

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FORTY-NINTH DAY, WEDNESDAY, APRIL 6, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Let us search and try our ways, and turn again unto the Lord. (Lamentations 3:40)

O God, our Eternal Word, as we seek to find our way through these busy, days make us mindful of Your presence, eager to do Your will, and ready to carry our responsibilities with honor to ourselves, to our state, and to You.

Give us clarity of vision to see what we ought to do, the courage to do it, and the faith to keep us firm amid the frustrations of these long legislative debates.

Bless our Representatives and all who work for them and with them, plus their families. May they be strengthened with high principles and sustained by realistic goals as they seek to do their duties and to discharge their obligations with fidelity. Together may we commit ourselves to You and to the building of a stronger Show Me State.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Melody Meredith, Zylene Renee Jean Plankey, and Zoe James-Thompson.

The Journal of the forty-eighth day was approved as printed.

AMEND House Committee Substitute for House Bill No. 1757, Page 3, Section 8.930, Line 88, by inserting after all of said section and line the following:

"217.1020. 1. There is hereby established the "Department of Corrections Task Force", which shall consist of eight members as follows:

(1) Two members of the house of representatives, one from each party, appointed by the speaker of the house of representatives and the minority floor leader of the house of representatives;

(2) Two members of the senate, one from each party, appointed by the president pro tempore of the senate and the minority floor leader of the senate;

(3) The director of the department of corrections or his or her designee;

(4) One member who shall be a licensed physician;

(5) One member who shall be a law or criminal justice professor;

(6) One member who shall be an attorney licensed in this state;

(7) One member who shall be a member of the clergy; and

(8) One member who has been incarcerated with the department of corrections but has been released from department custody for at least seven years, is not on probation, and has not committed any new offense.

2. The members of the task force, other than the members from the general assembly, shall be appointed by the governor with the advice and consent of the senate. A chair of the task force shall be selected by the members of the task force. Of the members first appointed to the task force by the governor, two members shall serve a term of two years, two members shall serve a term of one year, and thereafter, members shall serve a term of two years. Members shall continue to serve until their successor is duly appointed and qualified. Any vacancy on the task force shall be filled in the same manner as the original appointment. Members shall serve on the task force without compensation but may be reimbursed for their actual and necessary expenses from moneys appropriated to the department of corrections for that purpose. The task force shall:

(1) Meet on at least four occasions annually, including at least two before the end of December of the first year the task force is established. Meetings may be held by telephone or video conference at the discretion of the task force;

(2) Investigate complaints related to incarcerated persons' health, safety, welfare, and rights;

(b) Access to proper nutrition and a clean and adequate water supply;

(c) Livable temperatures in prison facilities;

(d) Physical or sexual abuse from fellow inmates;

(e) Physical or sexual abuse from department of corrections staff or contractors;

(f) Credible threats against an inmate from other inmates, prison staff, or contractors;

(g) Neglect of prison staff or contractors that results in physical or sexual trauma;

(h) Denial of rights afforded to inmates under federal or state law;

(i) Access to visitation and communication with family and legal representation; and

(j) Any instance in which the task force determines an action or behavior to be such that it constitutes abuse or neglect against an inmate;

(4) Monitor and ensure compliance with relevant statutes, rules, and policies regarding the treatment of inmates under the jurisdiction of the department of correction;

(5) Collect and analyze data related to complaints received by the department and data related to the following:

(a) Deaths, suicides, and suicide attempts in custody;

(b) Physical and sexual assaults in custody;

(c) Number of people placed in administrative segregation or solitary confinement, and duration of stay in confinement;

- (d) Number of facility lock-downs lasting longer than twenty-four hours;
- (e) Number of staff vacancies at each facility;
- (f) Inmate-to-staff ratios at each facility;
- (g) Staff tenure and turnover; and
- (h) Number of in-person visits to inmates that were made and denied at each facility; and
- (6) Monitor all decisions of the parole board.

3. On or before December 31, 2022, and each December thirty-first thereafter, the board shall submit to the general assembly a report of its findings and activities.

4. This section shall expire on December 31, 2027."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

The department may require that such fingerprint submissions be made as part of a medical marijuana facility application ~~[for licensure or certification]~~, a medical marijuana facility **renewal** application ~~[for renewal of licensure or certification]~~, and an individual's application for **licensure and issuance** of an identification card authorizing that individual to be an **employee, contractor**, owner, ~~[officer, manager, contractor, employee, or other support staff]~~ **or volunteer** of a medical marijuana facility.

3. Fingerprint cards and any required fees shall be sent to the Missouri state highway patrol's central repository. The fingerprints shall be used for searching the state criminal records repository and shall also be forwarded to the Federal Bureau of Investigation for a federal criminal records search under section 43.540. The Missouri state highway patrol shall notify the department of any criminal history record information or lack of criminal history record information discovered on the individual. Notwithstanding the provisions of section 610.120 to the contrary, all records related to any criminal history information discovered shall be accessible and available to the department.

4. As used in this section, the following words shall mean:

(1) **"Contractor"**, a person performing work or service of any kind for a medical marijuana facility in accordance with a contract with that facility;

(2) "Employee", ~~[any]~~ a person performing work or service of any kind or character for hire in a medical marijuana facility;

~~[(2)]~~ (3) "Medical marijuana facility", an entity licensed or certified by the department of health and senior services~~], or its successor agency,~~ to acquire, cultivate, process, manufacture, test, store, sell, transport, or deliver medical marijuana;

~~(3) "Other support staff", any person performing work or service of any kind or character, other than employees, on behalf of a medical marijuana facility if such a person would have access to the medical marijuana facility or its medical marijuana or related equipment or supplies]."; and~~

House Amendment No. 2

AMEND House Committee Substitute for House Bill No. 2600, Page 2, Section 21.831, Line 35, by inserting after said section and line the following:

"160.077. 1. This section shall be known and may be cited as the "Get the Lead Out of School Drinking Water Act".

2. As used in this section, the following terms mean:

(1) "Commission", the safe drinking water commission established under section 640.105;

(2) "Disadvantaged school district", any school district that serves students from a county in which at least twenty-five percent of the households in such county are below the federal poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. Section 9902(2), as amended, or any school district in which more than seventy percent of students in the district qualify for a free or reduced price lunch under the federal Richard B. Russell National School Lunch Act, 42 U.S.C. Section 1751 et seq.;

(3) "Drinking water outlet", a potable water fixture that is used for drinking or food preparation.

"Drinking water outlet" includes, but is not limited to:

(a) A water fountain, faucet, or tap that is used or potentially used for drinking or food preparation;
and

(b) Ice-making and hot drink machines;

(4) "First draw", a two-hundred-fifty-milliliter sample immediately collected from a drinking water outlet that has been turned on after a stagnation period of at least eight hours;

(5) "NSF/ANSI 53-2017", the standard for drinking water treatment systems that are designed to reduce specific health-related contaminants in water supplies that is published by NSF International/ANSI with the title "Drinking Water Treatment Units - Health Effects", or any more stringent subsequent standard;

(6) "Parent", a parent, guardian, or other person having control or custody of a child;

(7) "Private school", the same definition as in section 166.700;

(8) "Public school", the same definition as in section 160.011;

(9) "Remediation", decreasing the lead concentration in water from a drinking water outlet to less than one part per billion without relying solely on flushing practices, or using methods such as the replacement of lead-containing pipes, solder, fittings, or fixtures with lead-free components;

(10) "School", any public school, private school, or provider of an early childhood education program that receives state funding.

3. Beginning in the 2023-24 school year and for each subsequent school year, each school shall provide drinking water with a lead concentration level below the American Academy of Pediatrics' recommended maximum level for schools of one part per billion in sufficient amounts to meet the drinking water needs of all students and staff as provided in this section.

4. (1) Before January 1, 2024, each school shall:

(a) Conduct an inventory of all drinking water outlets and nonpotable water fixtures in each of the school's buildings;

(b) Remove any drinking watercoolers that the United States Environmental Protection Agency has determined are not lead-free under the federal Lead Contamination Control Act of 1988, as amended;

(c) Install a filter that reduces lead in drinking water on each drinking water outlet, maintain such filters to ensure that lead concentration levels are below one part per billion, and replace such filters at least as frequently as provided for in the manufacturer's instructions. This paragraph shall apply only to schools with drinking water determined to have a lead concentration level above the American Academy of Pediatrics' recommended maximum level for schools of one part per billion; and

(d) Upon request, provide general information on the health effects of lead contamination and additional informational resources for employees and parents of children at each school.

(2) Each school shall make buildings housing early childhood education programs, kindergartens, and elementary schools the priority when complying with paragraphs (a) to (c) of subdivision (1) of this subsection.

(3) Filters described in paragraph (c) of subdivision (1) of this subsection and any replacement filters shall be certified as compliant with NSF/ANSI 53-2017 and shall incorporate an integral performance indication device as specified in section 6.1 of NSF/ANSI 53-2017.

(4) Each school shall provide sufficient filtered water to meet the drinking water needs of all students and staff.

(5) Within sixty days after filters are installed as required under paragraph (c) of subdivision (1) of this subsection and annually thereafter, each school shall conduct testing for lead by first-draw and follow-up flush samples of a random sampling of at least twenty-five percent of remediated drinking water outlets until all remediated sources have been tested as recommended by the 2018 version of the United States Environmental Protection Agency's "Training, Testing, and Taking Action" program. The testing shall be conducted and the results analyzed for both types of tests by an entity or entities approved by the department.

(6) Within two weeks after receiving test results, each school shall make all testing results and any lead remediation plans available on the school's website.

(7) School districts shall submit such annual testing results to the commission.

(8) This subsection shall not be construed to prevent a school from conducting more frequent testing than required under this section.

5. (1) If a first draw sample shows a lead concentration of one part per billion or greater, the affected school shall:

(a) Within one business day after receiving the test result, shut off the drinking water outlet;

(b) Provide bottled water if there is not enough water to meet the drinking water needs of the students, teachers, and staff; and

(c) Within thirty days after receiving the test result, determine interim remediation steps to implement to address the elevated lead concentration level. Such steps shall be posted to the school website.

(2) If a pipe, solder, fitting, or fixture is replaced as part of permanent remediation under paragraph (d) of subdivision (1) of this subsection, the replacement shall be lead-free, as such term is defined in 40 CFR 143.12, as amended.

(3) If a test result exceeds one part per billion, the affected school shall contact parents and staff via written notification within seven business days after receiving the test result. The notification shall include at least:

(a) The test results and a summary that explains such results;

(b) A description of any remedial steps taken; and

(c) A description of general health effects of lead contamination and community specific resources.

6. (1) In addition to the apportionments payable to a school district under chapter 163, the department of natural resources is hereby authorized to apportion to any school additional funding for the filtration, testing, and other remediation of drinking water systems required under this section, subject to appropriation.

(2) To the extent permitted by federal law, a school district may seek reimbursement or other funds for compliance incurred under this section under any applicable federal law including, but not limited to, America's Water Infrastructure Act of 2018 and the Water Infrastructure Finance and Innovation Act of 2014, 33 U.S.C. Section 3901 et seq.

(3) Disadvantaged school districts shall receive funding priority under this subsection.

7. The commission, in conjunction with the department of elementary and secondary education, shall publish a report biennially based on the findings from the water testing conducted under this section. Such report shall be sent to the governor and the joint committee on education and shall be made available on the website of the commission.

8. The commission shall:

(1) On or before July 1, 2023, provide guidance to schools regarding the maintenance of filters and filtration systems and the development and implementation of flushing plans. Such guidance shall include recommendations for flushing after stagnant times including, but not limited to, the morning of each school day and after weekends, school holidays, and summer break. Flushing plans shall include details for flushing the incoming water line and the filter; and

(2) On or before July 1, 2023, create an online program to provide training for custodial staff on the maintenance of filters and filtration systems and on the implementation of flushing plans, emphasizing that proper maintenance is critical to improved drinking water quality and safety.

9. (1) For public schools, the commission shall ensure compliance with this section. Each school district shall be responsible for ensuring compliance within each school within the school district's jurisdiction.

(2) The commission shall have the authority to enter a school building governed by this section to determine compliance with this section.

10. No school building constructed after January 4, 2014, as provided in the federal Reduction of Lead in Drinking Water Act (42 U.S.C. Section 300g-6), as amended, shall be required to install, maintain, or replace filters under paragraph (c) of subdivision (1) of subsection 4 of this section.

11. A school that tests and does not find a drinking water source with a lead concentration above the acceptable level as defined in subsection 3 of this section shall be required to test only every five years.

12. The commission may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Brown (70), **House Amendment No. 2** was adopted.

Representative McGaugh offered **House Amendment No. 3**.

House Amendment No. 3

AMEND House Committee Substitute for House Bill No. 2600, Page 2, Section 21.831, Line 35, by inserting after all of said section and line the following:

"256.800. 1. This section shall be known and may be cited as the "Flood Resiliency Act".

2. As used in this section, unless the context otherwise requires, the following terms shall mean:

(1) "Director", the director of the department of natural resources;

(2) "Flood resiliency measures", structural improvements, studies, and activities employed to improve flood resiliency in local to regional or multi-jurisdictional areas;

(3) "Flood resiliency project", a project containing planning, design, construction, or renovation of flood resiliency measures or the conduct of studies or activities in support of flood resiliency measures;

(4) "Partner", a political subdivision, entity, or person working in conjunction with a promoter to facilitate the completion of a flood resiliency project;

(5) "Plan", a preliminary report describing the need for, and implementation of, flood resiliency measures;

(6) "Promoter", any political subdivision of the state, or any levee district or drainage district organized or incorporated in the state.

3. (1) There is hereby established in the state treasury a fund to be known as the "Flood Resiliency Improvement Fund", which shall consist of all moneys deposited in such fund from any source, whether public or private. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and moneys in the fund shall be used solely for the purposes of this section. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

(2) Upon appropriation, the department of natural resources shall use moneys in the fund created by this subsection for the purposes of carrying out the provisions of this section including, but not limited to, the provision of grants or other financial assistance and, if limitations or conditions are imposed, only upon such other limitations or conditions specified in the instrument that appropriates, grants, bequeaths, or otherwise authorizes the transmission of moneys to the fund.

4. In order to increase flood resiliency along the Missouri and Mississippi Rivers and their tributaries and improve statewide flood forecasting and monitoring ability, there is hereby established a "Flood Resiliency Program". The program shall be administered by the department of natural resources. The state may participate with a promoter in the development, construction, or renovation of a flood resiliency project if the promoter has a plan which has been submitted to and approved by the director, or the state may promote a flood resiliency project and initiate a plan on its own accord.

5. The plan shall include a description of the flood resiliency project, the need for the project, the flood resiliency measures to be implemented, the partners to be involved in the project, and other such information as the director may require to adequately evaluate the merit of the project.

6. The director shall only approve a plan upon a determination that long-term flood mitigation is needed in that area of the state and that such a plan proposes flood resiliency measures that will provide long-term flood resiliency.

7. Promoters with approved flood resiliency plans and their partners shall be eligible to receive any gifts, contributions, grants, or bequests from federal, state, private, or other sources for costs associated with flood resiliency projects that are part of such plans.

8. Promoters with approved flood resiliency plans and their partners may be granted moneys from the flood resiliency improvement fund under subsection 3 of this section for eligible costs associated with flood resiliency projects that are part of such plans.

9. The department of natural resources is hereby granted authority to promulgate rules to implement this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative McGaugh, **House Amendment No. 3** was adopted.

Representative Schwadron offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Committee Substitute for House Bill No. 2600, Page 2, Section 21.831, Line 35, by inserting after all of said section and line the following:

"260.243. **1. For facilities permitted before August 28, 2022**, the department of natural resources shall not issue a permit to an applicant for a commercial solid waste processing facility designed to incinerate solid waste in any county unless such facility meets the conditions established in this section. For the purposes of this section, a commercial solid waste processing facility is a facility designed to incinerate waste which accepts solid waste for a fee regardless of where such waste is generated. Any commercial solid waste processing facility which incinerates solid waste shall be located so as to provide a health and safety buffer zone to protect citizens living or working nearby. The size of the buffer zone shall be determined by the department but shall extend at least fifty feet from a facility located in a nonresidential area in a city not within a county or at least three hundred feet from a facility located elsewhere. The department shall consider the proximity of schools, businesses and houses, the prevailing winds and other factors which it deems relevant when establishing the buffer zone. Any facility located within a city not within a county shall be required to strictly adhere to the terms, conditions and provisions of its permit.

2. (1) For any facility permitted on or after August 28, 2022, the department of natural resources shall not issue a permit to an applicant for a transfer station in any county with a charter form of government unless such transfer station meets the conditions established in this subsection. Any transfer station shall provide a buffer zone determined by the department that shall extend at least one thousand feet from a transfer station located in a residential area. The department shall consider the proximity of schools, businesses, and houses when establishing the buffer zone.

(2) This subsection shall not apply to any permit renewal, modifications, or amendments to any transfer station originally permitted as provided in subsection 1 of this section."; and
