

HB 2000 -- HOLOCAUST EDUCATION WEEK

SPONSOR: Schwadron

This bill requires the state Holocaust Education and Awareness Commission to implement Holocaust education and awareness programs. The 4th week in January will be designated as "Holocaust Education Week" and age appropriate Holocaust education instruction shall be provided to students. The Department of Elementary and Secondary Education shall provide model curriculum with at least one unit of instruction on the Holocaust for school districts to adopt beginning in the 2023-24 school year. School districts must also provide professional development for teachers to adequately prepare provided Holocaust instruction.
