

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

SEVENTY-SECOND DAY, FRIDAY, MAY 14, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord is good unto them that wait for Him, to the soul that seeketh Him. (Lamentations 3:25)

Almighty and All Powerful God, whose love is eternal and whose patience never ends, in all quietness of mind, sincerity of heart and tired bodies, we wait upon You. Fill us with Your Holy Spirit that these final hours may be productive hours and this day a great day. Purify our hearts from every vain and sinful thought and prepare our spirits to live with You and to work for the welfare our beloved state.

Strong in You, may we receive power to have positive thoughts, strength to triumph over evil temptations, a heart to love our fellow citizens, and a mind to do our duty to ourselves, to others, and to You in the People's House.

Grant unto us the confidence to vote "yes" to what is good, the courage to say "no" to what is destructive, and the insight to know the difference. So may Your will be done in us and in all Representatives of this House on this last day.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the seventy-first day was approved as printed by the following vote:

Senate Amendment No. 2

AMEND Senate Substitute for House Bill No. 850, Page 5, Section 115.225, Line 61, by inserting after all of said line the following:

"115.306. 1. No person shall qualify as a candidate for elective public office in the state of Missouri who has been found guilty of or pled guilty to a felony under the federal laws of the United States of America or to a felony under the laws of this state or an offense committed in another state that would be considered a felony in this state.

2. (1) Any person who files as a candidate for election to a public office shall be disqualified from participation in the election for which the candidate has filed if such person is delinquent in the payment of any state income taxes, personal property taxes, municipal taxes, real property taxes on the place of residence, as stated on the declaration of candidacy, or if the person is a past or present corporate officer of any fee office that owes any taxes to the state.

(2) Each potential candidate for election to a public office, except candidates for a county or city committee of a political party, shall file an affidavit with the department of revenue and include a copy of the affidavit with the declaration of candidacy required under section 115.349. Such affidavit shall be in substantially the following form:

AFFIRMATION OF TAX PAYMENTS AND BONDING REQUIREMENTS:

I hereby declare under penalties of perjury that I am not currently aware of any delinquency in the filing or payment of any state income taxes, personal property taxes, municipal taxes, real property taxes on the place of residence, as stated on the declaration of candidacy, or that I am a past or present corporate officer of any fee office that owes any taxes to the state, other than those taxes which may be in dispute. I declare under penalties of perjury that I am not aware of any information that would prohibit me from fulfilling any bonding requirements for the office for which I am filing.

Candidate's Signature

Printed Name of Candidate

(3) Upon receipt of a complaint alleging a delinquency of the candidate in the filing or payment of any state income taxes, personal property taxes, municipal taxes, real property taxes on the place of residence, as stated on the declaration of candidacy, or if the person is a past or present corporate officer of any fee office that owes any taxes to the state, the department of revenue shall investigate such potential candidate to verify the claim contained in the complaint. If the department of revenue finds a positive affirmation to be false, the department shall contact the secretary of state, or the election official who accepted such candidate's declaration of candidacy, and the potential candidate. The department shall notify the candidate of the outstanding tax owed and give the candidate thirty days to remit any such outstanding taxes owed which are not the subject of dispute between the department and the candidate. If the candidate fails to remit such amounts in full within thirty days, the candidate shall be disqualified from participating in the current election and barred from refiling for an entire election cycle even if the individual pays all of the outstanding taxes that were the subject of the complaint.

(4) Any person who files as a candidate for election to a public office that performs county functions in a city not within a county shall provide appropriate copies of paid tax receipts or no tax due statements for each tax listed in subdivision (1) of this subsection that indicate the person has paid all taxes due and is not delinquent in any tax. If available, the election authority shall utilize online databases to verify the candidate's taxes instead of the paper copies provided by the candidate. The election authority shall review such documentation and the affirmation of tax payments required under subdivision (2) of this subsection. The election authority may file a complaint with the department of revenue if there appears to be any delinquency."; and

Further amend the title and enacting clause accordingly.

(3) A local election authority is authorized to develop, maintain, and approve systems that transmit voter registration applications electronically under sections 432.200 to 432.295;

(4) Except as provided in subsection 2 of this section **and section 115.160**, no officer, agency, or organization shall collect or submit a voter registration application with an electronic signature to an election authority without first obtaining approval of the data and signature format from the local election authority and the approval of the voter to collect and store the signature and data; and

(5) Local election authorities who maintain a voter registration application system shall direct voter registration applicants from other jurisdictions to the system used by the local election authority for that jurisdiction to accept voter registration applications electronically.

2. A system maintained by the secretary of state's office shall be used to accept voter registration applications electronically subsequent to approval from the committee formed as set forth in this subsection:

(1) Within thirty days of, but in no event prior to January 1, 2017, the president of the Missouri Association of County Clerks and Election Authorities shall appoint fourteen of its members to serve on a committee to approve and develop uniform standards, systems, and modifications that shall be used by the secretary of state in any electronic voter registration application system offered by that office. In addition, one representative appointed by the secretary of state's office shall serve on the committee;

(2) The committee shall immediately meet to approve electronic signature formats and a minimum set of data collection standards for use in a voter registration application system maintained by the secretary of state;

(3) Once the format and data collection standards are approved by the committee and implemented for the system maintained by the secretary of state, local election authorities shall accept the transmission of voter registration applications submitted to the approved system under the provisions of sections 432.200 to 432.295;

(4) The secretary of state's office shall direct eligible voters to a local election authority's system to accept voter registration applications electronically if the local election authority has a system in place as of August 28, 2016, or implements a system that meets the same standards and format that has been approved by the committee for the secretary of state's system;

(5) The committee shall meet not less than semiannually through June 30, 2019, to recommend and approve changes and enhancements proposed by the secretary of state or election authorities to the electronic voter registration application system. Vacancies that occur on the committee shall be filled by the president of the Missouri Association of County Clerks and Election Authorities at the time of the vacancy;

(6) To improve the accuracy of voter registration application data and reduce costs for local election authorities, the system maintained by the secretary of state shall, as soon as is practical, provide a method where the data entered by the voter registration applicant does not have to be re-entered by the election authority to the state voter registration database.

3. Each applicant who registers using an approved electronic voter registration application system shall be deemed to be registered as of the date the signed application is submitted to the system, if such application is accepted and not rejected by the election authority and the verification notice required under section 115.155 is not returned as undeliverable by the postal service.

4. This section shall not apply to voter registration and absentee records submitted by voters authorized under federal law, section 115.291, or sections 115.900 to 115.936 to submit electronic records and signatures.

7. ~~[Notwithstanding the provisions of section 432.230]~~ **Except as provided under sections 115.160 and 432.230**, nothing in this section shall require the election authority to accept voter registration records or signatures created, generated, sent, communicated, received, stored, or otherwise processed, or used by electronic means or in electronic form from any officer, agency, or organization not authorized under subsection 2 of this section without prior approval from the election authority. **Election authorities shall accept and process voter registration records, including electronic images of applicant signatures, transmitted electronically by the division of motor vehicle and drivers licensing of the department of revenue under section 115.160.** Except as provided in

subsection 2 of this section **and section 115.160**, no officer, agency, or organization shall give the voter the opportunity to submit a voter registration application with an electronic signature without first obtaining the approval of the local election authority.

8. An election authority that agrees to conduct a transaction by electronic means may refuse to conduct other transactions by electronic means.

9. No election authority or the secretary of state shall furnish to any member of the public any data collected under a voter registration application system except as authorized in subsections 1 to 5 of section 115.157.

10. Nothing in this section shall be construed to require the secretary of state to cease operating a voter registration application in place as of the effective date of this act."; and

Further amend the title and enacting clause accordingly.

AMEND House Committee Substitute for Senate Bill No. 323, Page 5, Section 160.263, Line 148, by inserting after all of said section the following:

"160.545. 1. There is hereby established within the department of elementary and secondary education the "A+ Schools Program" to be administered by the commissioner of education. The program shall consist of grant awards made to public secondary schools that demonstrate a commitment to ensure that:

- (1) All students be graduated from school;
- (2) All students complete a selection of high school studies that is challenging and for which there are identified learning expectations; and
- (3) All students:
 - (a) Earn credits toward any type of college degree while in high school; or
 - (b) Proceed from high school graduation to a college or postsecondary vocational or technical school or high-wage job with work place skill development opportunities.

2. The state board of education shall promulgate rules and regulations for the approval of grants made under the program to schools that:

- (1) Establish measurable districtwide performance standards for the goals of the program outlined in subsection 1 of this section; and
- (2) Specify the knowledge, skills and competencies, in measurable terms, that students must demonstrate to successfully complete any individual course offered by the school, and any course of studies ~~[which]~~ **that** will qualify a student for graduation from the school; and
- (3) Do not offer a general track of courses that, upon completion, can lead to a high school diploma; and
- (4) Require rigorous coursework with standards of competency in basic academic subjects for students pursuing vocational and technical education as prescribed by rule and regulation of the state board of education; and
- (5) Have a partnership plan developed in cooperation and with the advice of local business persons, labor leaders, parents, and representatives of college and postsecondary vocational and technical school representatives, with the plan then approved by the local board of education. The plan shall specify a mechanism to receive information on an annual basis from those who developed the plan in addition to senior citizens, community leaders, and teachers to update the plan in order to best meet the goals of the program as provided in subsection 1 of this section. Further, the plan shall detail the procedures used in the school to identify students that may drop out of school and the intervention services to be used to meet the needs of such students. The plan shall outline counseling and mentoring services provided to students who will enter the work force upon graduation from high school, address apprenticeship and intern programs, and shall contain procedures for the recruitment of volunteers from the community of the school to serve in schools receiving program grants.

3. Any nonpublic school in this state may apply to the state board of education for certification that it meets the requirements of this section subject to the same criteria as public high schools. Every nonpublic school that applies and has met the requirements of this section shall have its students eligible for reimbursement of postsecondary education under subsection 8 of this section on an equal basis to students who graduate from public schools that meet the requirements of this section. Any nonpublic school that applies shall not be eligible for any grants under this section. Students of certified nonpublic schools shall be eligible for reimbursement of postsecondary education under subsection 8 of this section so long as they meet the other requirements of such subsection. For purposes of subdivision (5) of subsection 2 of this section, the nonpublic school shall be included in the partnership plan developed by the public school district in which the nonpublic school is located. For purposes of subdivision (1) of subsection 2 of this section, the nonpublic school shall establish measurable performance standards for the goals of the program for every school and grade level over which the nonpublic school maintains control.

4. A school district may participate in the program irrespective of its accreditation classification by the state board of education, provided it meets all other requirements.

5. By rule and regulation, the state board of education may determine a local school district variable fund match requirement in order for a school or schools in the district to receive a grant under the program. However, no school in any district shall receive a grant under the program unless the district designates a salaried employee to serve as the program coordinator, with the district assuming a minimum of one-half the cost of the salary and other benefits provided to the coordinator. Further, no school in any district shall receive a grant under the program unless the district makes available facilities and services for adult literacy training as specified by rule of the state board of education.

6. For any school that meets the requirements for the approval of the grants authorized by this section and specified in subsection 2 of this section for three successive school years, by August first following the third such school year, the commissioner of education shall present a plan to the superintendent of the school district in which such school is located for the waiver of rules and regulations to promote flexibility in the operations of the school and to enhance and encourage efficiency in the delivery of instructional services in the school. The provisions of other law to the contrary notwithstanding, the plan presented to the superintendent shall provide a summary waiver, with no conditions, for the pupil testing requirements pursuant to section 160.257 in the school. Further, the provisions of other law to the contrary notwithstanding, the plan shall detail a means for the waiver of requirements otherwise imposed on the school related to the authority of the state board of education to classify school districts pursuant to subdivision (9) of section 161.092 and such other rules and regulations as determined by the commissioner of education, except such waivers shall be confined to the school and not other schools in the school district unless such other schools meet the requirements of this subsection. However, any waiver provided to any school as outlined in this subsection shall be void on June thirtieth of any school year in which the school fails to meet the requirements for the approval of the grants authorized by this section as specified in subsection 2 of this section.

7. For any school year, grants authorized by subsections 1, 2, and 5 of this section shall be funded with the amount appropriated for this program, less those funds necessary to reimburse eligible students pursuant to subsection 8 or 9 of this section.

8. The department of higher education and workforce development shall, by rule, establish a procedure for the reimbursement of the cost of tuition, books and fees to any public community college or vocational or technical school or within the limits established in subsection 11 of this section for any two-year private vocational or technical school for any student:

(1) Who has attended a high school in the state for at least two years that meets the requirements of subsection 2 of this section and who has graduated from such a school; except that, students who are active duty military dependents, and students who are dependents of retired military who relocate to Missouri within one year of the date of the parent's retirement from active duty who meet all other requirements of this subsection and are attending a school that meets the requirements of subsection 2 of this section shall be exempt from the two-year attendance requirement of this subdivision; and

(2) Who has made a good faith effort to first secure all available federal sources of funding that could be applied to the reimbursement described in this subsection; and

(3) Who has earned a minimal grade average while in high school or through the semester immediately before taking the course for which reimbursement is sought as determined by rule of the department of higher education and workforce development, and other requirements for the reimbursement authorized by this subsection as determined by rule and regulation of the department. **When determining whether a student has earned a minimal grade average in the 2019-20 or 2020-21 school years for purposes of this subdivision, the department shall apply the student's highest available high school grade average so that the student is not adversely affected by any negative change in the student's academic performance directly caused by the coronavirus named SARS-CoV-2, the international outbreak of respiratory disease named "coronavirus disease 2019" and abbreviated as "COVID-19", or any changes in methods of instruction implemented by the student's school district because of COVID-19. Any rule establishing a requirement that a student obtain a certain algebra end-of-course examination score or other applicable standardized test score, as determined by the department, shall not apply to a high school senior graduating in the 2020-21 school year; and**

(4) Who is a citizen or permanent resident of the United States.

9. The department of higher education and workforce development shall, by rule, establish a procedure for the reimbursement of the cost of tuition, and fees for any dual-credit or dual-enrollment course offered to a student

in high school in association with an institution of higher education or vocational or technical school, subject to the requirements of subsection 11 of this section, for any student who meets the requirements established in subsection 8 of this section immediately before taking the course for which reimbursement is sought.

10. The commissioner of education shall develop a procedure for evaluating the effectiveness of the program described in this section. Such evaluation shall be conducted annually with the results of the evaluation provided to the governor, speaker of the house, and president pro tempore of the senate.

11. For a two-year private vocational or technical school to obtain reimbursements under subsection 8 or 9 of this section, the following requirements shall be satisfied:

(1) Such two-year private vocational or technical school shall be a member of the North Central Association and be accredited by the Higher Learning Commission as of July 1, 2008, and maintain such accreditation;

(3) No two-year private vocational or technical school shall receive tuition reimbursements in excess of the tuition rate charged by a public community college for course work offered by the private vocational or technical school within the service area of such college; and

(4) The reimbursements provided to any two-year private vocational or technical school shall not violate the provisions of Article IX, Section 8, or Article I, Section 7, of the Missouri Constitution or the first amendment of the United States Constitution.

12. The department of higher education and workforce development shall distribute reimbursements in the following manner:

(1) To community college or vocational or technical school students;

(2) After all students from subdivision (1) of this subsection have been reimbursed, to any dual-credit or dual-enrollment student on the basis of financial need."; and

HOUSE RESOLUTIONS

Representative Deaton offered House Resolution No. 2163, which was read.

House Resolution No. 2163

WHEREAS, It is May so that can only mean one thing
The end of Session at the conclusion of Spring
The time is nigh for us to say our goodbyes
To take a long breath and release a deep sigh; and

WHEREAS, Our work is done; another session complete
The Gentleman from Carthage constructed a budgetary feat
We passed that budget - \$35 billion strong
Medicaid expansion just didn't belong; and

WHEREAS, Resolutions were drafted; bills heard and debated
Some we liked; while others we hated.
Yes, house bill after house bill passed this great chamber
Just to go to the Senate to falter and languor; and

WHEREAS, Our work continued as we heard Senate bills
That mostly left me with a severe case of chills!
Some were a gas; others a tax
in the case of one; we found both - a gas tax; and

WHEREAS, The challenges have been many for us this year
Let's try to reflect without crying in fear
As we close this year, it's time now for Sine Die
We look forward to casting our one final "aye"; and

WHEREAS, As I conclude let me wish you only the best
Travel safely home, enjoy your family and rest;
Speaker Pro Tem Wiemann says it so well,
"Mr. Clerk please ring the board and open the bell.";

NOW THEREFORE BE IT RESOLVED that we, the members of the Missouri House of Representatives, One Hundred First General Assembly, First Regular Session, hereby expressing our sincerest thanks and deepest appreciation to our Legislative Assistants and the staff of the Missouri House of Representatives for their devoted and faithful service to this body and further extend our very best wishes for health and happiness throughout the rest of the year; and

The Benediction was given by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord is just in all His ways, and kind in all His doings. (Psalm 145:17)

O God, our Creator, to whom all hearts are open, all desires known, and from whom no secrets are hidden, cleanse us as we, this moment, wait upon You in humility. And as we prepare ourselves to depart from this House, bless us with graces to recognize Your Spirit within us and to learn from all You have taught us. Let us not yield to the temptations of the world, but with strength in You, may we reflect on our past experiences this year with gratitude.
