2 line the following:

3  
4 "210.251. 1. By January 1, 1994, financial incentives shall be provided by the department  
5 of health and senior services through the child development block grant and other public moneys for  
6 child-care facilities wishing to upgrade their standard of care and which meet quality standards.

7 2. The department of health and senior services shall make federal funds available to  
8 licensed or inspected child-care centers pursuant to federal law as set forth in the Child and Adult  
9 Food Program, 42 U.S.C. 1766.

10 3. Notwithstanding any other provision of law, in the administration of the program for at-  
11 risk children through the Child and Adult Food Program, 42 U.S.C. 1766, this state shall not have  
12 requirements that are stricter than federal regulations for participants in such program. Child care  
13 facilities shall not be required to be licensed child care providers to participate in such federal  
14 program so long as minimum health and safety standards are met and documented."; and

15  
16 Further amend said bill by amending the title, enacting clause, and intersectional references  
17 accordingly.
