

HB 1022 -- PROTECTION OF HEALTH CARE WORKERS

SPONSOR: Hill

This bill creates the offense of interference with a health care facility and the offense of interference with an ambulance service. A person commits the offense of interference with a health care facility if the person acts alone or with someone else to willfully or recklessly interfere with access to or from a health care facility or willfully or recklessly commits any of the acts specified in the bill. A person commits the offense of interference with an ambulance service if the person acts alone or with someone else to willfully or recklessly interfere with access to or from an ambulance or willfully or recklessly disrupt any ambulance service by committing any of the acts specified in the bill. The offense of interfering with a health care facility or an ambulance service is a class D misdemeanor for a first offense and a class C misdemeanor for a second or subsequent offense.

This bill is similar to HB 1753 (2020).
