deemed to have vacated the seat, and the secretary of the board shall certify that fact to the board. The vacancy shall be filled as other vacancies occurring in the board.

3. The initial members of the board shall be appointed by the circuit court and one shall serve until the immediately following first Tuesday after the first Monday in April, two shall serve until the first Tuesday after the first Monday in April on the second year following their appointment and the remaining appointees shall serve until the first Tuesday after the first Monday in April on the third year following their appointment. On the expiration of such terms and on the expiration of any subsequent term, elections shall be held as otherwise provided by law, and such elections shall be held in April pursuant to section 247.180.

4. However, no board member shall be paid more than one attendance fee if such member attends more than one board meeting in a calendar week. In addition, the president of the board of directors may receive fifty dollars for attending each regularly or specially called board meeting, but shall not be paid the additional fee for attending more than two meetings in any calendar month. 8. The jurisdiction conferred by this section shall be exercised as in ordinary cases upon petition, filed by or at the instance of any member of the board, or at the instance of any ten voters residing in the district who join in the petition, verified by the affidavit of at least one of them. The petition shall be heard in a summary manner after ten days' notice in writing to the member or officer complained of. An appeal shall lie from the judgment of the circuit court as in other causes, and shall be speedily determined; but an appeal does not operate under any condition as a supersedeas of a judgment of suspension or removal from office.

3. In cases of an emergency declared by the President of the United States or the governor of this state where the conduct of an election may be affected, the secretary of state may provide for the delivery and return of absentee ballots by use of a facsimile transmission device or system. Any rule promulgated pursuant to this subsection shall apply to a class or classes of voters as provided for by the secretary of state.

4. No election authority shall refuse to accept and process any otherwise valid marked absentee ballot submitted in any manner by a covered voter solely on the basis of restrictions on envelope type."; and

Further amend said substitute, Section 1, Page 48, Lines 2 and 8, by inserting the section reference number "115.291" immediately after the number "115.283," on said lines; and

2. If, at the time of completing a military-overseas ballot and balloting materials, the voter has declared under penalty of perjury that the ballot was timely submitted, the ballot shall not be rejected on the basis that it has a late postmark, an unreadable postmark, or no postmark.

3. During the pandemic exception under subdivision (7) of subsection 1 of section 115.277, mailed absentee ballots postmarked on the day of the election shall be counted if received before noon on the Friday after the election such that certification under section 115.508 may commence.

115.960. 1. An election authority is authorized to accept voter registration applications **and absentee ballot applications** with a signature submitted to the election authority under the provisions of sections 432.200 to 432.295 as provided in this section:

(1) Sections 432.200 to 432.295 shall only apply to transactions between parties that have agreed to conduct transactions by electronic means;

(2) Except as provided in subsection 2 of this section, as used in this section and sections 432.200 to 432.295, the parties who agree to conduct voter registration transactions by electronic means shall be the local election authority who is required to accept or reject a voter registration application and the prospective voter submitting the application;

(3) A local election authority is authorized to develop, maintain, and approve systems that transmit voter registration applications electronically under sections 432.200 to 432.295;

(4) Except as provided in subsection 2 of this section, no officer, agency, or organization shall collect or submit a voter registration application with an electronic signature to an election authority without first obtaining approval of the data and signature format from the local election authority and the approval of the voter to collect and store the signature and data; and

(5) Local election authorities who maintain a voter registration application system shall direct voter registration applicants from other jurisdictions to the system used by the local election authority for that jurisdiction to accept voter registration applications electronically.

2. A system maintained by the secretary of state's office shall be used to accept voter registration applications electronically subsequent to approval from the committee formed as set forth in this subsection:

(1) Within thirty days of, but in no event prior to January 1, 2017, the president of the Missouri Association of County Clerks and Election Authorities shall appoint fourteen of its members to serve on a committee to approve and develop uniform standards, systems, and modifications that shall be used by the secretary of state in any electronic voter registration application system offered by that office. The committee may also make recommendations regarding the purchase, maintenance, integration, and operation of electronic databases, software, and hardware used by local election authorities and the secretary of state's office including, but not limited to, systems used for military and overseas voting and for building and conducting election operations. The committee shall have fourteen local election authorities, including representatives of each classification of counties, a representative from an election board, and at least one member who has experience processing online voter registration transactions. In addition, one representative appointed by the secretary of state's office shall serve on the committee;

(2) The committee shall immediately meet to approve electronic signature formats and a minimum set of data collection standards for use in a voter registration application system maintained by the secretary of state;

(3) Once the format and data collection standards are approved by the committee and implemented for the system maintained by the secretary of state, local election authorities shall accept the transmission of voter registration applications submitted to the approved system under the provisions of sections 432.200 to 432.295;

(4) The secretary of state's office shall direct eligible voters to a local election authority's system to accept voter registration applications electronically if the local election authority has a system in place as of August 28, 2016, or implements a system that meets the same standards and format that has been approved by the committee for the secretary of state's system;

(5) The committee shall meet not less than semiannually through June 30, 2019, to recommend and approve changes and enhancements proposed by the secretary of state or election authorities to the electronic voter registration application system. Vacancies that occur on the committee shall be filled by the president of the Missouri Association of County Clerks and Election Authorities at the time of the vacancy;

(6) To improve the accuracy of voter registration application data and reduce costs for local election authorities, the system maintained by the secretary of state shall, as soon as is practical, provide a method where the data entered by the voter registration applicant does not have to be re-entered by the election authority to the state voter registration database.

3. Each applicant who registers using an approved electronic voter registration application system shall be deemed to be registered as of the date the signed application is submitted to the system, if such application is accepted and not rejected by the election authority and the verification notice required under section 115.155 is not returned as undeliverable by the postal service.

4. This section shall not apply to voter registration and absentee records submitted by voters authorized under federal law, section 115.291, or sections 115.900 to 115.936 to submit electronic records and signatures.

5. High quality copies, including electronic copies, of signatures made on paper documents may be used for petition signature verification purposes and retained as records.

6. Any signature required for petition submission under chapter 116 shall be handwritten on a paper document.

Except as provided in subsection 2 of this section, no officer, agency, or organization shall give the voter the opportunity to submit a voter registration application with an electronic signature without first obtaining the approval of the local election authority.

8. An election authority that agrees to conduct a transaction by electronic means may refuse to conduct other transactions by electronic means.

9. No election authority or the secretary of state shall furnish to any member of the public any data collected under a voter registration application system except as authorized in subsections 1 to 5 of section 115.157.

10. Nothing in this section shall be construed to require the secretary of state to cease operating a voter registration application in place as of the effective date of this act."; and
