

HB 270 -- BEHAVIORAL CRISIS GRANT PROGRAM

SPONSOR: Quade

This bill establishes the "Behavioral Crisis Grant Program" within the Department of Mental Health to give grants to nonprofit organizations to offer crisis care programs. To be eligible for a grant, the program must provide health care, mental health care, or other services and support for people with behavioral health issues. Additionally, the program must provide a crisis phone line, residential facility, or a referral program.

This bill is similar to HB 63 (2020 1st Extraordinary Session).
