

HB 415 -- EARLY VOTING

SPONSOR: Price IV

This bill creates an early voting period and regulations for additional satellite voting sites based on population size. Voting may be conducted in-person or by mail during the early voting period and procedures for election administration are specified in the bill. The early voting period begins the sixth Tuesday prior to election day and a voter may vote in advance without stating an excuse.

This bill is the same as HB 1398 (2020).
