Hello my name is Joe Loyd I would like to testify in favor of the right to hunt and fish legislation. I live in an area that hunting and fishing are more than just recreational they are a way of life. But for many it is a food source they have become to depend on. Because we are in a high poverty region many families would go hungry if it weren't for the basic right to hunt and fish. I we to loose these rights it would make it very hard for many people in my region to get the protein sources that they have come to depend on. Thank you for your time and consideration. Joe Loyd Reynolds County Presiding Commissioner.

We believe the Missouri Department of Natural Resources should help all permit applicants through the process, especially small businesses that are the subject of this bill.
