

HB 2444 -- FLEET VEHICLES

SPONSOR: Ruth

This bill specifies that registration fees for vehicles in the registered fleet owner's fleet will be fully payable at the time the plates are ordered, except if the plate is ordered after the first month of registration, the fees will be prorated by the month the plates were ordered. If biennial registration is requested, an additional year's annual fee will be added to the partial year's prorated fee.
