4. The provisions of this section shall only apply to counties of the third classification and any county of the first classification with more than seventy thousand but fewer than eighty-three thousand inhabitants and with a city of the fourth classification with more than thirteen thousand five hundred but fewer than sixteen thousand inhabitants as the county seat, and any political subdivisions located, in whole or in part, within such counties.

pupil's four years of high school.

2. Beginning in school year 2017-18, any public school or charter school serving
grades nine through twelve shall provide enrolled students instruction in cardiopulmonary

For purposes of this subsection, first responders shall include telecommunicator first
responders as defined in section 650.320.

4. The department of elementary and secondary education may promulgate rules to
implement this section. Any rule or portion of a rule, as that term is defined in section

only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable,
section 536.028. This section and chapter 536 are nonseverable and if any of the powers
vested with the general assembly pursuant to chapter 536 to review, to delay the effective
date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant
of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be
invalid and void.

emergency responsibilities when responding to a bioterrorism event or suspected bioterrorism
event without being vaccinated. The recommendations of the Centers for Disease Control
and Prevention's Advisory Committee on Immunization Practices shall be followed when
providing appropriate screening for contraindications to vaccination for first responders. A
first responder shall be exempt from vaccinations when a written statement from a licensed
physician is presented to their employer indicating that a vaccine is medically contraindicated
for such person.
4. If a shortage of the vaccines referred to in subsection 2 of this section exists

priority for such vaccinations to persons exposed to the disease and to first responders who
are deployed to the disaster location.
5. The department shall notify first responders concerning the availability of the
vaccination program described in subsection 2 of this section and shall provide education to
such first responders and their employers concerning the vaccinations offered and the
associated diseases.

described in subsection 2 of this section with health care providers, including but not limited
to local public health agencies, hospitals, federally qualified health centers, and physicians.
7. The provisions of this section shall become effective upon receipt of federal funding or federal grants which designate that the funding is required to implement vaccinations for first responders in accordance with the recommendations of the federal Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices. Upon receipt of such funding, the department shall make available the vaccines to first responders as provided in this section.

(4) Knowingly presenting a claim to a health care payer that falsely indicates that any
particular health care was provided to a person or persons, if in fact health care of lesser value

9. Each separate false statement or false representation of a material fact proscribed by subsection 1 of this section or act proscribed by subsection 2 or 3 of this section shall constitute a separate offense and a separate violation of this section, whether or not made at the same or different times, as part of the same or separate episodes, as part of the same scheme or course of conduct, or as part of the same claim.

Any person convicted of a violation of this section, in addition to any fines, penalties or sentences imposed by law, shall be required to make restitution to the federal and state governments, in an amount at least equal to that unlawfully paid to or by the person, and shall be required to reimburse the reasonable costs attributable to the investigation and prosecution pursuant to sections 191.900 to 191.910. All of such restitution shall be paid and deposited to the credit of the "MO HealthNet Fraud Reimbursement Fund", which is hereby established in the state treasury. No moneys shall be paid into the MO HealthNet fraud protection revolving fund pursuant to this subsection unless the attorney general or appropriate prosecuting or circuit attorney shall have commenced a prosecution pursuant to this section, and the court finds in its discretion that payment of attorneys' fees and investigative costs is appropriate under all the circumstances, and the attorney general and prosecuting or circuit attorney shall prove to the court those expenses which were reasonable and necessary to the investigation and prosecution of such case, and the court approves such expenses as being reasonable and necessary. Any moneys remaining in the MO HealthNet fraud reimbursement fund after division and appropriation to the federal government and affected state agencies shall be used to increase MO HealthNet provider reimbursement until it is at least one hundred percent of the Medicare provider reimbursement rate for comparable services. The provisions of section 33.080 notwithstanding, moneys in the MO HealthNet fraud prosecution revolving fund shall not lapse at the end of the biennium.

12. 102 the date on which the defendant first obtained the information;

108 have actual knowledge of the existence of an investigation into such violation.
109 13. Upon conviction pursuant to this section, the prosecution authority shall provide
110 written notification of the conviction to all regulatory or disciplinary agencies with authority
111 over the conduct of the defendant health care provider.
112 14. The attorney general may bring a civil action against any person who shall receive

114 made or caused to be made by that person. The person shall be liable for up to double the
115 amount of all payments received by that person based upon the false statement or false
116 representation of a material fact, and the reasonable costs attributable to the prosecution of the
117 civil action. All such restitution shall be paid and deposited to the credit of the MO HealthNet
118 fraud reimbursement fund, and all such cost reimbursements shall be paid and deposited to
119 the credit of the MO HealthNet fraud prosecution revolving fund. No reimbursement of such
120 costs attributable to the prosecution of the civil action shall be made or allowed except with
121 the approval of the court having jurisdiction of the civil action. No civil action provided by
122 this subsection shall be brought if restitution and civil penalties provided by subsections 11
123 and 12 of this section have been previously ordered against the person for the same cause of
124 action.

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after July 14, 2021, shall be invalid and void.

285.575. 1. This section shall be known and may be cited as the "Whistleblower's Protection Act".

2. As used in this section, the following terms shall mean:
   (1) "Because" or "because of", as it relates to the adverse decision or action, the person's status as a protected person was the motivating factor;
   (2) "Employer", an entity that has six or more employees for each working day in each of twenty or more calendar weeks in the current or preceding calendar year. "Employer" shall not include the state of Missouri or its agencies, instrumentalities, or political subdivisions, including but not limited to any public institution of higher education, a corporation wholly owned by the state of Missouri, an individual employed by an employer, or corporations and associations owned or operated by religious or sectarian organizations; except that, "employer" shall include law enforcement agencies;
   (3) "Proper authorities", a governmental or law enforcement agency, an officer of an employee's employer, the employee's supervisor employed by the employer, or the employee's human resources representative employed by the employer;
   (4) "Protected person", an employee of an employer who has reported to the proper authorities an unlawful act of his or her employer; an employee of an employer who reports to his or her employer serious misconduct of the employer that violates a clear mandate of public policy as articulated in a constitutional provision, statute, or regulation promulgated...
under statute; or an employee of an employer who has refused to carry out a directive issued
by his or her employer that if completed would be a violation of the law. An employee of an
employer is not a protected person if:

(a) The employee is a supervisory, managerial, or executive employee or an officer of
his or her employer and the unlawful act or serious misconduct reported concerns matters
upon which the employee is employed to report or provide professional opinion; or

(b) The proper authority or person to whom the employee makes his or her report is
the person whom the employee claims to have committed the unlawful act or violation of a
clear mandate of public policy;

(5) "The motivating factor", the employee's protected classification actually played a
role in the adverse decision or action and had a determinative influence on the adverse
decision or action.

3. This section is intended to codify the existing common law exceptions to the at-
will employment doctrine and to limit their future expansion by the courts. This section, in
addition to chapter 213 and chapter 287, shall provide the exclusive remedy for any and all
claims of unlawful employment practices.

4. It shall be an unlawful employment practice for an employer to discharge an
individual defined as a protected person in this section because of that person's status as a
protected person.

5. A protected person aggrieved by a violation of this section shall have a private
right of action for actual damages for violations of this section but not for punitive damages.
However, if a private right of action for damages exists under another statutory or regulatory
scheme, whether under state or federal law, no private right of action shall exist under this
section.

6. Any party to any action initiated under this section may demand a trial by jury.

7. A protected person aggrieved by a violation of this section shall have a private
right of action that may be filed in a court of competent jurisdiction. The only remedies
available in such an action shall be:

(1) Back pay;

(2) Reimbursement of medical bills directly related to a violation of this section; and

(3) Additionally, if a protected person proves, by clear and convincing evidence, that
the conduct of the employer was outrageous because of the employer's evil motive or reckless
indifference to the rights of others, then, such person may receive double the amount awarded
under subdivisions (1) and (2) of this subsection, as liquidated damages. In applying this
subsection, the provisions of section 510.263 shall be applied as though liquidated damages
were punitive damages and as though the amounts referenced in subdivisions (1) and (2) of
this subsection were compensatory damages.
8. The court, in addition to the damages set forth in subsection 7 of this section, may award the prevailing party court costs and reasonable attorney fees; except that a prevailing respondent may be awarded reasonable attorney fees only upon a showing that the case was without foundation.

and who since such date has not been convicted of any intoxication-related traffic offense or

3. Upon granting of the order of expungement, the records and files maintained in any
administrative or court proceeding in an associate or circuit division of the circuit court under
this section shall be confidential and only available to the parties or by order of the court for
good cause shown. The effect of such order shall be to restore such person to the status he or

provision of any law to be guilty of perjury or otherwise giving a false statement by reason of
his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement
in response to any inquiry made of him or her for any purpose whatsoever and no such
inquiry shall be made for information relating to an expungement under this section. A
person shall only be entitled to one expungement pursuant to this section. Nothing contained

individual receives only one expungement pursuant to this section for the purpose of
informing the proper authorities of the contents of any record maintained pursuant to this
section.

may apply to have one or more offenses, violations, or infractions expunged if such offense,
violation, or infraction occurred within the state of Missouri and was prosecuted under the
jurisdiction of a Missouri municipal, associate circuit, or circuit court, so long as such person
lists all the offenses, violations, and infractions he or she is seeking to have expunged in the
petition and so long as all such offenses, violations, and infractions are not excluded under
subsection 2 of this section. If the offenses, violations, or infractions were charged as counts
in the same indictment or information or were committed as part of the same course of
criminal conduct, the person may include all the related offenses, violations, and infractions
in the petition, regardless of the limits of subsection 12 of this section, and the petition shall
only count as a petition for expungement of the highest level violation or offense contained in
the petition for the purpose of determining future eligibility for expungement.

(11) Any offense of section 571.030, except any offense under subdivision (1) of subsection 1 of section 571.030 where the person was convicted or found guilty prior to January 1, 2017, or any offense under subdivision (4) of subsection 1 of section 571.030.

3. The petition shall name as defendants all law enforcement agencies, courts, prosecuting or circuit attorneys, municipal prosecuting attorneys, central state repositories of criminal records, or others who the petitioner has reason to believe may possess the records subject to expungement for each of the offenses, violations, and infractions listed in the petition. The court's order of expungement shall not affect any person or entity not named as a defendant in the action.

4. The petition shall include the following information:

(1) The petitioner's:

(a) Full name;

(b) Sex;

(c) Race;

(d) Driver's license number, if applicable; and

(e) Current address;

(2) Each offense, violation, or infraction for which the petitioner is requesting expungement;

(3) The approximate date the petitioner was charged for each offense, violation, or infraction; and

(4) The name of the county where the petitioner was charged for each offense, violation, or infraction and if any of the offenses, violations, or infractions occurred in a municipality, the name of the municipality for each offense, violation, or infraction; and

(5) The case number and name of the court for each offense.
5. The clerk of the court shall give notice of the filing of the petition to the office of the prosecuting attorney, circuit attorney, or municipal prosecuting attorney that prosecuted the offenses, violations, or infractions listed in the petition. If the prosecuting attorney, circuit attorney, or municipal prosecuting attorney objects to the petition for expungement, he or she shall do so in writing within thirty days after receipt of service. Unless otherwise agreed upon by the parties, the court shall hold a hearing within sixty days after any written objection is filed, giving reasonable notice of the hearing to the petitioner. If no objection has been filed within thirty days after receipt of service, the court may set a hearing on the matter and shall give reasonable notice of the hearing to each entity named in the petition. At any hearing, the court may accept evidence and hear testimony on, and may consider, the following criteria for each of the offenses, violations, or infractions listed in the petition for expungement:

(1) At the time the petition is filed, it has been at least three years if the offense is a felony, or at least one year if the offense is a misdemeanor, municipal offense, or infraction, from the date the petitioner completed any authorized disposition imposed under section 557.011 for each offense, violation, or infraction listed in the petition;

(2) At the time the petition is filed, the person has not been found guilty of any other misdemeanor or felony, not including violations of the traffic regulations provided under chapters 301, 302, 303, 304, and 307, during the time period specified for the underlying offense, violation, or infraction in subdivision (1) of this subsection;

(3) The person has satisfied all obligations relating to any such disposition, including the payment of any fines or restitution;

(4) The person does not have charges pending;

(5) The petitioner's habits and conduct demonstrate that the petitioner is not a threat to the public safety of the state; and

(6) The expungement is consistent with the public welfare and the interests of justice warrant the expungement.

A pleading by the petitioner that such petitioner meets the requirements of subdivisions (5) and (6) of this subsection shall create a rebuttable presumption that the expungement is warranted so long as the criteria contained in subdivisions (1) to (4) of this subsection are otherwise satisfied. The burden shall shift to the prosecuting attorney, circuit attorney, or municipal prosecuting attorney to rebut the presumption. A victim of an offense, violation, or infraction listed in the petition shall have an opportunity to be heard at any hearing held under this section, and the court may make a determination based solely on such victim's testimony.

6. A petition to expunge records related to an arrest for an eligible offense, violation, or infraction may be made in accordance with the provisions of this section to a court of competent jurisdiction in the county where the petitioner was arrested no earlier than three
years from the date of arrest; provided that, during such time, the petitioner has not been charged and the petitioner has not been found guilty of any misdemeanor or felony offense.

7. If the court determines that such person meets all the criteria set forth in subsection 5 of this section for each of the offenses, violations, or infractions listed in the petition for expungement, the court shall enter an order of expungement. In all cases under this section, the court shall issue an order of expungement or dismissal within six months of the filing of the petition. A copy of the order of expungement shall be provided to the petitioner and each entity possessing records subject to the order, and, upon receipt of the order, each entity shall destroy any record, except a record of arrest, in its possession relating to any offense, violation, or infraction listed in the petition, in the manner established by section 610.120. The records and files maintained in any administrative or court proceeding in a municipal, associate, or circuit court for any offense, infraction, or violation ordered expunged under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The central repository shall request the Federal Bureau of Investigation to expunge the records from its files.

8. The order shall not limit any of the petitioner's rights that were restricted as a collateral consequence of such person's criminal record, and such rights shall be restored upon issuance of the order of expungement. For purposes of 18 U.S.C. Section 921(a)(33)(B)(ii), an order or expungement granted pursuant to this section shall be considered a complete removal of all effects of the expunged conviction. Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged offense, violation, or infraction to any court when asked or upon being charged with any subsequent offense, violation, or infraction. The expunged offense, violation, or infraction may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

9. Notwithstanding the provisions of subsection 8 of this section to the contrary, a person granted an expungement shall disclose any expunged offense, violation, or infraction when the disclosure of such information is necessary to complete any application for:

(1) A license, certificate, or permit issued by this state to practice such individual's profession;

(2) Any license issued under chapter 313 or permit issued under chapter 571;
(3) Paid or unpaid employment with an entity licensed under chapter 313, any state-operated lottery, or any emergency services provider, including any law enforcement agency;

(4) Employment with any federally insured bank or savings institution or credit union or an affiliate of such institution or credit union for the purposes of compliance with 12 U.S.C. Section 1829 and 12 U.S.C. Section 1785;

(5) Employment with any entity engaged in the business of insurance or any insurer for the purpose of complying with 18 U.S.C. Section 1033, 18 U.S.C. Section 1034, or other similar law which requires an employer engaged in the business of insurance to exclude applicants with certain criminal convictions from employment; or

(6) Employment with any employer that is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

An employer shall notify an applicant of the requirements under subdivisions (4) to (6) of this subsection. Notwithstanding any provision of law to the contrary, an expunged offense, violation, or infraction shall not be grounds for automatic disqualification of an applicant, but may be a factor for denying employment, or a professional license, certificate, or permit; except that, an offense, violation, or infraction expunged under the provisions of this section may be grounds for automatic disqualification if the application is for employment under subdivisions (4) to (6) of this subsection.

10. A person who has been granted an expungement of records pertaining to a misdemeanor or felony offense, an ordinance violation, or an infraction may answer "no" to an employer's inquiry into whether the person has ever been convicted of a crime if, after the granting of the expungement, the person has no public record of a misdemeanor or felony offense, an ordinance violation, or an infraction. The person, however, shall answer such an inquiry affirmatively and disclose his or her criminal convictions, including any offense or violation expunged under this section or similar law, if the employer is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

11. If the court determines that the petitioner has not met the criteria for any of the offenses, violations, or infractions listed in the petition for expungement or the petitioner has knowingly provided false information in the petition, the court shall enter an order dismissing the petition. Any person whose petition for expungement has been dismissed by the court for failure to meet the criteria set forth in subsection 5 of this section may not refile another petition until a year has passed since the date of filing for the previous petition.
12. A person may be granted more than one expungement under this section provided that during his or her lifetime, the total number of offenses, violations, or infractions for which orders of expungement are granted to the person shall not exceed the following limits:

(1) Not more than two misdemeanor offenses or ordinance violations that have an authorized term of imprisonment; and

(2) Not more than one felony offense.

A person may be granted expungement under this section for any number of infractions. Nothing in this section shall prevent the court from maintaining records to ensure that an individual has not exceeded the limitations of this subsection. Nothing in this section shall be construed to limit or impair in any way the subsequent use of any record expunged under this section of any arrests or findings of guilt by a law enforcement agency, criminal justice agency, prosecuting attorney, circuit attorney, or municipal prosecuting attorney, including its use as a prior offense, violation, or infraction.

13. The court shall make available a form for pro se petitioners seeking expungement, which shall include the following statement: "I declare under penalty of perjury that the statements made herein are true and correct to the best of my knowledge, information, and belief."

14. Nothing in this section shall be construed to limit or restrict the availability of expungement to any person under any other law.

2. Patient, resident or client abuse or neglect is a class A misdemeanor unless committed under subdivision (2) or (4) of subsection 1 of this section in which case such abuse or neglect shall be a class [E] D felony.
