

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FIFTY-THIRD DAY, WEDNESDAY, APRIL 13, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

He giveth power to the faint; and to them that have no might He increaseth strength. (Isaiah 40:29)

Ancient and Eternal God, our Creator, in whose presence our restless spirits are quieted and our hungry hearts find the food that nourishes and strengthens our understanding, increase our faith and stimulate our resolve to walk in the way of Your commandments, to abide in Your love, and to serve our state with all our might.

Grant us an inner greatness of spirit that we may meet the challenge of this day unashamed and unafraid. Though the earth be moved, the waters roar, and the mountains shake may we find our refuge and our strength in You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

"The Star-Spangled Banner" was performed by the Lady Tigers Basketball Team from Neelyville High School.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Evaline Rose Rowland.

(7) To discriminate against any person in the terms, conditions, or privileges of sale or rental of a dwelling, or in the provision of services or facilities in connection with such dwelling, because of a disability of:

(a) That person;

(b) A person residing in or intending to reside in that dwelling after it is so sold, rented, or made available; or

(c) Any person associated with that person.

2. For purposes of this section and sections 213.045 and 213.050, discrimination includes:

(1) A refusal to permit, at the expense of the person with the disability, reasonable modifications of existing premises occupied or to be occupied by such person if such modifications may be necessary to afford such person full enjoyment of the premises, except that, in the case of a rental, the landlord may, where it is reasonable to do so, condition permission for a modification on the renter's agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted;

(2) A refusal to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford such person equal opportunity to use and enjoy a dwelling; or

(3) In connection with the design and construction of covered multifamily dwellings for first occupancy after March 13, 1991, a failure to design and construct those dwellings in such a manner that:

(a) The public use and common use portions of such dwellings are readily accessible to and usable by persons with a disability;

(b) All the doors designed to allow passage into and within all premises within such dwellings are sufficiently wide to allow passage by persons with a disability in wheelchairs; and

(c) All premises within such dwellings contain the following features of adaptive design:

a. An accessible route into and through the dwelling;

b. Light switches, electrical outlets, thermostats, and other environmental controls in accessible locations;

c. Reinforcements in bathroom walls to allow later installation of grab bars; and

d. Usable kitchens and bathrooms such that an individual in a wheelchair can maneuver about the space.

3. As used in subdivision (3) of subsection 2 of this section, the term "covered multifamily dwelling" means:

(1) Buildings consisting of four or more units if such buildings have one or more elevators; and

(2) Ground floor units in other buildings consisting of four or more units.

4. Compliance with the appropriate requirements of the American National Standard for Buildings and Facilities providing accessibility and usability for people with physical disabilities, commonly cited as "ANSI A117.1", suffices to satisfy the requirements of paragraph (a) of subdivision (3) of subsection 2 of this section.

5. Where a unit of general local government has incorporated into its laws the requirements set forth in subdivision (3) of subsection 2 of this section, compliance with such laws shall be deemed to satisfy the requirements of that subdivision. Such compliance shall be subject to the following provisions:

(1) A unit of general local government may review and approve newly constructed covered multifamily dwellings for the purpose of making determinations as to whether the design and construction requirements of subdivision (3) of subsection 2 of this section are met;

(2) The commission shall encourage, but may not require, the units of local government to include in their existing procedures for the review and approval of newly constructed covered multifamily dwellings, determinations

as to whether the design and construction of such dwellings are consistent with subdivision (3) of subsection 2 of this section, and shall provide technical assistance to units of local government and other persons to implement the requirements of subdivision (3) of subsection 2 of this section;

(3) Nothing in this chapter shall be construed to require the commission to review or approve the plans, designs or construction of all covered dwellings, to determine whether the design and construction of such dwellings are consistent with the requirements of subdivision (3) of subsection 2 of this section.

6. Nothing in this chapter shall be construed to invalidate or limit any law of the state or political subdivision of the state, or other jurisdiction in which this chapter shall be effective, that requires dwellings to be designed and constructed in a manner that affords persons with disabilities greater access than is required by this chapter.

7. Nothing in this section and sections 213.045 and 213.050 requires that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others.

8. Nothing in this section and sections 213.045 and 213.050 limits the applicability of any reasonable local or state restriction regarding the maximum number of occupants permitted to occupy a dwelling, nor does any provision in this section and sections 213.045 and 213.050 regarding familial status apply with respect to housing for older persons.

9. As used in this section and sections 213.045 and 213.050, "housing for older persons" means housing:

(1) Provided under any state or federal program that the commission determines is specifically designed and operated to assist elderly persons, as defined in the state or federal program;

(2) Intended for, and solely occupied by, persons sixty-two years of age or older; or

(3) Intended and operated for occupancy by at least one person fifty-five years of age or older per unit. In determining whether housing qualifies as housing for older persons under this subsection, the commission shall develop regulations which require at least the following factors:

(a) The existence of significant facilities and services specifically designed to meet the physical or social needs of older persons, or if the provision of such facilities and services is not practicable, that such housing is necessary to provide important housing opportunities for older persons; and

(b) That at least eighty percent of the units are occupied by at least one person fifty-five years of age or older per unit; and

(c) The publication of, and adherence to, policies and procedures which demonstrate an intent by the owner or manager to provide housing for persons fifty-five years of age or older.

10. Housing shall not fail to meet the requirements for housing for older persons by reason of:

(1) Persons residing in such housing as of August 28, 1992, who do not meet the age requirements of subdivision (2) or (3) of subsection 9 of this section, provided that new occupants of such housing meet the age requirements of subdivision (2) or (3) of subsection 9 of this section; or

(2) Unoccupied units, provided that such units are reserved for occupancy by persons who meet the age requirements of subdivision (2) or (3) of subsection 9 of this section.

11. Nothing in this section or section 213.045 or 213.050 shall prohibit conduct against a person because such person has been convicted by any court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance, as defined by section 195.010.

12. Nothing in this chapter shall prohibit a religious organization, association, or society, or any nonprofit institution or organization operated, supervised or controlled by or in conjunction with a religious organization, association, or society, from limiting the sale, rental or occupancy of dwellings which it owns or operates for other than a commercial purpose to persons of the same religion, or from giving preference to such persons, unless membership in such religion is restricted on account of race, color, or national origin. Nor shall anything in this chapter prohibit a private club not in fact open to the public, which as an incident to its primary purpose or purposes provides lodging which it owns or operates for other than a commercial purpose, from limiting the rental or occupancy of such lodging to its members or from giving preference to its members.

13. Nothing in this chapter, other than the prohibitions against discriminatory advertising in subdivision (3) of subsection 1 of this section, shall apply to:

(1) The sale or rental of any single family house by a private individual owner, provided the following conditions are met:

(a) The private individual owner does not own or have any interest in more than three single family houses at any one time; and

(b) The house is sold or rented without the use of a real estate broker, agent or salesperson or the facilities of any person in the business of selling or renting dwellings and without publication, posting or mailing of any advertisement. If the owner selling the house does not reside in it at the time of the sale or was not the most recent resident of the house prior to such sale, the exemption in this section applies to only one such sale in any twenty-four-month period; or

(2) Rooms or units in dwellings containing living quarters occupied or intended to be occupied by no more than four families living independently of each other, if the owner actually maintains and occupies one of such living quarters as his or her residence.

213.045. It shall be unlawful for any bank, building and loan association, insurance company or other corporation, association, firm or enterprise whose business consists in whole or in part in the making of commercial real estate loans, to deny a loan or other financial assistance because of race, color, religion, national origin, ancestry, sex, **sexual orientation**, disability or familial status to a person applying therefor for the purpose of purchasing, ~~construction~~ **constructing**, improving, repairing, or maintaining a dwelling, or to discriminate against ~~him~~ **such person** in fixing of the amount, interest rate, duration, or other terms or conditions of such loan or other financial assistance, because of the race, color, religion, national origin, ancestry, sex, **sexual orientation**, disability, or familial status of such person or of any person associated with ~~him~~ **such person** in connection with such loan or other financial assistance, or of the present or prospective owners, lessees, tenants, or occupants, of the dwellings in relation to which such loan or other financial assistance is to be made or given.

213.050. It shall be unlawful to deny any person access to or membership or participation in any multiple listing service, real estate brokers' organization or other service organization, or facility relating to the business of selling or renting dwellings, because of race, color, religion, national origin, ancestry, sex, **sexual orientation**, disability, or familial status.

213.055. 1. It shall be an unlawful employment practice:

(1) For an employer, because of the race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability of any individual:

(a) To fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to ~~his~~ **such individual's** compensation, terms, conditions, or privileges of employment, because of such individual's race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability;

(b) To limit, segregate, or classify ~~his~~ **such employer's** employees or ~~his~~ **such employer's** employment applicants in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect ~~his~~ **such individual's** status as an employee, because of such individual's race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability;

(2) For a labor organization to exclude or to expel from its membership any individual or to discriminate in any way against any of its members or against any employer or any individual employed by an employer because of race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability of any individual; or to limit, segregate, or classify its membership, or to classify or fail or refuse to refer for employment any individual, in any way which would deprive or tend to deprive any individual of employment opportunities, or would limit such employment opportunities or otherwise adversely affect ~~his~~ **such individual's** status as an employee or as an applicant for employment, because of such individual's race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability; or for any employer, labor organization, or joint labor-management committee controlling apprenticeship or other training or retraining, including on-the-job training programs to discriminate against any individual because of ~~his~~ **such individual's** race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability in admission to, or employment in, any program established to provide apprenticeship or other training;

(3) For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment or to make any inquiry in connection with prospective employment, which expresses, directly or indirectly, any limitation, specification, or discrimination, because of race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability unless based upon a bona fide occupational qualification or for an employment agency to fail or refuse to refer for employment, or otherwise to discriminate against, any individual because of his or her race, color, religion, national origin, sex, **sexual orientation**, ancestry, age as it relates to employment, or disability, or to classify or refer for employment any individual because of his or her race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability.

2. Notwithstanding any other provision of this chapter, it shall not be an unlawful employment practice for an employer to apply different standards of compensation, or different terms, conditions or privileges of employment pursuant to a bona fide seniority or merit system, or a system which measures earnings by quantity or

quality of production or to employees who work in different locations, provided that such differences or such systems are not the result of an intention or a design to discriminate, and are not used to discriminate, because of race, color, religion, sex, **sexual orientation**, national origin, ancestry, age, or disability, nor shall it be an unlawful employment practice for an employer to give and to act upon the results of any professionally developed ability test, provided that such test, its administration, or action upon the results thereof, is not designed, intended or used to discriminate because of race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability.

3. Nothing contained in this chapter shall be interpreted to require any employer, employment agency, labor organization, or joint labor-management committee subject to this chapter to grant preferential treatment to any individual or to any group because of the race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability of such individual or group on account of an imbalance which may exist with respect to the total number or percentage of persons of any race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability employed by any employer, referred or classified for employment by any employment agency or labor organization, admitted to membership or classified by any labor organization, or admitted to or employed in any apprenticeship or other training program, in comparison with the total number or percentage of persons of such race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability in any community, state, section, or other area, or in the available workforce in any community, state, section, or other area.

4. Notwithstanding any other provision of this chapter, it shall not be an unlawful employment practice for the state or any political subdivision of the state to comply with the provisions of 29 U.S.C. Section 623 relating to employment as firefighters or law enforcement officers.

213.065. 1. All persons within the jurisdiction of the state of Missouri are free and equal and shall be entitled to the full and equal use and enjoyment within this state of any place of public accommodation, as hereinafter defined, without discrimination or segregation because of race, color, religion, national origin, sex, **sexual orientation**, ancestry, or disability.

2. It is an unlawful discriminatory practice for any person, directly or indirectly, to refuse, withhold from or deny any other person, or to attempt to refuse, withhold from or deny any other person, any of the accommodations, advantages, facilities, services, or privileges made available in any place of public accommodation, as defined in section 213.010 and this section, or to segregate or discriminate against any such person in the use thereof because of race, color, religion, national origin, sex, **sexual orientation**, ancestry, or disability.

3. The provisions of this section shall not apply to a private club, a place of accommodation owned by or operated on behalf of a religious corporation, association or society, or other establishment which is not in fact open to the public, unless the facilities of such establishments are made available to the customers or patrons of a place of public accommodation as defined in section 213.010 and this section."; and

Further amend said bill and page, Section 213.066, Line 13, by inserting after said section and line the following:

"213.070. 1. It shall be an unlawful discriminatory practice for an employer, employment agency, labor organization, or place of public accommodation:

(1) To aid, abet, incite, compel, or coerce the commission of acts prohibited under this chapter or to attempt to do so;

(2) To retaliate or discriminate in any manner against any other person because such person has opposed any practice prohibited by this chapter or because such person has filed a complaint, testified, assisted, or participated in any manner in any investigation, proceeding or hearing conducted pursuant to this chapter;

(3) For the state or any political subdivision of this state to discriminate on the basis of race, color, religion, national origin, sex, **sexual orientation**, ancestry, age[?] as it relates to employment, disability, or familial status as it relates to housing; or

(4) To discriminate in any manner against any other person because of such person's association with any person protected by this chapter.

2. This chapter, in addition to ~~chapter~~ **chapters** 285 and ~~chapter~~ 287, shall provide the exclusive remedy for any and all claims for injury or damages arising out of an employment relationship.

213.101. 1. The provisions of this chapter shall be construed to accomplish the purposes thereof and any law inconsistent with any provision of this chapter shall not apply. Nothing contained in this chapter shall be deemed to repeal any of the provisions of any law of this state relating to discrimination because of race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, disability, or familial status.

2. The general assembly hereby expressly abrogates the case of *McBryde v. Ritenour School District*, 207 S.W.3d 162 (Mo.App. E.D. 2006), and its progeny as it relates to the necessity and appropriateness of the issuance of a business judgment instruction. In all civil actions brought under this chapter, a jury shall be given an instruction expressing the business judgment rule.

3. If an employer in a case brought under this chapter files a motion pursuant to rule 74.04 of the Missouri rules of civil procedure, the court shall consider the burden-shifting analysis of *McDonnell Douglas Corp. v. Green*, 411 U.S. 792 (1973), and its progeny to be highly persuasive for analysis in cases not involving direct evidence of discrimination.

4. The general assembly hereby expressly abrogates by this statute the cases of *Daugherty v. City of Maryland Heights*, 231 S.W.3d 814 (Mo. 2007) and its progeny as they relate to the contributing factor standard and abandonment of the burden-shifting framework established in *McDonnell Douglas Corp. v. Green*, 411 U.S. 792 (1973).

5. The general assembly hereby expressly abrogates by this statute the holding in *Hurst v. Kansas City Mo. "247.215. 1. The board of directors of any public water supply district which is dependent upon purchases of water to supply its needs may sell and convey part or all of its water mains, plant, real estate, or equipment to any water corporation as defined in section 386.020 if all bonds of the district, whether general obligation bonds constituting a lien on the property within the district or special obligation or revenue bonds constituting a lien on the income and revenues arising from the operation of the water system:

(1) Are to be paid in full, or

(2) A sum sufficient to pay all of such bonds together with interest accrued or to accrue thereon, together with all other items of expense incident to the payment of such bonds, shall be set aside from the proceeds of said sale and deposited with the fiscal agent named in the bonds for the purpose of full payment.

2. After the board of directors of any public water supply district has entered into a contract to sell part or all of its water mains, plant, real estate or equipment, pursuant to this section, an application shall be made by said board of directors to the circuit court which originally incorporated the district, which application shall set forth a copy of the contract entered into by the parties, and the facts concerning the bondholders and their rights, and requesting an order of the court approving or disapproving the contract.

3. Upon the filing of the application, the court shall set a time for the hearing thereof and shall order a public notice setting forth the nature of the application, a description of the property to be sold, and the time and place for the hearing, to be published for three weeks consecutively, in a newspaper of general circulation in the county in which the application is pending, the last publication to be not more than five days before the date set for the hearing.

4. If the court finds that the contract provides for the sale of all of the mains, plants, real estate and equipment of the district and protects the bondholders' rights, and also provides for the rendering of the necessary water service in the territory embracing the district, and is in the best interest of the residents and property owners of the district, it shall, by its decree, approve the contract and order dissolution of the district, provided that such dissolution is assented to by a [~~two-thirds~~] majority of the voters of the district, voting on the question and provided further, that the dissolution of the district shall not become final until after all its debts have been paid and the disposition of funds of the district has been fully carried out as hereinafter provided to the satisfaction of the court, after which a final decree may be entered.

5. Such water supply district shall not be finally dissolved, upon the sale of all of its assets, until final liquidation thereof and until the trustees of the district have first paid to the collector of the county, or counties, in which the district is located all of its remaining funds which shall be applied pro rata toward the payment and satisfaction of the taxes of the residents and property owners of the district on their respective personal and real property tax bills for the next ensuing year or years. In the event that the sum of money so paid to the collector would amount to less than the equivalent of one cent reduction in the tax rate and thus impose upon the collector a cost burden in excess of the money so paid, then and in that event said funds shall be paid over to the treasurer of the various school districts having real estate within the said water supply district in the ratio that the assessed valuation of such school district bears to the whole assessed valuation of the water supply district.

247.220. 1. Proceedings for the dissolution of a public water supply district shall be substantially the same as proceedings for the formation of such a district, as follows: A petition describing the boundaries of the district sought to be dissolved shall be filed with the clerk of the circuit court of the county wherein the subject district is situate, or with the clerk of the circuit court of the county having the largest acreage within the boundaries of the subject district, in the event that the subject district embraces lands in more than one county. Such petition, in addition to such boundary description, shall allege that further operation of the subject district is inimicable to the best interests of the inhabitants of the district, that the district should, in the interest of the public welfare and safety, be dissolved, that an alternative water supplier is available and better able to supply water to the inhabitants of the district, and such other information as may be useful to the court in determining whether the petition should be granted and a decree of dissolution entered. Such petition shall also include a detailed plan for payment of all debt and obligations of the district at the time of dissolution. Such petition shall be accompanied by a cash deposit of fifty dollars as an advancement of the costs of the proceeding and the petition shall be signed by not less than one-fifth of the registered voters from each subdistrict, or fifty registered voters from each subdistrict, whichever is less,

within the subject district. The petition shall be verified by at least one of the signers thereof and shall be served upon the board of directors of the district as provided by law. The district shall be a party, and if the board of directors in its discretion determines that such dissolution is not in the public interest, the district shall oppose such petition and pay all cost and expense thereof.

2. Upon the filing of the petition, the same shall be presented to the circuit court, and such court shall fix a date for a hearing on such petition, as provided in this section. Thereupon, the clerk of the court shall give notice of the filing of the petition in some newspaper of general circulation in the county in which the proceedings are pending, and if the district extends into any other county or counties, such notice shall also be published in some newspaper of general circulation in such other county or counties. The notice shall contain a description of the subject boundary lines of the district and the general purposes of the petition, and shall set forth the date fixed for the hearing on the petition, which shall not be less than seven nor more than twenty-one days after the date of the last publication of the notice and shall be on some regular judicial day of the court wherein the petition is pending. Such notice shall be signed by the clerk of the circuit court and shall be published in three successive issues of a weekly newspaper or in twenty successive issues of a daily newspaper.

3. The court, for good cause shown, may continue the case or the hearing thereon from time to time until final disposition thereof.

4. Exceptions to the dissolution of a district may be made by any voter or landowner of the district, and by the district as herein provided; such exceptions shall be filed not less than five days prior to the date set for the hearing on the petition. Such exceptions shall specify the grounds upon which the exceptions are filed and the court shall take them into consideration in passing upon the petition and shall also consider the evidence in support of the petition and in support of the exceptions made. Unless petitioners prove that all debts and financial obligations of the district can be paid in full upon dissolution, the petition shall be dismissed at the cost of the petitioners.

6. The decree of dissolution shall not become final and conclusive until it shall have been submitted to the voters residing within the boundaries described in such decree and until it shall have been assented to by a majority [~~of two-thirds~~] of the voters of the district voting on the proposition. The decree shall provide for the submission of the question and shall fix the date thereof. The returns shall be certified by the election authority to the circuit court having jurisdiction in the case and the court shall thereupon enter its order canvassing the returns and declaring the result of such election.

7. If, upon canvass and declaration, it is found and determined that the question shall have been assented to by a majority of [~~two-thirds of~~] the voters of the district voting on such proposition then the court shall, in such order declaring the result of the election, enter a further order declaring the decree of dissolution to be final and conclusive. In the event, however, that the court should find that the question had not been assented to by the majority required, the court shall enter a further order declaring such decree of dissolution to be void and of no effect. No appeal shall lie from any of the aforesaid orders. In the event that the court declares the decree of dissolution to be final, as provided in this section, the clerk of the circuit court shall file certified copies of such decree of dissolution and of such final order with the secretary of state of the state of Missouri, and with the recorder of deeds of the county or counties in which the district is situate and with the clerk of the county commission of the county or counties in which the district is situate.
