The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. Subject to appropriation, moneys in the fund shall be distributed by the state treasurer solely for the administration of sections 285.1000 to 285.1055.

2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The Missouri workplace retirement savings administrative fund shall consist of:

- (1) Moneys appropriated to the administrative fund by the general assembly;
- (2) Moneys transferred to the administrative fund from the federal government, other state agencies, or local governments;
- (3) Moneys from the payment of application, account, administrative, or other fees and the payment of other moneys due to the board;
- (4) Any gifts, donations, or grants made to the state of Missouri for deposit in the administrative fund;
- (5) Moneys collected for the administrative fund from contributions to, or investment returns or assets of, the plan or other moneys collected by or for the plan or pursuant to arrangements established under the plan to the extent permitted under federal and Missouri law; and
- (6) Earnings on moneys in the administrative fund.

5. To the extent consistent with ERISA, the tax qualification rules, and other federal law; the board shall accept any grants, gifts, appropriations, or other moneys from the state; any unit of federal, state, or local government; or any other person, firm, partnership, corporation, or other entity solely for deposit into the administrative fund, whether for investment or administrative expenses.

6. To enable or facilitate the start-up and continuing operation, maintenance, administration, and management of the program until the plan accumulates sufficient balances and can generate sufficient funding through fees assessed on program accounts for the plan to become financially self-sustaining:

- (1) The board may borrow from the state of Missouri; any unit of federal, state, or local government; or any other person, firm, partnership, corporation, or other entity

38 working capital funds and other funds as may be necessary for this purpose, provided
39 that such funds are borrowed in the name of the plan and board only and that any such
40 borrowings shall be payable solely from the revenues of the plan; and

41 (2) The board may enter into long-term procurement contracts with one or more
42 financial providers that provide a fee structure that would assist the plan in avoiding or
43 minimizing the need to borrow or to rely upon general assets of the state.

44 7. Subject to appropriation, the state of Missouri may pay administrative costs
45 associated with the creation, maintenance, operation, and management of the plan and
46 trust until sufficient assets are available in the administrative fund for that purpose.
47 Thereafter, all administrative costs of the administrative fund, including any repayment
48 of start-up funds provided by the state of Missouri, shall be repaid only out of moneys
49 on deposit therein. However, private funds or federal funding received in order to
50 implement the program until the administrative fund is self-sustaining shall not be
51 repaid unless those funds were offered contingent upon the promise of such repayment.

52 8. The board may use the moneys in the administrative fund solely to pay the
53 administrative costs and expenses of the plan and the administrative costs and expenses
54 the board incurs in the performance of its duties under sections 285.1000 to 285.1055.

285.1050. 1. The board shall keep an accurate account of all the activities,
2 operations, receipts, and expenditures of the plan, the trust, and the board. Each year, a
3 full audit of the books and accounts of the board pertaining to those activities,
4 operations, receipts and expenditures, personnel, services, or facilities shall be
5 conducted by a certified public accountant and shall include, but not be limited to,
6 direct and indirect costs attributable to the use of outside consultants, independent
7 contractors, and any other persons who are not state employees for the administration
8 of the plan. For the purposes of the audit, the auditors shall have access to the
9 properties and records of the plan and board and may prescribe methods of accounting
10 and the rendering of periodic reports in relation to projects undertaken by the plan.

11 2. By August first of each year, the board shall submit to the governor, the state
12 treasurer, the president pro tempore of the senate, and the speaker of the house of
13 representatives a public report on the operation of the plan and trust and activities of
14 the board, including an audited financial report, prepared in accordance with generally
15 accepted accounting principles, detailing the activities, operations, receipts, and
16 expenditures of the plan and board during the preceding calendar year. The report
17 shall also include a summary of the benefits provided by the plan, the number of
18 participants, the names of the participating employers, the contribution formulas and
19 amounts of contributions made by participants and by each participating employer, the
20 withdrawals, the account balances, investments, investment returns, and fees and

21 expenses associated with the investments and with the administration of the plan,
22 projected activities of the plan for the current calendar year, and any other information
23 regarding the plan and its operations that the board may determine to provide.

285.1055. 1. The board shall establish the plan so that individuals are able to
2 begin contributing under the plan no later than September 1, 2024.

3 2. The board may, in its discretion, phase in the plan so that the ability to
4 contribute first applies on different dates for different classes of individuals, including
5 employees of employers of different sizes or types and individuals who are not
6 employees; provided that, any such staged or phased-in implementation schedule shall
7 be substantially completed no later than September 1, 2024.
