

HB 561 -- IMPORTED PET FOOD
SPONSOR: Derges

This bill establishes "Ruby's Law", which specifies that a person licensed to manufacture or distribute pet food or specialty pet food in the state must place a warning on any food imported from, containing ingredients imported from, or produced in a foreign country. The warning must read "WARNING: Use of this product may cause serious injury to or the death of your pet.". Any person who does not place the required warning is guilty of a misdemeanor and may be subject to an administrative or civil penalty.
