

HJR 23 -- OSAGE RIVER GAMING LICENSE

SPONSOR: Knight

Currently, excursion gambling boats and floating facilities may offer lotteries, gift enterprises, and games of chance upon the Mississippi and Missouri Rivers only, and no additional excursion gambling boat licenses may be authorized by the Missouri Gaming Commission.

Upon voter approval, this proposed Constitutional amendment changes the Constitution of Missouri to allow lotteries, gift enterprises, and games of chance to be conducted on excursion gambling boats and floating facilities licensed by the Commission upon portions of the Osage River from the Missouri River to the Bagnell Dam as specified in the House Joint Resolution. Further, the Commission shall issue one excursion gambling boat license in addition to those licenses that have been authorized prior to January 1, 2023.

This resolution is similar to HJR 127 (2022).
