

HB 160 -- COMPENSATION OF JURORS

SPONSOR: Veit

This bill specifies that, except in Greene County, the County Commission in any county may vote to restructure juror compensation so that grand and petit jurors do not get paid for the first two days of service but thereafter will receive \$50 per day, as well as \$0.07 per mile for necessary travel from the juror's residence to the courthouse and back, to be paid by the county.

In Greene County, this pay structure is set by current law.

This bill is the same as HB 2426 (2020).
