

HJR 100 -- POLICE FUNDING

SPONSOR: Richey

Currently, the General Assembly cannot require a city to increase an activity or service beyond that required by existing law, unless a state appropriation is made to pay the city for any increased costs.

This proposed Constitutional amendment, if approved by the voters, provides an exception for the establishment of minimum funding for law enforcement agencies so as to prevent the defunding of law enforcement.

This bill is the same as SJR 38 (2022).
