

HB 781 -- ADMINISTRATIVE RULES AND REGULATIONS

SPONSOR: Davidson

This bill requires that any rule or regulation created after June 30, 2022, have an automatic sunset date four years after it is approved. Any rule or regulation reviewed under this requirement after June 30, 2022, will have an automatic sunset date four years after the review is completed and the required report is filed. Permanent rules and regulations may be established by action of the General Assembly.
