2. The identity or qualifications of any person offering to vote may be challenged by any election authority personnel, any registered voter, or any duly authorized challenger at the polling place. No person whose right to vote is challenged shall receive a ballot until his or her identity and qualifications have been established.

3. Any question of doubt concerning the identity or qualifications of a voter shall be decided by a majority of the judges from the major political parties. If such election judges decide not to permit a person to vote because of doubt as to his or her identity or qualifications, the person may apply to the election authority as provided in section 115.193 or file a complaint with the elections division of the secretary of state's office under and pursuant to section 115.219.

Further amend said bill, Page 38, Section 115.447, Line 23, by inserting after all of said section and line the following:

"115.628. 1. This section shall be known and may be cited as the "Integrity in Political Party Voting Act".

2. Except as provided in subsection 4 of this section, the governing body of any established political party shall adopt a closed primary election system that shall be enforced by the office of the secretary of state and the requisite local election authority. The closed primary election system shall be binding upon all elections for partisan offices in this state.

3. The secretary of state shall maintain voter registration records in accordance with the Missouri voter registration system defined under section 115.158. Not later than the nineteen weeks prior to any primary election date, the secretary of state shall distribute a list of eligible voters for each established political party to all requisite local election authorities. Local election authorities shall implement the closed primary system for any primary election after January 1, 2025, by
providing primary ballots indicating political party nominees only to those individuals who are

ballot.

5. The state shall pay the costs of implementing and providing notice of the closed primary
system under this section, with the exception of any caucus or primary election conducted under

section or chapter after the political party primary election held in August 2026.

6. Local election authorities shall notify registered voters of the political party affiliation
requirements of this section prior to the August 2026 primary election by using all current election
mailings that would otherwise be mailed to registered voters.

7. Beginning January 1, 2022, the voter registration application form shall be amended to
include a choice of political party affiliation.

8. Notwithstanding any other provision of law to the contrary, this section shall provide that
initial political party registration be determined by the political party ballot chosen by the voter in
the 2024 presidential preference primary and the August 2022 and 2024 primaries. Appropriate
software shall be provided at voter check-in for political party ballot selection so as to minimize
later data entry for election authorities. Those who have not declared a party affiliation before the
2024 general election shall have the option to do so using the appropriate software during voter
check-in for such election. The election authority shall process this initial political party registration
through its normal means of administration on or before September 1, 2025.

9. Notwithstanding any other provision of law to the contrary, all current processes for
registering voters in the various counties shall remain in place."; and
