

COMMITTEE OF ORIGIN: Standing Committee on General Laws

The bill establishes the "Second Amendment Preservation Act", which:

(1) Declares that laws, rules, orders, or other actions which restrict or prohibit the manufacture, ownership, and use of firearms, firearm accessories, or ammunition exclusively within this state exceed the powers granted to the federal government except to the extent they are necessary and proper for governing and regulating land and naval forces of the United States or for organizing, arming, and disciplining militia forces actively employed in the service of the United States Armed Forces;

(2) Declares that all federal acts, laws, executive orders, administrative orders, court orders, rules, and regulations, whether past, present, or future, that infringe on the people's right to keep and bear arms as guaranteed by the Second Amendment to the United States Constitution and Article I, Section 23 of the Missouri Constitution must be invalid in this state, including those that impose a tax, levy, fee, or stamp on these items as specified in the bill; require the registration or tracking of these items or their owners; prohibit the possession, ownership, use, or transfer of a firearm; or order the confiscation of these items;

(3) Declares that it must be the duty of the courts and law enforcement agencies to protect the rights of law-abiding citizens to keep and bear arms and that no person, including a public officer or state employee of this state or any political subdivision of this state, can have authority to enforce or attempt to enforce any federal laws, orders, or rules infringing on the right to keep and bear arms; and

(4) Specifies that any entity or person who knowingly acts under the color of any federal or state law to deprive a Missouri citizen of the rights or privileges ensured by the federal and state constitutions to keep and bear arms must be liable to the injured party for redress. Reasonable attorney fees and costs may be awarded to the prevailing party with specified exceptions. The employer of the individual who is found liable is responsible for the civil penalty, attorney's fees, and court costs associated with the litigation if the individual is found to have violated this act. Government entities may not recover under this act. Qualified immunity shall not be a defense.
