

HB 1327 -- ELECTIONS

SPONSOR: Toalson Reisch

This bill authorizes the Missouri Secretary of State to conduct discretionary audits of election authority lists of registered voters. Five days notice of an audit must be provided. Audits shall verify that registered voters are alive and reside within the appropriate jurisdiction and are entitled to vote. The Secretary of State may instruct the removal of unqualified voters and conduct a second audit of the list to verify compliance by an election authority. The Secretary of State may withhold funds from an election authority for noncompliance.
