

HB 1607 -- FIREARM BUSINESS REGULATION PREEMPTION

SPONSOR: Wiemann

This bill states that the General Assembly preempts the entire field of legislation that would prohibit, restrict, or reduce the operation of a firearm business, as defined in the bill. This preemption includes legislation or orders issued during a declared state of emergency or disaster. Any existing or future order, ordinance, or regulation prohibiting, restricting, or reducing the operations of a firearm business are void.

This bill is the same as HB 1068 (2021).
