## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of Administration - Budget and Planning** defer to the local government for the potential fiscal impact of this proposal.

Officials from the **Department of Revenue** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

**Oversight** notes the City of Harrisonville did not respond to Oversight's request for fiscal impact. This proposed legislation allows the City of Harrisonville, subject to voter approval, to impose a tax on the chargers for all sleeping rooms paid by the transient guests of hotels or motels, which shall not exceed six percent (6.0%) per occupied room per night.

**Oversight** notes the City of Harrisonville may propose the tax to its respective voters at an election. Should the voters vote in favor of the tax, the tax shall become effective on the first day of the second calendar quarter following the calendar quarter in which the election was held. Should the voters vote against the tax, the tax shall not become effective unless and until the question is resubmitted and approved by the qualified voters of the City.

**Oversight** does not have any information regarding the number of rooms or transient guests who occupy rooms in the City of Harrisonville to estimate an amount of increased income the City of Butler would receive annually. Therefore, Oversight will reflect a \$0 (no tax increase approved by the voters) or positive unknown (tax increase approved by the voters) fiscal impact for the City of Harrisonville for this proposal.

**Oversight** also notes that there is no November 2021 election: therefore, the earliest election date would be in April of 2022. If the voters approve the tax would go into effect in October of 2022 (Fiscal Year 2023).
