Missouri NEA Testimony on HB 828 to the House Pensions Committee March 24, 2021 Otto Fajen, MNEA Legislative Director The Association appreciates the opportunity to present written testimony regarding HB 828. The Association supports the bill. The bill reestablishes the 2.55 percent benefit factor for PSRS members with 31 or more years of service. This bill would save the system money over the long haul while still providing an incentive for experienced teachers to continue teaching for another year. On behalf of the Association, I thank you for the opportunity to offer our testimony on this bill. Otto Fajen MNEA Legislative Director
