

HJR 34 -- GENERAL ASSEMBLY DISTRICTS

SPONSOR: Fitzwater

Upon voter approval, this proposed Constitutional amendment would create a four to one ratio of House districts to Senate districts with equal population districts and three House districts drawn within each Senate district. The existing criteria for redistricting and the number of Senators will remain unchanged. The number of House districts will be 136.

The amendment will go into effect January 1, 2030.

This resolution is similar to HJR 41 (2019).
