

HB 1334 -- MEDICAL NOTATION ON DRIVERS LICENSES

SPONSOR: Kelley (127)

This bill allows a resident of Missouri to have a medical alert notation placed on his or her driver's license or nondriver's identification card. The bill specifies the medical conditions that may be listed on the license or identification card.

The applicant must sign a waiver for the release of medical information and provide a sworn statement with the applicant's diagnosis from a physician or psychologist. Parental consent is required for anyone under 18 years of age.

This bill requires the Department of Revenue to transfer the medical information received to the State Highway Patrol for entry into the Missouri Uniform Law Enforcement System (MULES). The applicant is made aware of the transfer of information in the application and consent requests.

This bill has a delayed effective date of July 31, 2021.

This bill is the same as HB 207 (2019).
