

HB 778 -- TIMELY APPOINTMENTS TO VACANT POSITIONS

SPONSOR: Bailey

This bill provides that an appointment of a county department director in certain charter counties with more than 950,000 inhabitants must be voted upon within 120 days of the appointment or, if a new term starts during the 120-day period, then within 120 days after the start of the new term.

The only charter county to which this provision will apply on the effective date is St. Louis County.
