FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Natural Resources**, the **Department of Health and Senior Services** and the **State Tax Commission** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight made several attempts to contact St. Louis County for a fiscal impact response regarding this proposal. Oversight notes this proposal requires St. Louis County to compile and keep a list of historic landfills in the county and make the list available to the public. This proposal also requires the County to establish procedures for any reclamation or remediation of a historic landfill and hold hearings before issuing land use permits. Oversight assumes this proposal involves procedural changes and will not have a material fiscal impact on St. Louis County.
