FISCAL ANALYSIS

ASSUMPTION

Officials from the **Attorney General's Office (AGO)** assume that any additional litigation costs arising from this proposal can be absorbed with existing personnel and resources, however, the AGO may seek additional appropriations if there is a significant increase in litigation.

Officials from the **Office of the Secretary of State** assume the proposal will have no fiscal impact on their organization.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight assumes there will not be a material amount of moneys collected into the Merchandising Practices Revolving Fund (§407.140) from violations of this new section (see §407.1675.4), as enforced by the AGO. Therefore, Oversight will not reflect a fiscal impact to that fund.
