

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By

1 AMEND House Bill No. 37, Page 4, Section 174.335, Line 29, by inserting after said section and  
2 line the following:

3  
4 "192.028. 1. No state government entity, political subdivision, agency, or agent shall be  
5 authorized to issue vaccine passports, vaccine passes, or any other standardized documentation for  
6 the purpose of certifying an individual's vaccination status to a third party or to otherwise publish or  
7 share any individual's vaccination record or similar health information.

8 2. Notwithstanding any statute, ordinance, order, or rule to the contrary, neither the state nor  
9 any political subdivision of the state shall require documentation of an individual having received a  
10 vaccination or prophylactic treatment against any disease, other than those diseases enumerated in  
11 statute and subject to the conditions expressed in such statute, in order for the individual to access  
12 public property or receive government services.

13 3. Notwithstanding any statute, ordinance, order, or rule to the contrary, neither the state nor  
14 any political subdivision of the state shall have the authority to incentivize or mandate that any  
15 private entity require documentation of an individual having received a vaccination or prophylactic  
16 treatment against any disease in order for the individual to access property, goods, or services.

17 4. No entity with government-provided monopolistic privileges shall require documentation  
18 of an individual having received a vaccine or prophylactic treatment against any disease in order for  
19 the individual to access property, goods, or services."; and

20  
21 Further amend said bill by amending the title, enacting clause, and intersectional references  
22 accordingly.
