105.711. 1. There is hereby created a "State Legal Expense Fund" which shall consist of moneys appropriated to the fund by the general assembly and moneys otherwise credited to such fund pursuant to section 105.716.

judgment or claim for which the state legal expense fund is liable under this paragraph;

who provides medical, nursing, or dental treatment within the scope of his license or
registration to students of a school whether a public, private, or parochial elementary or

In the case of any claim or judgment that arises under this paragraph, the aggregate of payments from the state legal expense fund shall be limited to a maximum of one million dollars for all claims arising out of and judgments based upon the same act or acts alleged in a single cause and shall not exceed one million dollars for any one claimant, and insurance policies purchased under the provisions of section 105.721 shall be limited to one million dollars.

(4) Staff employed by the juvenile division of any judicial circuit;

(5) Any attorney licensed to practice law in the state of Missouri who practices law at or through a nonprofit community social services center qualified as exempt from federal taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, or through any agency of any federal, state, or local government, if such legal practice is provided by the attorney without compensation. In the case of any claim or judgment that arises under this subdivision, the aggregate of payments from the state legal expense fund shall be limited to a maximum of five hundred thousand dollars for all claims arising out of and judgments based upon the same act or acts alleged in a single cause and shall not exceed five hundred thousand dollars for any one claimant, and insurance policies purchased pursuant to the provisions of section 105.721 shall be limited to five hundred thousand dollars;

(7) Any person who is selected or appointed by the state director of revenue under subsection 2 of section 136.055 to act as an agent of the department of revenue, to the extent that such agent's actions or inactions upon which such claim or judgment is based were performed in the course of the person's official duties as an agent of the department of revenue and in the manner required by state law or department of revenue rules.

3. **Moneys in the state legal expense fund shall be available for the payment of any claim or any amount required by any final judgment rendered by a court of competent jurisdiction for the purposes of paying judgments arising from claims under section 506.400.**

4. The department of health and senior services shall promulgate rules regarding contract procedures and the documentation of care provided under paragraphs (b), (c), (d), (e), and (f) of subdivision (3) of subsection 2 of this section. The limitation on payments from the state legal expense fund or any policy of insurance procured pursuant to the provisions of section 105.721, provided in subsection [7] 8 of this section, shall not apply to any claim or judgment arising under paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section. Any claim or judgment arising under paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section shall be paid by the state legal expense fund or any policy of insurance procured pursuant to section 105.721, to the extent damages are allowed under sections 538.205 to 538.235. Liability or malpractice insurance obtained and maintained in force by any health care professional licensed or registered under chapter 330, 331, 332, 334, 335, 336, 337, or 338 for coverage concerning his or her private practice and assets shall not be considered available under subsection [7] 8 of this section to pay that portion of a judgment or claim for which the state legal expense fund is liable under paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section. However, a health care professional licensed or registered under chapter 330, 331, 332, 334, 335, 336, 337, or 338 may purchase liability or malpractice insurance for coverage of liability claims or judgments based upon care rendered under paragraphs (c), (d), (e), and (f) of subdivision (3) of subsection 2 of this section which exceed the amount of liability coverage provided by the state legal expense fund under those paragraphs. Even if paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section is repealed or modified, the state legal expense fund shall be available for damages which occur while the pertinent paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section is in effect.

section. The limitation on payments from the state legal expense fund or any policy of
insurance procured pursuant to section 105.721 as provided in subsection [7] 8 of this section
shall not apply to any claim or judgment arising under subdivision (5) of subsection 2 of this
section. Any claim or judgment arising under subdivision (5) of subsection 2 of this section
shall be paid by the state legal expense fund or any policy of insurance procured pursuant to
section 105.721 to the extent damages are allowed under sections 538.205 to 538.235. Liability or malpractice insurance otherwise obtained and maintained in force shall not be
considered available under subsection [7] 8 of this section to pay that portion of a judgment or
claim for which the state legal expense fund is liable under subdivision (5) of subsection 2 of
this section. However, an attorney may obtain liability or malpractice insurance for coverage
of liability claims or judgments based upon legal practice rendered under subdivision (5) of
subsection 2 of this section that exceed the amount of liability coverage provided by the state
legal expense fund under subdivision (5) of subsection 2 of this section. Even if subdivision
(5) of subsection 2 of this section is repealed or amended, the state legal expense fund shall be
available for damages that occur while the pertinent subdivision (5) of subsection 2 of this
section is in effect.

[5-] 6. All payments shall be made from the state legal expense fund by the
commissioner of administration with the approval of the attorney general. Payment from the
state legal expense fund of a claim or final judgment award against a health care professional
licensed or registered under chapter 330, 331, 332, 334, 335, 336, 337, or 338, described in
paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section, or
against an attorney in subdivision (5) of subdivision 2 of this section, shall only be made for
services rendered in accordance with the conditions of such paragraphs. In the case of any
claim or judgment against an officer or employee of the state or any agency of the state based
upon conduct of such officer or employee arising out of and performed in connection with his
or her official duties on behalf of the state or any agency of the state that would give rise to a
cause of action under section 537.600, the state legal expense fund shall be liable, excluding
punitive damages, for:

(1) Economic damages to any one claimant; and

(2) Up to three hundred fifty thousand dollars for noneconomic damages.

The state legal expense fund shall be the exclusive remedy and shall preclude any other civil
actions or proceedings for money damages arising out of or relating to the same subject
matter against the state officer or employee, or the officer's or employee's estate. No officer
or employee of the state or any agency of the state shall be individually liable in his or her
personal capacity for conduct of such officer or employee arising out of and performed in
connection with his or her official duties on behalf of the state or any agency of the state. The
provisions of this subsection shall not apply to any defendant who is not an officer or
employee of the state or any agency of the state in any proceeding against an officer or
employee of the state or any agency of the state. Nothing in this subsection shall limit the
rights and remedies otherwise available to a claimant under state law or common law in
proceedings where one or more defendants is not an officer or employee of the state or any
agency of the state.

[6-] 7. The limitation on awards for noneconomic damages provided for in this
subsection shall be increased or decreased on an annual basis effective January first of each
year in accordance with the Implicit Price Deflator for Personal Consumption Expenditures as
published by the Bureau of Economic Analysis of the United States Department of
Commerce. The current value of the limitation shall be calculated by the director of the
department of commerce and insurance, who shall furnish that value to the secretary of state,
who shall publish such value in the Missouri Register as soon after each January first as
practicable, but it shall otherwise be exempt from the provisions of section 536.021.

[7-] 8. Except as provided in subsection [3] 4 of this section, in the case of any claim
or judgment that arises under sections 537.600 and 537.610 against the state of Missouri, or
an agency of the state, the aggregate of payments from the state legal expense fund and from
any policy of insurance procured pursuant to the provisions of section 105.721 shall not
exceed the limits of liability as provided in sections 537.600 to 537.610. No payment shall be
made from the state legal expense fund or any policy of insurance procured with state funds
pursuant to section 105.721 unless and until the benefits provided to pay the claim by any
other policy of liability insurance have been exhausted.

[8-] 9. The provisions of section 33.080 notwithstanding, any moneys remaining to
the credit of the state legal expense fund at the end of an appropriation period shall not be
transferred to general revenue.

[9-] 10. Any rule or portion of a rule, as that term is defined in section 536.010, that is
promulgated under the authority delegated in sections 105.711 to 105.726 shall become
effective only if it has been promulgated pursuant to the provisions of chapter 536. Nothing
in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted
prior to August 28, 1999, if it fully complied with the provisions of chapter 536. This section
and chapter 536 are nonseverable and if any of the powers vested with the general assembly
pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a
rule are subsequently held unconstitutional, then the grant of rulemaking authority and any
rule proposed or adopted after August 28, 1999, shall be invalid and void.

506.400. 1. As used in this section, "claimant" means a person convicted and
subsequently imprisoned for one or more offenses that such person did not commit.
2. Notwithstanding any other provision of law, a claimant may bring an action in the circuit court seeking damages from the state under this section.

3. (1) The claimant shall establish the following by a preponderance of evidence:
   (a) The claimant was convicted of a felony offense and subsequently imprisoned;
   (b) The claimant's judgment of conviction was reversed or vacated and either the charges were dismissed or on retrial the claimant was found to be not guilty;
   (c) The claimant did not commit the offense or offenses for which the claimant was convicted and was not an accessory or accomplice to the acts that were the basis of the conviction and resulted in a reversal or vacation of the judgment of conviction, dismissal of the charges, or finding of not guilty on retrial; and
   (d) The claimant did not commit or suborn perjury, fabricate evidence, or by the claimant's own conduct cause or bring about the conviction. Neither a confession or admission later found to be false nor a guilty plea shall constitute committing or suborning perjury, fabricating evidence, or causing or bringing about the conviction under this subsection.

   (2) The court, in exercising its discretion as permitted by law regarding the weight and admissibility of evidence submitted under this section, may, in the interest of justice, give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence, or other factors not caused by such persons or those acting on their behalf.

4. (1) The suit, accompanied by a statement of the facts concerning the claim for damages, verified in the manner provided for the verification of complaints in the rules of civil procedure, shall be brought by the claimant within a period of two years after the:
   (a) Dismissal of the criminal charges against the claimant or finding of not guilty on retrial; or
   (b) Grant of a pardon to the claimant.

   (2) A claimant convicted, imprisoned, and released from custody before August 28, 2022, shall commence an action under this section no later than August 28, 2024.

   (3) All pleadings shall be captioned "In the matter of the wrongful conviction of".

   (4) Any claim filed under this section shall be served on the attorney general.

   (5) The suit for a claim filed under this section shall be tried by the court, and no request for a jury trial shall be made.

5. (1) Damages awarded under this section shall be:
(a) Except as provided in subdivision (2) of this subsection, one hundred seventy-nine dollars per day for each day of imprisonment but no more than sixty-five thousand dollars per fiscal year; and

(b) Not less than twenty-five thousand dollars for each additional year served on parole or postrelease supervision or each additional year the claimant was required to register as a sexual offender under sections 589.400 to 589.425, whichever is greater.

(2) A claimant shall not receive compensation for any period of incarceration during which the claimant was concurrently serving a sentence for a conviction of another crime for which such claimant was lawfully incarcerated.

(3) (a) Except as provided in paragraph (b) of this subdivision, the court shall order that the award be paid as a combination of an initial payment not to exceed one hundred thousand dollars or twenty-five percent of the award, whichever is greater, and the remainder as an annuity not to exceed eighty thousand dollars per year. The claimant shall designate a beneficiary or beneficiaries for the annuity by filing such designation with the court.

(b) The court may order that the award be paid in one lump sum if the court finds that it is in the best interests of the claimant.

(4) In addition to the damages awarded under subdivision (1) of this subsection, the claimant:

(a) Shall be entitled to receive reasonable attorney's fees and costs incurred in the action brought under this section not to exceed a total of twenty-five thousand dollars, unless a greater reasonable total is authorized by the court upon a finding of good cause shown;

(b) May also be awarded other nonmonetary relief as sought in the complaint including, but not limited to, counseling, housing assistance, and personal financial literacy assistance, as appropriate; and

(c) Shall be entitled to receive tuition assistance under section 506.403.

6. (1) If, at the time of the judgment entry referred to in subsection 5 of this section, the claimant has won a monetary award against the state or any political subdivision thereof in a civil action related to the same subject, or has entered into a settlement agreement with the state or any political subdivision thereof related to the same subject, the amount of the award in the action or the amount received in the settlement agreement, less any sums paid to attorneys or for costs in litigating the other civil action or obtaining the settlement agreement, shall be deducted from the sum of moneys to which the claimant is entitled under this section. The court shall include in the judgment entry an award to the state of any amount deducted under this subsection.
(2) If subdivision (1) of this subsection does not apply and if, after the time of the
judgment entry referred to in subsection 5 of this section, the claimant wins a monetary
award against the state or any political subdivision thereof in a civil action related to the
same subject, or enters into a settlement agreement with the state or any political
subdivision thereof related to the same subject, the claimant shall reimburse the state
for the sum of moneys paid under the judgment entry referred to in subsection 5 of this
section, less any sums paid to attorneys or for costs in litigating the other civil action or
obtaining the settlement agreement. A reimbursement required under this subsection
shall not exceed the amount of the monetary award the claimant wins for damages in the
other civil action or the amount received in the settlement agreement.

7. If the court finds that the claimant is entitled to a judgment, it shall enter a
certificate of innocence finding that the claimant was innocent of all offenses for which
the claimant was mistakenly convicted. The clerk of the court shall send a certified copy
of the certificate of innocence and the judgment entry to the attorney general for
payment under section 105.711.

8. Upon entry of a certificate of innocence, the claimant shall automatically be
granted an order of expungement from the court in which he or she pled guilty or was
sentenced to expunge from all official records or recordations of his or her arrest, plea,
trial, or conviction. Upon granting of the order of expungement, the records and files
maintained in any administrative or court proceeding in an associate or circuit division
of the court shall be confidential and only available to the parties or by order of the
court for good cause shown. The effect of such order shall be to restore such person to
the status he or she occupied prior to such arrest, plea, or conviction and as if such event
had never taken place. No person as to whom such order has been entered shall be held
thereafter under any provision of any law to be guilty of perjury or otherwise giving a
false statement by reason of his or her failure to recite or acknowledge such arrest, plea,
trial, conviction, or expungement in response to any inquiry made of him or her for any
purpose whatsoever, and no such inquiry shall be made for information relating to an
expungement under this subsection.

9. Upon entry of a certificate of innocence, the court shall order the
expungement and destruction of the associated biological samples authorized by and
given to the Missouri state highway patrol. The order shall state the information
required to be stated in a petition to expunge and destroy the samples and profile record
and shall direct the Missouri state highway patrol to expunge and destroy such samples
and profile record. The clerk of the court shall send a certified copy of the order to the
Missouri state highway patrol, which shall carry out the order and provide confirmation
of such action to the court. Nothing in this subsection shall require the Missouri state
highway patrol to expunge and destroy any sample or profile record associated with the
claimant that was related to any offense other than the offense for which the court has
entered a certificate of innocence.

10. The decision to grant or deny a certificate of innocence shall not have a res
djudicata effect on any other proceedings.

11. Nothing in this section shall preclude the department of corrections from
providing reentry services to a claimant that are provided to other persons including,
but not limited to, financial assistance, housing assistance, mentoring, and counseling.
Such services shall be provided while an action under this section is pending and after
any judgment is entered, as appropriate for such claimant.

12. A decision under this section may be appealed to the supreme court.

506.403. 1. Any individual awarded tuition assistance under section 506.400
shall receive a waiver of tuition and required fees for attendance at a public institution
of higher education for up to one hundred twenty credit hours. Such individual may
attend a public institution of higher education either full-time or part-time.

2. (1) Subject to appropriations, the department of higher education may make
expenditures to reimburse each individual awarded tuition assistance under section
506.400 who is enrolled in a public institution of higher education for additional fees
including, but not limited to, fees for room and board, technical equipment, and course-
required books.

(2) No public institution of higher education shall delay enrollment of an
individual who is awarded tuition assistance under section 506.400 because
appropriations are not available for any additional fees provided to such individual.

3. To remain eligible for the tuition and fees waiver under this section, an
individual shall remain in good standing at the public institution of higher education
where the individual is enrolled.

4. Individuals shall provide a written or electronic copy of the court order
awarding relief in the form of tuition assistance to the public institution of higher
education or the department of higher education.

5. The department of higher education shall adopt rules and regulations to
administer the provisions of this section. Any rule or portion of a rule, as that term is
defined in section 536.010, that is created under the authority delegated in this section
shall become effective only if it complies with and is subject to all of the provisions of
chapter 536 and, if applicable, section 536.028. This section and chapter 536 are
nonseverable, and if any of the powers vested with the general assembly pursuant to
chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are
subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

\[650.058.\] 1. Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such crime solely as a result of DNA profiling analysis may be paid restitution. The individual may receive an amount of one hundred dollars per day for each day of postconviction incarceration for the crime for which the individual is determined to be actually innocent. The petition for the payment of said restitution shall be filed with the sentencing court. For the purposes of this section, the term "actually innocent" shall mean:

1. The individual was convicted of a felony for which a final order of release was entered by the court;
2. All appeals of the order of release have been exhausted;
3. The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the parole board in connection with the crime for which the person has been exonerated. Regardless of whether any other basis may exist for the revocation of the person's probation or parole at the time of conviction for the crime for which the person is later determined to be actually innocent, when the court's or the parole board's sole stated reason for the revocation in its order is the conviction for the crime for which the person is later determined to be actually innocent, such order shall, for purposes of this section only, be conclusive evidence that their probation or parole was revoked in connection with the crime for which the person has been exonerated; and
4. Testing ordered under section 547.035, or testing by the order of any state or federal court, if such person was exonerated on or before August 28, 2004, or testing ordered under section 650.055, if such person was or is exonerated after August 28, 2004, demonstrates a person's innocence of the crime for which the person is in custody.

Any individual who receives restitution under this section shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This section shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. The department of corrections shall determine the aggregate amount of restitution owed during a fiscal year. If insufficient moneys are appropriated each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount appropriated. Provided sufficient moneys are appropriated to the department, the amounts owed to such individual shall be paid on June thirtieth of each subsequent fiscal year, until such time as the restitution to the individual has been paid in full. However, no individual awarded restitution under this subsection shall receive more than thirty-six thousand five hundred dollars.
during each fiscal year. No interest on unpaid restitution shall be awarded to the individual. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831.
