

HB 740 -- PRIVATE SECURITY PROFESSIONALS

SPONSOR: Ellebracht

This bill provides new definitions for "private security professional" and "private security services" and requires all private security professionals to register with the Division of Professional Registration within the Department of Commerce and Insurance. To be eligible for registration an applicant must be certified under the peace officer standards and training requirements (POST) in Chapter 590, RSMo., and provide proof of a bond or surety as determined by the Division. Registration is for a one-year term and renewable as outlined in the bill.
