6. All members of the board shall serve without compensation and shall be reimbursed from the administrative fund for necessary travel expenses incurred in carrying out the duties of the board.

7. A majority of the voting members of the board shall constitute a quorum for the transaction of business.

285.1010. 1. The board, subject to the authority granted under sections 285.1000 to 285.1055, shall design, develop, and implement the plan, and to that end, may conduct market, legal, and feasibility analyses.

2. The members of the board shall be fiduciaries of the plan under ERISA, and the board shall have the following powers, authorities, and duties:

(1) To establish, implement, and maintain the plan, in each case acting on behalf of the state of Missouri, including, in its discretion, more than one plan;

(2) To cause the plan, trust, and arrangements and accounts established under the plan to be designed, established, and operated:

(a) In accordance with best practices for retirement savings vehicles;

(b) To encourage participation, saving, sound investment practices, and appropriate selection of default investments;

(c) To maximize simplicity and ease of administration for eligible employers;

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void;

(6) To arrange for and facilitate compliance by the plan or arrangements established thereunder with all applicable requirements for the plan under the Internal Revenue Code, ERISA, and any other applicable federal or Missouri law and accounting requirements, and to provide or arrange for assistance to eligible employers, eligible employees, and self-employed individuals in complying with applicable law and tax-related requirements in a cost-effective manner. The board may establish any processes deemed reasonably necessary or advisable to verify whether a person or entity is an eligible employer, including reference to online data and possible use of questions in employer tax filings;

(7) To employ or retain a plan administrator; executive director; staff; trustee; record-keeper; investment managers; investment advisors; and other administrative, professional, and expert advisors and service providers, none of whom shall be members of the board and all of whom shall serve at the pleasure of the board, which shall determine their duties and compensation. classes, such as target date and balanced funds;

(b) To seek to minimize participant fees and expenses of investment and
administration;

risk, consistent with the investment objectives under the investment policy. The
investment options may encompass a range of risk and return opportunities and allow
for a rate of return commensurate with an appropriate level of risk in view of the
investment objectives under the policy. The menu of investment options shall be
determined taking into account the nature and objectives of the plan, the desirability of
limiting investment choices under the plan to a reasonable number, based on behavioral
research findings, and the extensive investment choices available to participants in the
event that funds roll over to an individual retirement account (IRA) outside the
program; and

(d) In accordance with subdivision (7) of this subsection, the board, to the extent
it deems necessary or advisable, in carrying out its responsibilities and exercising its
powers under sections 285.1000 to 285.1055, shall employ or retain appropriate entities
or personnel to assist or advise it or to whom to delegate the carrying out of such
responsibilities and exercising of such powers;

their duties with respect to the plan solely in the interests of the participants as follows:

(a) For the exclusive purpose of providing benefits to participants and defraying
reasonable expenses of administering the plan; and

prevailing that a prudent person acting in a like capacity and familiar with those
matters would use in the conduct of an enterprise of a like character and with like aims;
(12) To cause expenses incurred to initiate, implement, maintain, and administer the plan to be paid from contributions to, or investment returns or assets of the plan or other moneys collected by or for the plan or pursuant to arrangements established under the plan to the extent permitted under federal and Missouri law;

(21) To indemnify, including procurement of insurance as needed for this purpose, each member of the board from personal loss or liability resulting from a member’s action or inaction as a member of the board and as a fiduciary;

(22) To collaborate with and evaluate the role of financial advisors or other financial professionals, including in assisting and providing guidance for covered employees; and

(23) To carry out the powers and duties of the program under sections 285.1000 to 285.1055 and exercise any and all other powers as are appropriate to effect the purposes, objectives, and provisions of such sections pertaining to the program.

3. A board member, program administrator, or other staff of the board shall not:

(1) Directly or indirectly, have any interest in the making of any investment under the program or in any gains or profits accruing from any such investment;

285.1015. 1. The board shall, consistent with federal law and regulation, adopt and implement the plan, which shall remain in compliance with federal law and regulations once implemented and shall be called the "Missouri Workplace Retirement Savings Plan".

2. In accordance with terms and conditions specified and regulations promulgated by the board, the plan shall:

(1) Be set forth in documents prescribing the terms and conditions of the plan;

(2) Be available on a voluntary basis to eligible employers and self-employed individuals;

(7) Allow voluntary employer contributions;

(8) Be overseen by the board and its designees;

(9) Be administered and managed by one or more trustees, other fiduciaries, custodians, third-party administrators, investment managers, record-keepers, or other service providers;
An eligible employee may opt-in to contribute a minimum of one percent or any percentage, up to the maximum, in increments of one-half of one percent, of his or her salary or wages to the plan, or may at a later date elect to opt out of the plan or may contribute at a higher or lower rate, expressed as a percentage of salary or wages;

Provide on a uniform basis, if and when the board so determines, in its discretion, for an increase of each participant's contribution rate, by a minimum increment of one-half of one percent of salary or wages per year, for each additional year the participant is employed or is participating in the plan up to the maximum percentage of such participant's salary or wages that may be contributed to the plan under federal law. Any such increases shall apply to participants, as determined by the board, by default or only if initiated by affirmative participant election;

Provide for direct deposit of contributions into investments under the plan. To the extent consistent with ERISA, the investment alternatives under the plan shall be limited to an automatic investment for participants who do not actively and affirmatively elect a particular investment option, which unless the board provides otherwise, shall be a diversified target date fund, including a series of such diversified funds to apply to different participants depending on their choice or their target retirement dates, a principal-protected option, and up to four additional investment alternatives as may be selected by the board in its discretion. To the extent consistent with ERISA, the investment options may, at the discretion of the board, include a principal-protection fund as a temporary "security corridor" option that applies as the sole initial investment before participants may choose other investments or as the initial default investment for a specified period of time or up to a specified dollar amount of contributions or account balance;

When possible and practicable, use existing employer and public infrastructure to facilitate contributions, record keeping, and outreach and use pooled or collective investment arrangements;

Be designed and implemented in a manner consistent with federal law to the extent that it applies;
(18) Make provisions for the participation in the plan of individuals who are not employees, if allowed under federal law;
(19) Establish rules and procedures governing the distribution of funds from the plan, including such distributions as may be permitted or required by the plan and any applicable provisions of ERISA, the tax-qualification rules, and the other tax laws, with the objectives of maximizing financial security in retirement, protecting spousal rights, and assisting participants to effectively manage the decumulation of their savings and to receive payment of their benefits under the plan. The board shall have the authority, in its discretion, to provide for one or more reasonably priced distribution options to provide a source of fixed regular retirement income, including income for life or for the participant's life expectancy, or for joint lives and life expectancies, as applicable;
(20) Establish rules and procedures promoting portability of benefits, including the ability to make tax-free roll-overs or transfers to and from the plan, provided that any roll-over is initiated by participants; and
(21) Encourage choices by employers in the state to adopt a specified tax-favored retirement plan, including the plan.

285.1020. The board shall adopt rules to implement the plan that:
(1) Establish the processes for enrollment and contributions under the plan, including withholding by participating employers of employee payroll deduction contributions from wages and remittance for deposit to the plan; voluntary contributions by others, including self-employed individuals and independent contractors, through payroll deduction or otherwise; the making of default contributions using default investments; and participant selection of alternative contribution rates or amounts and alternative investments from among the options offered under the plan;
(2) Conduct outreach to individuals, employers, other stakeholders, and the public regarding the plan. The rules shall specify the contents, frequency, timing, and means of required disclosures from the plan to eligible employees, participants, and self-employed individuals, eligible employers, participating employers, and other interested parties. These disclosures shall include, but not be limited to:

(e) A disclaimer that employees seeking tax, investment, or other financial advice should contact appropriate professional advisors, and that participating employers are not in a position to provide such advice and are not liable for decisions individuals make in relation to the plan;

(f) The potential implications of account balances under the plan for the application of asset limits under certain public assistance programs;

(g) A disclaimer that the account owner is solely responsible for investment performance, including market gains and losses, and that plan accounts and rates of return are not guaranteed by any employer, the state, the board, any board member or state official, or the plan;

(h) Any additional information about retirement and saving and other information designed to promote financial literacy and capability, which may take the form of links to, or explanations of how to obtain, such information; and

(i) Instructions on how to obtain additional information about the plan; and

(3) Ensure that the assets of the trust and plan shall at all times be preserved, invested, and expended only for the purposes set forth in sections 285.1000 to 285.1055, and that no property rights therein shall exist in favor of the state, except as provided under section 285.1045.

(5) The plan design or the benefits paid to participants; or

(6) Any loss, failure to realize any gain, or any other adverse consequences, including without limitation any adverse tax consequences or loss of favorable tax treatment, public assistance, or other benefits, incurred by any person as a result of participating in the plan.

285.1030. 1. The state of Missouri; the board; each member of the board; any other state official, state board, commission, and agency; any member, officer, and employee thereof; and the plan:
(1) Shall not guarantee any interest rate or other rate of return on or investment performance of any contribution or account balance; and

(2) Shall not be liable or responsible for any loss, deficiency, failure to realize any gain, or any other adverse consequences, including without limitation any adverse tax consequences or loss of favorable tax treatment, public assistance, or other benefits, incurred by any person as a result of participating in the plan.

2. The debts, contracts, and obligations of the plan or the board are not the debts, contracts, and obligations of the state, and neither the faith and credit nor the taxing power of the state is pledged directly or indirectly to the payment of the debts, contracts, and obligations of the plan or the board.

3. Nothing in sections 285.1000 to 285.1055 shall be construed to guarantee any interest rate or other rate of return on or investment performance of any contribution or account balance.

285.1035. 1. Individual account information relating to accounts under the plan and relating to individual participants including, but not limited to, names, addresses, telephone numbers, email addresses, personal identification information, investments, contributions, and earnings shall be confidential and shall be maintained as confidential, provided that such information may be disclosed:

(1) To the extent necessary to administer the plan in a manner consistent with sections 285.1000 to 285.1055, ERISA, the Internal Revenue Code, or any other federal or Missouri law; or

(2) If the individual who provides the information or who is the subject of the information expressly agrees in writing to the disclosure of the information.

2. Information required to be confidential under subsection 1 of this section shall be considered a "closed record" as that term is defined in section 610.010.

285.1040. The board may enter into an intergovernmental agreement or memorandum of understanding with the state of Missouri and any agency thereof to receive outreach, technical assistance, enforcement and compliance services, collection or dissemination of information pertinent to the plan, subject to such obligations of confidentiality as may be agreed or required by law, or other services or assistance. The state of Missouri and any agency thereof that enters into such agreements or memoranda of understanding shall collaborate to provide the outreach, assistance, information, and compliance or other services or assistance to the board. The memoranda of understanding may cover the sharing of costs incurred in gathering and disseminating information and the reimbursement of costs for any enforcement activities or assistance.
285.1045. 1. There is hereby created in the state treasury the "Missouri Workplace Retirement Savings Administrative Fund", which shall consist of moneys collected under this section. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. Subject to appropriation, moneys in the fund shall be distributed by the state treasurer solely for the administration of sections 285.1000 to 285.1055.

2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The Missouri workplace retirement savings administrative fund shall consist of:

   (1) Moneys appropriated to the administrative fund by the general assembly;

   (2) Moneys transferred to the administrative fund from the federal government, other state agencies, or local governments;

   (3) Moneys from the payment of application, account, administrative, or other fees and the payment of other moneys due to the board;

   (4) Any gifts, donations, or grants made to the state of Missouri for deposit in the administrative fund;

   (5) Moneys collected for the administrative fund from contributions to, or investment returns or assets of, the plan or other moneys collected by or for the plan or pursuant to arrangements established under the plan to the extent permitted under federal and Missouri law; and

   (6) Earnings on moneys in the administrative fund.

5. To the extent consistent with ERISA, the tax qualification rules, and other federal law; the board shall accept any grants, gifts, appropriations, or other moneys from the state; any unit of federal, state, or local government; or any other person, firm, partnership, corporation, or other entity solely for deposit into the administrative fund, whether for investment or administrative expenses.

6. To enable or facilitate the start-up and continuing operation, maintenance, administration, and management of the program until the plan accumulates sufficient balances and can generate sufficient funding through fees assessed on program accounts for the plan to become financially self-sustaining:

   (1) The board may borrow from the state of Missouri; any unit of federal, state, or local government; or any other person, firm, partnership, corporation, or other entity
working capital funds and other funds as may be necessary for this purpose, provided
that such funds are borrowed in the name of the plan and board only and that any such
borrowings shall be payable solely from the revenues of the plan; and

(2) The board may enter into long-term procurement contracts with one or more
financial providers that provide a fee structure that would assist the plan in avoiding or
minimizing the need to borrow or to rely upon general assets of the state.

7. Subject to appropriation, the state of Missouri may pay administrative costs
associated with the creation, maintenance, operation, and management of the plan and
trust until sufficient assets are available in the administrative fund for that purpose.
Thereafter, all administrative costs of the administrative fund, including any repayment
of start-up funds provided by the state of Missouri, shall be repaid only out of moneys
on deposit therein. However, private funds or federal funding received in order to
implement the program until the administrative fund is self-sustaining shall not be
repaid unless those funds were offered contingent upon the promise of such repayment.

8. The board may use the moneys in the administrative fund solely to pay the
administrative costs and expenses of the plan and the administrative costs and expenses
the board incurs in the performance of its duties under sections 285.1000 to 285.1055.

285.1050. 1. The board shall keep an accurate account of all the activities,
operations, receipts, and expenditures of the plan, the trust, and the board. Each year, a
full audit of the books and accounts of the board pertaining to those activities,
operations, receipts and expenditures, personnel, services, or facilities shall be
conducted by a certified public accountant and shall include, but not be limited to,
direct and indirect costs attributable to the use of outside consultants, independent
contractors, and any other persons who are not state employees for the administration
of the plan. For the purposes of the audit, the auditors shall have access to the
properties and records of the plan and board and may prescribe methods of accounting
and the rendering of periodic reports in relation to projects undertaken by the plan.

2. By August first of each year, the board shall submit to the governor, the state
treasurer, the president pro tempore of the senate, and the speaker of the house of
representatives a public report on the operation of the plan and trust and activities of
the board, including an audited financial report, prepared in accordance with generally
accepted accounting principles, detailing the activities, operations, receipts, and
expenditures of the plan and board during the preceding calendar year. The report
shall also include a summary of the benefits provided by the plan, the number of
participants, the names of the participating employers, the contribution formulas and
amounts of contributions made by participants and by each participating employer, the
withdrawals, the account balances, investments, investment returns, and fees and
expenses associated with the investments and with the administration of the plan, projected activities of the plan for the current calendar year, and any other information regarding the plan and its operations that the board may determine to provide.

285.1055. 1. The board shall establish the plan so that individuals are able to begin contributing under the plan no later than September 1, 2024.

2. The board may, in its discretion, phase in the plan so that the ability to contribute first applies on different dates for different classes of individuals, including employees of employers of different sizes or types and individuals who are not employees; provided that, any such staged or phased-in implementation schedule shall be substantially completed no later than September 1, 2024.
