2. Under the show me success diploma program, the department of elementary and secondary education shall develop the "Show Me Success Diploma" as an alternative pathway to graduation for high school students that may be earned at any point between the end of a student's tenth grade year and the conclusion of the student's twelfth grade year.

3. By July 1, 2022, the department of elementary and secondary education shall develop detailed requirements for students to become eligible for the show me success diploma that include at least the following:

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in bold-face type in the above bill is proposed language.
(1) Demonstrated skills and knowledge in English, science, and mathematical literacy to be successful in college level courses offered by the community colleges in this state that count toward a degree or certificate without taking remedial or developmental course work; and

(2) Satisfactory grades on approved examinations in subjects determined to be necessary to prepare a student to enter postsecondary education without remedial or developmental course work.

4. School districts and charter schools may offer a course of study designed to meet the requirements to obtain a show me success diploma to students entering the ninth grade. Students who elect to pursue a show me success diploma shall participate in a course of study designed by the school district to meet the requirements established under subsection 3 of this section. The show me success diploma shall be available to any such student until the end of that student's twelfth grade year.

5. Students who earn a show me success diploma may remain in high school and participate in programs of study available through the school district or charter school until that student would otherwise have graduated at the end of grade twelve. For purposes of calculation and distribution of state aid, the school district or charter school of a pupil having earned a show me success diploma who remains enrolled in the school district or charter school shall continue to include the pupil in the pupil enrollment of each such school district or charter school and shall continue to receive funding for a pupil who earns a show me success diploma until that pupil would otherwise have graduated at the end of grade twelve. Students who elect to remain in high school under this subsection shall be eligible to participate in extracurricular activities, including interscholastic sports, through the end of grade twelve.

6. Students who pursue but do not meet the eligibility requirements for a show me success diploma at the end of grade ten or eleven shall receive a customized program of assistance during the next school year that addresses areas in which the student demonstrated deficiencies in the course requirements. Students may choose to return to a traditional academic program without completing the show me success diploma.

7. The department of elementary and secondary education shall provide training, guidance, and assistance to teachers and administrators of the schools offering the show me success diploma and shall closely monitor the progress of the schools in the development of the program.

administered by the U.S. Department of Education shall be included in the district's or charter school's state aid calculation under section 163.031, until such time that the pupil would have completed the pupil's twelfth grade year had the pupil not earned a show me success diploma. The funding assigned to a pupil under this subsection shall be calculated as if the pupil's attendance percentage equaled the district's or charter school's prior year average attendance percentage. For a pupil who, as provided in this subsection, is included in the district's or charter school's state aid calculation but who is not enrolled in the district or charter school, an amount equal to ninety percent of the pupil's proportionate share of the state, local, and federal aid that the district or charter school receives for the pupil under this subsection shall be deposited into an account established under sections 166.400 to 166.455 that lists the pupil as the beneficiary. 9. The department of elementary and secondary education shall promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2021, shall be invalid and void.

The adult student shall meet the requirements with the same level of academic rigor as would otherwise be necessary to attain such credits.

5. The task force shall present its findings and recommendations to the speaker of the house of representatives, the president pro tempore of the senate, the joint committee on education, and the state board of education by December first annually.

166.440. The assets of the [savings] program shall at all times be preserved, invested and expended only for the purposes set forth in this section and in accordance with the participation agreements, and no property rights therein shall exist in favor of the state.

166.456. All personally identifiable information concerning participants and beneficiaries of accounts established within the Missouri education [savings] program pursuant to sections 166.400 to 166.456 shall be confidential, and any disclosure of such information shall be restricted to purposes directly connected with the administration of the program.
