

Journal of the House

ONE HUNDRED FIRST GENERAL ASSEMBLY of the STATE OF MISSOURI

FIRST REGULAR SESSION

FIRST DAY, WEDNESDAY, JANUARY 6, 2021

The House was called to order at twelve o'clock noon by the Honorable John R. Ashcroft, Secretary of State.

Prayer by Reverend Monsignor Robert A. Kurwicky, St. Michael Catholic Church, Russellville, Missouri.

My presence shall go with Thee. (Exodus 33:14)

Almighty God, our Heavenly Protector, who is from everlasting to everlasting, whose truth endures forever and whose love never fails, we pause before You this moment as we turn another page in the history of our beloved People's House and in the story of our lives together as the representatives of this great state. Awaken within us the realization that You have a purpose for each one of us, that You are not only the sustainer of the rolling spheres but also the supporter of our own human spirits. As we launch upon the new session, may Your presence strengthen us, Your spirit guide us and Your wisdom make us wise.

Bless our Governor, our new Speaker, and the newly elected and veteran Representatives of this House, plus their families. Together may they strive for peace in the Show Me State and for the well-being of Missourians.

And the House says, "Amen!"

The Jefferson County Sheriff's Office Color Guard presented the colors.

The Pledge of Allegiance to the flag was recited.

ADDRESS BY SECRETARY OF STATE JOHN R. ASHCROFT

Good Afternoon. Welcome to the opening of the 101st Regular Session of the Missouri General Assembly as we recognize this monumental year and celebrate Missouri's Bicentennial. Thank you for devoting yourself to the noble endeavor of serving the people of our state. It's an honor to serve with you. You are embarking on or continuing the profound privilege of representing the people. As much as I like to say I will work with you, in some respects I cannot, because as legislators you alone have the solemn responsibility of voting on what the law will be. I cannot do that. However, in serving as your Secretary of State, it is my honor and my privilege to open this session of the Missouri House of Representatives.

The last time I stood before you in this meaningful and majestic chamber, not one of us could have anticipated or foreseen the specific challenges that our state and country would encounter in 2020 – a global pandemic, racial strife, riots, families financially devastated and an even greater hyperpolitical and polarized environment than we have ever endured.

But Missourians have persevered. And, in fact, at times we have been one of the brightest spots in this country. Public access to and public confidence in the integrity of our elections are fundamental components of enduring freedom. In spite of the unforeseen challenges of 2020, which disrupted the sacred democratic process in many settings across the land, Missouri election officials, poll workers and voters held four safe, secure elections. We conducted our Presidential Preference Primary in March, our April municipal elections that were postponed to June due to COVID-19, the August primary and the November general election in a manner reinforcing rather than undermining the confidence of Missouri's citizens. I sincerely thank our 116 election authorities, thousands of poll workers and the millions of Missourians who made this success possible. Even as we look back on our seamless election process, our country remains in turmoil over how other states' elections were run.

Some government officials even in this chamber wish that Missouri would embrace and mimic election processes that we have seen in states like Georgia, Arizona, Pennsylvania and Wisconsin. These states failed to conduct their elections in such a manner that neither successful nor unsuccessful candidates can demonstrably verify the results. More importantly the people of these jurisdictions are denied the confidence of knowing that their votes in fact determined the outcome.

I call on you to commit with me to ensure that Missouri continues to lead with regard to not only access, but with transparency, certainty, accountability, and finality within our elections in the future.

Our highest priority in this respect should be re-implementing the will of the people. I am speaking of our citizens who passed Amendment 6 in 2016 with 63% of the vote. It was a true photo ID safeguard assuring that every eligible voter could not only vote, but have full confidence in the results.

If we want Missouri to grow and to be the state we all know it can be, we need to work toward a government that removes impediments to opportunity so that all Missourians can not only strive for success, but reach the maximum of their God-given potential.

If the people of Missouri were smart enough to elect you, then they are smart enough to deserve a government that facilitates instead of restricts their freedom.

As Thomas Jefferson so adroitly wrote in 1816, "If a nation expects to be ignorant and free . . . it expects what never was and never will be."

Sadly, for decades, some Missourians have had their potential stifled by a denial of real educational opportunity. We must end this now.

My years of teaching experience taught me that we need to let teachers concentrate on critical thinking skills instead of the latest fads in revisionist history. Our schools cannot become mere daycare centers warehousing students. Nor can our schools be charged with correcting social pathologies rather than developing learning skills.

Additionally, we need to put decision-making authority back into the hands of parents who know their children far better than any of us ever will. And that should start by giving parents more control over education dollars and decisions regarding their children's education.

Good decision making requires complete, reliable school specific information. This is true for parents, for school boards, for school administrators and for legislators so that informed choices and decisions can be made in the best interest of our children.

No decisions in a democracy exceed the importance of amendments to our constitution. After all, the constitution is the ultimate safeguard for our liberty. In recent years, amendments to our constitution have been taken extremely lightly. Special interests have seized the opportunity to bankroll profound changes without the careful deliberation, honest information, and rigorous discussion that changing our fundamental framework deserves. For example, in 2014 fewer than 18% of the registered voters added three amendments to our constitution. Such a fractional minority offends the principle of majority rule, especially regarding the liberties safeguarded in our constitution. Just a few weeks ago we witnessed, via the vote on Amendment 3, the people of Missouri had to once again vote at the ballot box to block what special interests had rammed through two years before.

I firmly believe that the Constitution of Missouri should be decided by the people of Missouri, not by wealthy out of state special interests.

We need to protect the ability of the people to decide what they want to vote on, but we should not amend our Constitution without a broad consensus of Missourians.

If we will work to keep our elections secure and people confident in the results, if we will make sure that every child in this state truly has the opportunity to be the best that he or she can be through access to a challenging education, and we will make sure that We the People, rather than special interests, control the constitution and the laws we will live under, the future for Missouri is bright. These are not trivial objectives but you have the capacity and authority to bring them to pass.

Thank you.

ADDRESS BY SPEAKER ROB VESCOVO

Thank you. To our returning members, welcome back. And to our new members, congratulations!

As I stand here today as your Speaker, I am deeply humbled and incredibly grateful. Just as our constituents place their trust in us to serve as their voice in this building, you have placed your trust in me to serve you and to help you do what is best for your districts, and for our state. This is a duty I will never take for granted and you have my sincere thanks for your support.

Before I go on, let me take a few moments to thank some very important people in my life. At the top of that list is my beautiful wife, Amanda. Last August we celebrated 17 amazing years together. Somehow she has put up with me all these years and she has taken on so many additional burdens while I have lived the life of a public servant.

As anyone here with a significant other will tell you, this life isn't easy on your family. There are a lot of doctor's appointments, parent-teacher conferences, and basketball games that are missed because we're here in Jefferson City working for the people. And our spouses have to listen to negative campaign ads and the other criticisms that go hand-in-hand with a life of public service. But just like your spouses, Amanda has taken it all in stride and has been a constant source of strength and support for our family.

Today I want to thank her and all our significant others for their support and their patience. We would not be here without you. Please join me in giving Amanda and all our spouses a well-deserved round of applause.

My five wonderful kids are with me here today as well – Robert, Jillian, Nicholas, Peter, and William. What can I say? They are and will always be my greatest accomplishments.

It's a blessing to have the love of family around me for this incredible moment, but I need to acknowledge a huge void today that cannot be filled. As many of you know, I lost both my father and mother in 2019. They molded me into the man I am today. They gave me the work ethic and the will to fight for what I believe in and these are qualities that have propelled my career in public service. Without question, I would not be here today if not for them. So as today is a moment of pride for me, I know it is also a moment that would make them proud as well.

Today, as I stand here at this dais as your Speaker, I do so with the goal of not only making my family proud but also with the commitment of earning your trust and the trust of the people of Missouri.

I think most of you know from your time working with me as floor leader that my goal has always been, and will always be, to work tirelessly to help you advance your agendas. All of you have issues that mean a great deal to your constituents, and I am committed to working with you to find legislative solutions to these problems.

That goes for both sides of the aisle. I hope my time in the floor leader's office made it clear that I will work with any member from any party. That will not change when I am Speaker. My door will be open and my time will be yours if and when you need me.

And just as I am ready and willing to work with you on the issues you care about, I hope you will keep open minds when it comes to the issues that matter to me.

Education is a topic we discuss in this chamber on a regular basis, and each time we do we take into consideration the perspectives of teachers and administrators about what works and what doesn't. And yes, the actions we take are meant to have what is best for our kids in mind, but to me, we too often fail to consider the viewpoint of actual kids our system of education is meant to serve and not just the perspective of the kids who succeed academically, but also those who struggle to learn in the rigid framework of our system.

Let me tell you about a young man who tried his hardest, but struggled every step of the way in his journey through our education system. From 2nd to 6th grade he was placed in 6 different schools, and the answer to his struggles was medicine for his ADHD rather than a learning plan he could grasp. By the time he reached seventh grade, he was frustrated because he had yet to master something as simple as fractions. It was only when a teacher took extra time to relate to him in a way he could understand that things finally clicked.

This young man was the son of a father in the construction industry, and the teacher brought out a tape measure to help make his point. Suddenly the boy was referring to the markings on the tape measure – 1/4, 7/16, 5/8 – and the teacher helped him realize he in fact did know fractions. He simply hadn't realized it before, and no teacher had been able to help him make that connection.

Unfortunately, this positive moment in the young man's educational career was only one small story of success. Because of his ADHD and other learning challenges, he continued to struggle with his schooling, he was constantly ridiculed and torn down along the way, and he didn't have the benefit of other teachers like his 7th grade instructor, who had the time and dedication to help him succeed. By the time he was 16, he was so frustrated with the system that he dropped out of school entirely.

From there he went on to spend five years learning a skilled trade and became crafty with his hands, but the idea that he wanted to complete his education continued to persist in his mind. This young man decided he would not give up and he ultimately went back to obtain his GED at Harris Stowe State University and then went on to college. Even though this young man's experience in our education system was less than ideal, I think his story is one that is ultimately successful as he went on to become an elected member of this body and today became the Speaker of the House.

But regardless of whatever success I have achieved on a personal level, I can never forget the difficult time I had while in school. I look at the "one size fits all" approach our system too often takes, and I believe it failed me just as it fails countless other students each year.

That's not to say we don't have amazing educators out there. We know our state is blessed with many incredible teachers.

But we also know that not every child works or learns the same way and that our teachers need the time, resources, and flexibility to be able to work with kids on a personal level.

I tell you that we can learn something from the perspective of students like me who struggled within the system. I have often heard folks in the education system say I can't understand what our system of education needs because I'm not a teacher. As a student who struggled, I believe I do have valuable insight on what works and what doesn't, and I believe it is time our system of education listens to these students who have seen firsthand how the system can and should improve.

As I look at our educational landscape I see the need to provide students more opportunities for learning. We can create these opportunities through tools like Education Savings Accounts that will give parents the option to send their kids to the schools that will best serve their needs.

At the same time we look to give kids more educational opportunities, we also must give teachers more opportunities for career growth and advancement.

The coronavirus pandemic has taught an important lesson to parents in every part of our state. Every parent wants to keep their kids safe and healthy, but we have also learned that teachers are more effective as educators in person and that kids must be in school to learn effectively and to have the normal social development that is such an important part of their growth into adulthood.

That is why we must continue to look at ways to give our schools the resources they need to stay open so that the educational experience is not disrupted for thousands of children. We must be innovative as we look for ways to give young people the tools they need to succeed. And that means improving our system of education so that it can help the kids who do not learn in conventional ways. I am committed to working as hard as I can to find a solution that will give our kids a better opportunity for success in the classroom.

I know it won't be easy. But it's one thing to try here and fail on the floor of the House, and it's another to not try at all and fail our kids through a lack of action. I refuse to not try on this issue that means so much to me and even more to our kids.

It's also imperative that we help our kids by making a stronger investment in early childhood development. We know the positive impact of working with kids at a very early age is immense. We also know that by investing in our kids early on in life, we give them a much better chance at succeeding in adulthood.

As Speaker, I want to see us make a stronger commitment to early childhood education.

We know if we fail these kids early in life, they may end up on a path that will lead them to incarceration. If we want to better serve the people of our state we must invest in our young people on the front end rather than pay the cost of incarceration on the backend when our system fails them. That is why we must support policies that focus on empowerment rather than imprisonment.

Everyone in this room knows I am standing here before you today because I was blessed to have a mother who was willing to give me life and two parents who adopted me out of foster care to love and raise me as their own child. They were there to support me and to push and encourage me when I needed it. They gave me the stability to stay on the right path. They were there to keep me in line and show me the right way to live my life.

I am thankful each and every day for the life my parents gave me, and I want every child in this state to have similar opportunities. We will look at additional reforms to our foster care system that will help to ensure children don't slip through the cracks, and we will explore the idea of a tax deduction for foster parents, which can encourage more Missouri families to open their doors and their hearts to our young people in need.

We know we have more than 13,000 kids in our foster care system, and more enter the system every year. We must take every step possible to give each and every one of these kids an open door of opportunity so they can grow into healthy, productive adults.

We also know that here in our state, we have more than 2,500 kids waiting to be adopted. I hope all of you will work with me this session to expand our adoption tax credit so that families who want to adopt a child aren't blocked from doing so simply because of cost. Together we can make adoption a possibility for the many families who may not have the money but certainly have the love and support to give a wonderful life to a young person in need.

These are a few of the things I hope we can make a priority this session, but there are many other issues I know are important to all of us, and we will spend considerable time discussing them as well.

We will again work to cut the regulatory red tape on our businesses and licensed professionals. COVID-19 has been an incredible challenge for our state, but it has also taught us that our businesses are better off with less government and less regulations. We will also continue to promote our continued economic growth by considering common sense legal reforms that will prevent job-killing lawsuits. We will explore ways to make our tax system as fair and as transparent as it can be for taxpayers. We will work to ensure the members of our law enforcement community are properly trained and equipped to protect our communities. As we have done each year, we will continue our strong support for the Second Amendment rights of law-abiding Missourians. We will consider legislation to protect the integrity of our elections system. And we will continue our role in providing oversight over the administration as we work to ensure government is efficient and effective in performing its task of serving the people.

As we tackle these issues, and many others, we will have disagreements. We will need to work together to find compromise, and there may be times that we cannot find the common ground we need to satisfy everyone.

But I can assure you that we will not fail to have the conversation simply because the road to success is a difficult one. And we know this session will be difficult and it will have challenges that go beyond what we normally see in the legislative process. That's because we continue to live with the reality of COVID-19.

This is a session where we will continue to take the appropriate steps to keep one another safe and healthy and to keep our staff and those who do business in the Capitol safe as well, all while ensuring this process is open and transparent for the people of Missouri.

We'll also work directly as a legislative body to address many of the issues that have become topics of discussion as this pandemic has continued. We will look at ways to ensure the freedoms of Missourians aren't compromised needlessly and that local officials properly balance the need to protect the public health with protecting these important freedoms.

I want all of us to work together this session toward implementing reasonable liability protections for our health care workers and businesses, so they can continue to provide the vital services they offer without fear of frivolous lawsuits.

And we will continue to closely scrutinize the response efforts for this pandemic and how the stimulus dollars are spent, so that Missourians know their tax dollars are working in the most efficient and effective way possible.

As we begin the 101st General Assembly, we know we are operating in historic times and that our actions and decisions will make an enormous impact on those we were elected to serve. But those people sent us here to lead, to take on even the toughest challenges, to make the hard decisions that will improve the quality of life for Missourians of all ages. And that is what we will do.

We will rise to the challenge together. We will be responsible and mindful, but we will not shy away from doing the work we were sent here to do.

Thank you again for the trust you have placed in me as your Speaker. I am excited to work with all of you as we begin the 2021 legislative session. May God bless you all and may God bless the great state of Missouri.

ADDRESS BY SPEAKER PRO TEM JOHN WIEMANN

Members of the House and guests, it is my honor to stand before you as your Speaker Pro Tem for the 101st General Assembly of the State of Missouri. Thank you to the members of this body for electing me to serve you again in this important position.

Thank you for believing in my ability to lead and serve the members of this wonderful institution as we all strive to make our state a better place to live and work for the people we serve.

Like all of us in this chamber, we have families that support us and make great sacrifices so we can serve the people of Missouri. I want to thank my wife, Yvette, *and my two sons Blake and Clayton* for their love and support.

Today, I am going to speak about “Optimism” and how we must face the challenges this year with enthusiasm for the future of all Missourians. I would like to share with you a quick story about a mother and father who had identical sons that were alike in every way but one.

One of the sons was a dyed-in-the-wool pessimist, and the other one was an incurable optimist, and the parents thought that both were so unrealistic that they talked to a psychiatrist about it, and he said that he could solve their problem. The parents asked what could be done and the doctor said, “Let’s get a fantastic set of toys any boy would

envy and we'll put them in a room and then put the pessimist in there and when he sees all those toys are for him, he will get over being a pessimist."

The parents asked, "What are you going to do about the optimist?" The doctor said, "I have a friend who has a racing stable and we can get quite a quantity of what they clean out of the stable and we can put that in another room and when the optimist has seen his other brother get all those fancy toys and that he gets that, he will get over being an optimist."

Well, the parents followed the doctor's advice. After a period of time, they went into the room where the boy was with all the toys, and he was sitting there crying and they said, "What are you crying about?" And he said, "I know somebody is going to come in here and take the toys away from me."

When they went down to the room with the optimist, they saw him on top of the pile of stuff digging and throwing it behind him as fast as he could, and they said, "What are you doing?" and he said, "There's got to be a PONY in here somewhere."

All jokes aside, over the past year we have all suffered in one form or another because of the pandemic. Some have lost loved ones, others suffered through sickness, missed out on important celebrations and milestones like birthdays, weddings, graduations -- even saying a last goodbye to a family member or friend who has passed. Our small business owners and the workers they employ have suffered personally, and financially -- so have the families they support. The full impact of this pandemic will have long term effects on us. While we can't look back at what could have been, we must look forward to the possibilities of what can be!

- I'm optimistic this year we will overcome this pandemic.
- I'm optimistic this year the Chiefs will win another Superbowl and the Blues another Stanley Cup.
- I'm optimistic our economy will continue to recover.
- I'm optimistic the house of representatives will have a successful legislative session.
- Heck, I'm even optimistic that the senate and the house will work together this session to pass meaningful legislation to help Missouri become better.

We have a new session and a new year to deliver legislative achievements for the people of Missouri. As we begin, I want to leave you with two quotes from our third President of the United States and Founding Father, Thomas Jefferson:

- "I predict future happiness for Americans if they can prevent the government from wasting the labors of the people under the pretense of taking care of them."
- "Peace and friendship with all mankind is our wisest policy, and I wish we may be permitted to pursue it."

Thank you for your time and God Bless the state of Missouri and the United States America.

Speaker Vescovo resumed the Chair.

Pursuant to Section 9.141, RSMo, the United States Bill of Rights was read by Robert Vescovo III and Jillian Vescovo.

Rule 38. The Speaker shall refer all bills and resolutions to a committee. The Speaker may re-refer any bill or resolution previously referred to a committee prior to a public hearing being held on the bill.

Introduced - Manner of Setting Forth New and Old Material

Rule 39. (1) *When.* Bills may be introduced only on the report of a committee or by any member of the House, in the administrative or regular order of business. No member shall file a bill, other than an appropriation bill, after March 1, without leave of the House. No committee shall introduce upon report any House Committee Bill after April 1.

(2) *Manner of Printing.* Any bill shall have the matter which is being repealed from current law enclosed in bold-faced brackets and the matter which is being added to the law underscored when typewritten and in bold-faced type when printed. In addition, the Chief Clerk may adjust the formatting of printed bills in the House in order to increase readability. A footnote shall be annexed to the first page of each bill which contains material enclosed in bold-faced brackets to the following effect:

"EXPLANATION - Matter enclosed in bold-faced brackets in the above bill is not enacted and is intended to be omitted from the law. Matter in bold-face type in the above bill is proposed language."

(2) No bill shall be placed on ~~the~~ a Federal Mandate ~~Calendar~~ **Calendar** unless it is federally mandated, immediate in nature, and reduces revenues or savings if not enacted. A federal mandate bill may only contain subject matter concerning the federal mandate. A member wishing for his or her bill to be considered for placement on the Federal Mandate Calendar shall request in writing to the chair of the committee where such bill has been referred. The written request shall state the deadline by which the state must comply with the federal mandate and what will happen if the state fails to take action by such date. A copy for each committee member of the federal statute or regulation mandating such action shall accompany the request. After the committee has voted "Do Pass" on a bill with such a request, it shall take a second recorded vote on whether to recommend that it be placed on the Federal Mandate Calendar. If said bill is reported "Do Pass" by a regular standing committee with a recommendation that same be placed on the Federal Mandate Calendar, the chair of the committee shall submit to

the Speaker a copy of the original written request, along with a copy of the federal statute or regulation mandating State action. If the Speaker concurs with the committee that the bill complies with the requirements of this rule, he or she shall advise the Chief Clerk to place same on the Federal Mandate Calendar. If the Speaker does not concur, he or she may place the bill on the Perfection Calendar. Each bill placed upon the Federal Mandate Calendars shall have attached thereto a copy of the federal statute or regulation that mandates the bill, along with a copy of the request to place the bill on the Federal Mandate Calendar and shall be distributed to all members at least twenty-four hours prior to consideration by the entire House.

Revision Bills

Rule 42. Any bill denominated as a revision bill by the appropriate committee shall contain only that subject matter approved by the committee on legislative research, and additional material may not be amended thereto, unless needed as a technical correction.

Motion To Place On Calendar

Rule 43. If any bill is reported from committee with the recommendation that it "Do Not Pass" it shall not go on the calendar of the House unless ordered by a constitutional majority. At the same time the bill is reported to the House, the committee chair shall notify the sponsor or handler of the bill that such report is being made. A motion to have a bill placed upon the calendar shall be made within three legislative days after the bill is reported and when the sponsor of the bill is present or the motion is made by a member upon the sponsor's written request. If no such action is taken within such time, the bill shall lie on the table. If such a motion is sustained, the bill shall stand automatically referred to a Committee on Rules for further action thereon.

Timing of Placement on Calendar

Rule 44. No House bill shall be taken up for **initial** consideration by the House unless it has been upon the calendar for at least one legislative day.

Bills Laid Over Informally

Rule 45. When a bill is reached, in its order, to be perfected and printed, or to be third read and finally passed, it may, upon the request of the Majority Floor Leader or the sponsor or handler thereof if a House Bill, or upon the request of its handler in the House if a Senate Bill, hold its place on the calendar or be laid over informally and thereafter be called up at any time when otherwise in order.

To Appear In Order

Rule 46. All bills laid over informally and not taken up and disposed of the same day shall appear in order upon the calendar for the next legislative day following.

Ten Day Rule

Rule 47. If a bill laid over informally is not taken up for further consideration within ten legislative days after being laid over, it shall lie on the table and be dropped from the calendar of the House without further action of the House.

Consent Calendar

Rule 48. (1) *Which Bills May Be Placed on the Consent Calendar.* Each regular standing committee, after a favorable vote on a bill, may further determine by a second and affirmative vote of every member present whether such bill is of a noncontroversial nature and qualifies for consent status. Bills that specifically authorize an easement or right-of-way involving state property shall qualify for consent status. A bill shall not be considered for consent status if it:

- (a) Is of a controversial nature;
- (b) Makes a substantial policy change;

- (c) Increases net expenditures of the state;
- (d) Reduces net revenue of the state; or
- (e) Creates or expands a penalty provision.

If it has been determined by the regular standing committee that such bill is of a noncontroversial nature and meets all consent requirements, the regular standing committee shall report the bill to the Committee on Consent and House Procedure as "Do Pass - Consent". The Committee on Consent and House Procedure may decide by a majority affirmative vote of those present whether to place the bill on the appropriate consent calendar.

(2) *Procedure on House Bills.* If the regular standing committee shall so determine, the appropriate committee report shall include a request that a bill be placed on the House Consent Calendar for Perfection. Any bill so reported shall automatically be referred to the Committee on Consent and House Procedure. Any bill reported by the Committee on Consent and House Procedure with the recommendation that it be placed on the House Consent Calendar for Perfection may be placed on that calendar if the Speaker concurs with the recommendation. If the Speaker does not concur, he or she may place the bill on the Perfection Calendar. After such bill has remained on the House Consent Calendar for Perfection for five legislative days, it shall be ordered perfected and advanced to the House Consent Calendar for Third Reading and Final Passage without further action of the House, unless five members, with at least two from each political party, have filed written objection with the Chief Clerk. If such objections are filed, the bill shall be placed on the House Bills to be Perfected and Printed Calendar. An objection made by five members under this rule cannot be rescinded.

(3) *Senate Bills - Consent.* When the Senate passes a bill by its procedure for consent bills, such bill shall be considered for treatment as a consent bill by the House committee without further request; provided however, that the same committee procedures, votes, and requirements for House Bills being considered for consent shall be applied to Senate Bills being considered for consent. A Senate Bill may be considered by the committee for consent even if it was not a consent bill in the Senate.

(4) *Procedure on Senate Bills.* Senate Bills passed out of the appropriate House regular standing committee and the Committee on Consent and House Procedure with the request that the bill be placed on the Senate Bills for Third Reading and Final Passage - Consent Calendar are subject to the five member objection provision of this rule.

(5) *Deadline for Placing Senate Consent Bills on the Calendar.* No Senate consent bills shall be placed on the consent calendar after April 15.

(6) *Amendments.* House bills may be considered for consent after they are amended in committee but may not be amended on the floor of the House.

Senate consent bills may be amended in committee but not on the floor of the House unless the Senate Rules allow amendment of House consent bills on the floor of the Senate, in which case Senate consent bills may be amended on the floor of the House. House committee amendments to Senate consent bills shall be deemed adopted on the fifth legislative day.

AMENDMENTS AND SUBSTITUTES

Rule 49. (1) *In Writing and Distributed in Advance.*

- (a) Proposed amendments shall be reduced to writing.
- (b) Every amendment shall be distributed in advance of the time the bill is initially taken up for consideration. An amendment shall be considered to have been distributed if it has been either transmitted electronically and made available on each member's chamber laptop computer and a copy in paper form placed on the desk of the Majority Floor Leader and Minority Floor Leader or placed on the members' desks in paper form, except for the desk of any member who has waived receipt of amendments. **An amendment to a House Substitute shall be considered timely if it is distributed prior to the motion being made to adopt the House Substitute.**
- (c) The sponsor of an amendment that has been distributed may make technical corrections at the time the amendment is offered or under consideration. Any technical corrections shall be read in full by the clerk. Technical corrections shall be subject to a point of order that they are not truly technical in nature.
- (d) The sponsor of an amendment shall not otherwise amend his or her own amendment.
- (e) Every proposed amendment to the amendment and substitute amendment may be offered after the time a bill is initially taken up for consideration but shall be distributed prior to the offeror being recognized for a motion on such amendment.
- (f) Amendments shall be prepared by House Research or House Appropriations and filed with the Chief Clerk.

(2) *What Amendments and Substitute Amendments are in Order.* When a bill, motion, or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it also shall be in order to offer a further amendment by way of substitute for the original motion to amend, to which one amendment may be offered. It shall not be in order to offer a substitute amendment to an amendment to an amendment. When an amendment is offered, a substitute for that amendment is offered, and an amendment to the substitute is offered, it shall not be in order to offer a substitute for the amendment to the substitute. Any proposed amendment in the third degree shall be out of order. Any motion to adopt an amendment may be withdrawn by the sponsor before decision thereon. Once a bill has been amended, it shall be in the possession of the House. If a proposed amendment has been defeated, the same amendment shall not be proposed again. An amendment identical to one previously decided on the same bill is not in order, except for amendments to appropriations bills.

(3) *Committee Substitutes Treated as Original.* A House Committee Substitute shall be considered as an original bill for purposes of amendment.

(4) *House Substitute.* No House Substitute will be in order ~~—A House Substitute is an~~ **except those reported from the House Committee on Legislative Review. No House** amendment which, in the opinion of the Speaker, is effectually replacing the underlying bill or committee substitute **will be in order.**

(a) A bill may be sent to the Committee on Legislative Review prior to the adoption of any House Committee Substitute; prior to the bill's perfection, if a House bill; or prior to third reading, if a Senate bill.

(b) A House Substitute shall take the form of an original bill and is subject to floor amendments, except that it shall not be subject to an amendment by a subsequent House Substitute.

(c) Any House Substitute reported from the Committee on Legislative Review shall lie on the calendar at least one legislative day in advance of consideration on the House floor.

(d) A House Substitute reported from the Committee on Legislative Review shall not be offered on the House floor in the form of an amendment.

(5) *When Federal Mandate Bills can be Amended.* Amendments to House and Senate bills—Federal Mandate are permitted only within the scope of the federal mandate. Perfecting amendments are permitted to make technical amendments.

(6) *Appropriations Bills.*

(a) No amendment to the appropriations bills of the state budget shall be in order if it increases the total amount of general revenue or general revenue equivalent appropriated in the House appropriations bills. Any amendment that increases the amount of general revenue or general revenue equivalent appropriated in the House appropriations bills shall be required to be submitted with a separate amendment that makes an equal reduction in general revenue or general revenue equivalent in the same bill or any other of the bills still pending. If the reduction is in another bill, the decreasing amendment shall be taken up first, and the increasing amendment may be taken up only if the decreasing amendment is adopted. When a pair of amendments is submitted, the decreasing amendment shall be required to clearly identify the corresponding increasing amendment.

(b) If a member's decreasing amendment is adopted and the same member's increasing amendment is defeated, the decreasing amendment's adoption is void.

(c) The offering and adoption of an amendment decreasing the amount of general revenue or general revenue equivalent appropriated without a balancing increase creates no right of another member to offer an increasing amendment in any amount up to the amount of the decrease effected by the decreasing amendment, and no member may be recognized for the purpose of making such an amendment.

(d) For the perfection of the House appropriations bills of the state budget only, it shall be permissible to amend any line item as often as the House pleases, as long as prior adopted amendments to the line item are taken into account.

(e) Notwithstanding any rule to the contrary, neither substitute amendments nor amendments to amendments shall be in order for any appropriations bill other than technical corrections under Rule 49(1).

Committee Substitute Printed

Rule 50. When a committee recommends a substitute for a bill, the original bill will accompany the substitute. The substitute shall be handled on the floor of the House by the committee chair or any member designated by the committee chair. The Chief Clerk shall have an appropriate number of copies of the substitute printed. No committee substitute shall be called from the calendar of the House until the printed copies have been distributed for at least one legislative day. Amendments, if any, may be offered to the substitute before the vote on the motion to

adopt the substitute is taken. If the substitute is defeated, the original bill shall be before the House for perfection and shall be considered and shall be handled on the floor by the original sponsor of the bill. **Notwithstanding the provisions of this rule, the Speaker may, at any time, change the House handler of any bill or substitute.**

Order of Amendments

Rule 51. When amendments to any bill, motion, or proposition are pending, they shall be voted on in the following order:

(1) Amendments to the amendment are disposed of before the substitute is taken up. Only one amendment to the amendment is in order at one time; but as rapidly as one is disposed of by rejection or incorporation as a part of the amendment, another is in order as long as any member desires to offer one.

(2) Amendments to the substitute are next voted on, and may be offered, one at a time, and as rapidly as one is disposed of by rejection or incorporation as a part of the substitute amendment, another is in order as long as any member desires to offer one, until the substitute amendment is adopted.

(3) The substitute amendment, as amended, is next voted on. If the substitute amendment is adopted, the underlying amendment to which it was offered shall not be voted upon, but the substitute amendment shall become part of the bill.

(4) The amendment is voted on last. If any substitute has not been agreed to, the vote comes on the amendment as amended.

(5) The House Committee Substitute is next voted upon, after opportunity for amendment. If the House Committee Substitute is adopted, there shall be an additional vote for the perfection of the bill, as amended.

(6) If there is no House Committee Substitute, or if the House Committee Substitute is not adopted, the original House Bill is next voted upon, after opportunity for amendment.

Rule 52. All amendments adopted by the House to a bill originating in the House shall be incorporated in the bill as perfected, and the bill, as thus perfected, shall be printed for the use of the members before its final passage, provided that the bill shall be subject to a titling amendment before the vote on perfection is taken. For purposes of this rule, a titling amendment shall not count against the Rule ~~[88]~~ 87 prohibition on speaking twice on the same question. The perfecting and printing shall be done under the supervision of the Chief Clerk who shall assure that the bill is truly perfected and the printed copies furnished to the members are correct.

~~[Emergency Clauses~~

Any House bill which has been amended on the floor prior to being perfected or any Senate bill which has been amended on the floor prior to being third read and passed to contain an emergency clause shall be automatically referred to the Committee on Fiscal Review to consider whether the emergency clause is appropriate.]~~

When a report is offered for adoption, the point of order that the conferees have exceeded the differences shall be in order. The Speaker may rule on the point of order or may place the question of whether the conferees have exceeded the differences before the House for a vote. A majority of members voting prevails on the question.

Rule [77] 76. Any member may move the previous question. The motion shall be restated by the Speaker in this form: "Shall the question under immediate consideration be now put?". It may be moved like any other question but it shall only prevail when supported by a constitutional majority and until decided shall preclude amendments and debate. If the motion is sustained, the proponent of the matter under consideration shall be allowed one minute in which to make a closing statement before the House votes on the question. HOUSE COMPLAINTS

House Complaint No. 1 was reported by the Committee on Ethics on Dec 16, 2020:

HOUSE ETHICS COMPLAINT NO. 20-001

In the Matter of Representative Wiley Price

REPORT OF THE COMMITTEE ON ETHICS

WHEREON, the Committee on Ethics, of the Missouri House of Representatives, 100th General Assembly, pursuant to Rule 8 of House Committee Substitute for House Resolution 137, reports as follows:

1. On Monday, January 27, 2020, the administrative staff of the House of Representatives received a verbal report of a potential violation of House Policy B-5, which prohibits sexual harassment, and House Policy F-8, which prohibits amorous or romantic relationships between a representative and a House employee or intern. The report involved Representative Wiley Price (Respondent) and a House intern.

2. Immediately upon receiving the verbal report, the Chief Clerk of the House, pursuant to existing policy, retained outside counsel to investigate the complaint. Investigative counsel conducted an investigation of the complaint, which included interviewing the Respondent, intern, Respondent's legislator assistant (Witness 1), and another representative (Witness 2) with whom Respondent shared Witness 1 in a legislator assistant share agreement. The investigator prepared an investigative report, which was received by the House on February 12, 2020, and forwarded to the Committee on Ethics.

3. The investigative report stated that on Thursday, January 23, 2020, Respondent shared with Witness 1 that he had sex with the intern the night before, after Respondent, the intern, Witness 1, and numerous others attended a party at a local bar and grill. The report also alleged that upon learning that he would be subject to an ethics investigation in this matter, Respondent attempted to coerce Witness 1 into being untruthful with the investigator and the Committee in order to cover up the offense.

4. On February 6, 2020, the investigator interviewed Witness 1. Witness 1 provided the investigator a detailed report that was consistent with her initial report to House staff. Witness 1 stated that Respondent shared with Witness 1 that he had sex with the intern. Witness 1 stated that Respondent began harassing her upon learning that she had made the report to House staff as a mandated reporter. Witness 1 stated Respondent told her that he and the intern had agreed to lie and state nothing happened between them, and they had deleted each other's phone numbers and all text messages and calls between them from their phones. The investigator deemed Witness 1 to be credible.

5. On February 9, 2020, the investigator interviewed Witness 2. Witness 2's statements were consistent with the testimony of Witness 1. Witness 2 recalled Witness 1 receiving a phone call from Respondent at their office suite, and Witness 2 recognized Respondent's voice over the phone yelling at Witness 1. The investigator deemed Witness 2 to be credible.

6. On February 10, 2020, the investigator interviewed the intern. The intern denied any romantic or sexual relationship with Respondent. The intern denied speaking with or texting Respondent on her cell phone. The intern denied ever having Respondent's cell phone number. Although initially indicating she would provide a copy of her cell phone records to the investigator, the intern later indicated she did not know how to obtain such records, and that any attempt to acquire such records would alert her mother to the investigation, which the intern did not want to do. The investigator deemed the credibility of the intern to be questionable.

7. On February 10, 2020, the investigator interviewed Respondent. Respondent denied any sexual relationship with the intern. Respondent denied claiming he had a sexual relationship with the intern to anyone, including Witness 1. Respondent stated although he and Witness 1 would have work related "spats" from time to time, they were nothing serious and he had no issues with Witness 1. Respondent stated that he has not called the intern on his cell phone, and that he does not have and has never had her cell phone number. Respondent indicated he would be willing to provide a copy of his cell phone records to confirm this, but stated he was not sure how to obtain the records. The investigator deemed the credibility of Respondent to be questionable.

8. On February 17, 2020, in order to prevent the possibility of further harassment or retaliation against Witness 1, the House completed moving Respondent to a different office complex within the Capitol, and assigned Witness 1 to be a full-time legislator assistant for Witness 2. Respondent offered no substitute legislator assistant, so the House assigned a different current legislator assistant for Respondent.

9. The Committee met on February 20, 2020, and, after reviewing the report from outside counsel, voted (9-0) to proceed to a preliminary hearing.

10. The Committee confirmed that the intern was a current House intern assigned to a representative not related to this matter in January 2020. The intern was invited to testify before the Committee on multiple occasions. However, through her Title IX coordinator, she declined to cooperate with the Committee's investigation. Although the Committee made multiple requests for phone records to the intern, she ultimately failed to supply any records to the Committee.

11. On February 27, 2020, Witness 1 testified before the Committee. The testimony of Witness 1 was consistent with her initial report to House staff and to the investigator. Some of the testimony of Witness 1 is as follows:

a. Witness 1 stated "The next day when he got to work, we went into his office and he closed the door and that's when he told me that he had sex with [the intern] the night before."

b. Witness 1 stated that in the past Respondent had told her on two separate occasions with whom he had previously had sex.

c. Witness 1 stated "[Respondent] told me that he had contacted [the intern] and that he had told her to delete his phone number, delete their text messages, and that she wasn't supposed to contact him anymore."

d. Witness 1 stated that Respondent said "It was consensual. There's nothing wrong with what I did. You're the one that messed up by telling [Witness 2]."

e. Witness 1 stated that Respondent urged her "to say that [Witness 2] misspoke or I misspoke and that he didn't do anything and it was all wrong. And it was my mess and I had to clean it up."

f. Witness 1 stated that Respondent said that "if I didn't back his play or back his idea that I was going to lose my job."

g. Witness 1 stated Respondent told her "where I come from, people die for doing s*** like this", referring to Witness 1 revealing the contents of her conversation with Respondent as a mandated reporter, and Witness 1 not vouching for Respondent's narrative of the events. Witness 1 stated she was afraid of Respondent after this conversation.

The Committee deemed Witness 1 to be credible.

12. On February 27, 2020, Witness 2 testified before the Committee. The testimony of Witness 2 was consistent with the testimony of Witness 1. Witness 2 recalls Witness 1 telling about Respondent and the intern, and that Witness 2 immediately recognized their duty to report as mandated reporters. Witness 2 also recalled Witness 1 receiving a phone call from Respondent at their office suite, and Witness 2 recognized Respondent's voice over the phone yelling at Witness 1 (not on speaker phone). Also, Witness 2 stated that in the past Respondent had told her on two separate occasions with whom he had previously had sex. The Committee carefully examined the testimony of Witness 1 and Witness 2 and found their accounts to be consistent. The Committee finds the testimony of Witness 2 to be credible.

13. After verifying the cellular telephone numbers for Respondent and the intern in use in January 2020, the Committee requested the Speaker issue a subpoena for phone records relating to this matter. The subpoena requested historical transaction detail for the dates of January 22, 2020 through January 27, 2020.

14. The cell phone transaction records received in response to the House subpoena contained seven phone calls and 26 text messages between Respondent and the intern. Some of these communications were initiated by Respondent and some initiated by the intern. The first call originated from Respondent on January 23, 2020 at 12:40 AM. The final communication was a phone call originated by Respondent in the evening of January 26, 2020 lasting 42 minutes. These phone records clearly indicate Respondent and the intern had each other's cell phone numbers and had communicated, which contradicts their testimony to the investigator, and part of Respondent's testimony under oath to the Committee.

15. On September 15, 2020, Respondent provided sworn testimony before the Committee. Respondent was present with counsel, and both counsel and Respondent were given an opportunity to provide a verbal statement to the Committee in addition to Respondent's testimony. Some of Respondent's testimony is as follows:

a. Respondent denied any sexual relationship with the intern.

b. Respondent denied claiming he had a sexual relationship with the intern.

c. Respondent and his counsel initially denied (four times) ever calling or texting the intern. After being shown an excerpt of the phone records the Committee acquired by subpoena, Respondent then claimed he communicated with the intern to see if Witness 1 had made it home safely from a party the three of them had attended on the night in question. Respondent claimed that the part of the investigator's report that stated he said he did not have the intern's cell phone number was false.

d. Respondent testified he switched cell phones and is not certain of the location of the phone he was using in January 2020. Respondent stated he would search for the original phone in his home and provide it to the Committee.

e. Respondent claimed that a week before the alleged sexual encounter with the intern he had given notice to Witness 1 that she was going to be fired within 30 days. This contradicts the testimony of Witness 1 and the investigator's report in which he said he had no serious issues with Witness 1. Respondent claimed Witness 1 fabricated the story of Respondent and the intern as retaliation. When asked, Respondent said he had not told Witness 2 (with whom he shared in a legislator assistant share agreement with Witness 1) that he had given notice to Witness 1; he had not told House administration that he had given notice to Witness 1; and had not documented his issues with Witness 1 or that she had been given notice. Respondent testified that he had arranged for a friend of his from his district to replace Witness 1, but could not recall his name and did not mention him to House administration when they separated Respondent from Witness 1. Respondent testified that the ex-boyfriend of Witness 1 (Witness 3) was

aware that Witness 1 was being fired and "came into my office to save his ex-girlfriend's job." On September 22, 2020, Witness 3 testified before the committee that he was unaware that Witness 1 was to be fired, and that he never spoke to Respondent to save Witness 1's job. The Committee deemed the testimony of Witness 3 to be credible.

Ultimately, Respondent also failed to supply the original cell phone or any phone records that would corroborate his version of the events in response to requests from the Committee. The Committee deemed Respondent to be not credible.

16. At the conclusion of Respondent's testimony, held in closed session before the Committee, a cell phone was discovered on the witness stand that was recording audio. The witness stand had just been vacated by Respondent and his counsel, who had both left the room. The phone had been recording Respondent's testimony, and would have continued recording the Committee's private deliberations. The phone was determined to belong to counsel for the Respondent, who stated he was recording the testimony of Respondent before the Committee. Counsel was not given permission to make a recording, and was in direct violation of House rules providing for the confidentiality of the Committee proceedings. The phone was returned to counsel after the audio file was deleted from the device and counsel stipulated that he would not take any steps to recover or otherwise attempt to use the audio file.

17. House records confirm that Respondent attended the mandatory Preventing Sexual Harassment training with all House members on January 14, 2020, and on March 11, 2019.

18. The Committee finds, based upon the testimony and evidence received by the Committee, that:

a. Respondent misled the House investigator by denying that he had claimed an inappropriate relationship existed between him and the intern to Witness 1 and denied that he had engaged in any cell phone communications whatsoever with the intern;

b. Respondent committed perjury before the Committee on Ethics by denying that he had claimed an inappropriate relationship existed between him and the intern to Witness 1 and denying that he had engaged in any cell phone communications whatsoever with the intern;

c. Respondent intimidated and threatened his legislator assistant in retaliation for performing her duties as a mandated reporter;

d. Respondent obstructed this Committee's investigation by misleading the Committee investigator with regard to his attempts to coerce Witness 1 into changing her testimony;

e. Respondent obstructed this Committee's investigation by committing perjury before the Committee by denying his attempts to coerce Witness 1 into changing her testimony; and

f. Respondent's conduct has compromised the ability of the House to provide a respectful, professional work environment.

19. The Committee finds that Respondent's actions involving both the intern and his legislator assistant, and his conduct before this Committee during its investigation, to constitute ethical misconduct and conduct unbecoming of a state legislator of sufficient severity to warrant censure.

NOW THEREFORE, the Committee on Ethics, having given full consideration to this complaint concludes that the issuance of this report is warranted, and recommends that the House of Representatives consider the following sanctions against the Respondent:

1. Censure by the 100th General Assembly, pursuant to Article III, Section 18, of the Constitution of Missouri;

2. Censure by the 101st General Assembly, pursuant to Article III, Section 18, of the Constitution of Missouri;

3. Payment of \$22,492.25 to the House of Representatives in costs related to the investigation of this complaint; and

Until the House considers a resolution to censure, the following actions should immediately be taken:

4. Respondent shall conduct himself in a manner that respects the commitment of the House to provide a work environment free of sexual harassment to all members, employees, and interns;

5. Respondent shall have no service from or supervision over any intern for the remainder of his membership in the House. Any legislative employee assigned to Respondent for the remainder of his membership in the House shall be under the direct supervision of the Chief Clerk, who should monitor the Respondent's contact with House employees as appropriate;

6. House Speaker and Minority Floor Leader remove Respondent from any committee assignments;

7. House Speaker and Minority Floor Leader withhold from Respondent any of the privileges of office that the Speaker or Minority Floor Leader deem appropriate;

8. Respondent not be allowed to hold any leadership position; and

9. Any other sanctions the House of Representatives deems just and proper under the circumstances.

At the Committee hearing on December 15, 2020, Respondent was given until 1 PM the following day to resign as Representative of the 100th General Assembly and resign as Representative-Elect of the 101st General Assembly. Respondent failed to meet this deadline.

This report was adopted by the Committee by a vote of 10 to 0:

The following House Resolution was referred to the Committee indicated:

HR 7 - Consent and House Procedure

MESSAGES FROM THE GOVERNOR

The following proclamation was received from His Excellency, Governor Michael L. Parson.

GOVERNOR'S PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditure established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly "whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation"; and

WHEREAS, due to a variety of factors, including the three percent reserve that is legally required by section 33.290, RSMo, the rate at which most appropriations are expended is not in "equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation"; and

WHEREAS, Article IV, Section 27.3, provides that the Governor notify the General Assembly "when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based."

NOW THEREFORE, I, Michael L. Parson, GOVERNOR OF THE STATE OF MISSOURI, pursuant to Article IV, Section 27, do hereby make the following notification to the One Hundredth General Assembly of the State of Missouri:

I hereby notify the General Assembly, pursuant to Article IV, Section 27.2 of the Missouri Constitution, that through the first quarter of fiscal year 2021, the rate of expenditure for each of the appropriation lines in the fiscal year 2021 budget attached as Exhibit A is not in equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation.

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that I have taken no action to permanently reduce one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2021 budget.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, this 20th day of October, 2020.

/s/ Michael L. Parson

Benediction by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Look unto Me, and be ye saved, all the ends of the earth: for I am God, and there is no other. (Isaiah 45:22)

O Spirit of God, arise within our hearts and make us ready for the tasks of this session. Help us to turn our thoughts towards You and to open our hearts to Your spirit that we may always be honest in our dealings, understanding in our endeavors, and loving in our relationships.

From this quiet moment of profound prayer may there come a power which will carry us through every governmental experience with courage and with humility.

Bless our people with Your favor, that being mindful of Your spirit we may work together for peace and justice, and all of us vote for the good of all citizens.

And the House says, "Amen!"
