

HCS HJRS 20, 2, 9 & 27 -- CONSTITUTIONAL AMENDMENTS

COMMITTEE OF ORIGIN: Standing Committee on Elections and Elected Officials

Upon voter approval, this proposed Constitutional amendment would require an amendment to the state constitution to achieve a two-thirds supermajority vote for passage. Amendments referred by the General Assembly will take effect 30 days after the election if approved.

The resolution specifies that the constitutional phrase "legal voter" is defined as an individual who is a citizen of the United States, a resident of Missouri, and who is properly registered to vote.

The resolution also requires petition signatures to place a measure on the ballot as a constitutional amendment to be collected in each congressional district using a percentage requirement of 10%.

The resolution contains ballot language submitted to the voters under Chapter 116, RSMo.
