Hello, I am in support of this bill. Having resource officers being able to carry at all school buildings, buses and sanctioned events will help keep officers in close proximity at all times and be able to respond to threats quickly. Thank you for your time.

I wish to express my support for this legislation, the School Protection Officer program is our best option to have well trained intervention capable people, on scene to protect our children. I co-authored an article published today for Police One on this topic. Below is a link to article that provides a researched basis for why the SPO program is the best option we currently have.<https://www.police1.com/school-safety/articles/should-schools-have-armed-staff-members-A4Gtun14EIUNDytw/>

**I support HB 571. Allowing a school's SRO or SPO to be armed when visiting other schools with their district students is the right policy.**
