

HB 1397 -- PERSONALIZED LICENSE PLATE FEE

SPONSOR: Oehlerking

COMMITTEE ACTION: Voted "Do Pass" by the Standing Committee on Transportation Infrastructure by a vote of 7 to 6.

Currently, special personalized license plates cost an additional \$15 over the regular registration fees. This bill increases the special personalized license fee to \$30, and specifies that the increased amount will only be charged for new or reissued plates and not annually upon renewal of existing plates.

PROPONENTS: Supporters say that making the fee only one time is easier on people.

Testifying in person for the bill was Representative Oehlerking.

OPPONENTS: There was no opposition voiced to the committee.

Written testimony has been submitted for this bill. The full written testimony and witnesses testifying online can be found under Testimony on the bill page on the House website.
